**GATHERING  
OF THE  
JUGGALS**

# ATTENTION JUGGALOS!!!

If you are holding this program in your hands it means one thing.... You made it! You are at the world infamous Gathering of the Juggalos, whether you came all the way from the Fiji Islands or from the depths of the Detroit underworld, you're standing at the brink of a truly devastating experience that you can tell your momma's momma about, bitch boy. Hold on to your wig 'cause with all the shit that is awaiting you it's about to be blown up like the Hornswagglin' Hillbilly's bathroom.

Before we go over all the different things there are to do at the Gathering we must first go over a few very important details.

**Wristbands** – When you give up your ticket on the way into the Novi Expo Hall you will be given a wristband. Do not take it off. This wristband is your pass to get in and out of the Novi Expo Center as you please. This wristband is good for both Friday and Saturday, so when you leave Friday night do not take it off! If you are seen inside the Novi Expo Center without a wristband on (or with one that has been stretched out of shape) you will be escorted out just as if you had sneaked in. If you damage a wristband in some way bring the whole wristband to the box office and it might be replaced. Lost wristbands will not be replaced.

**Cameras** – You may bring in cameras all that you like, but no video or audio recorders will be allowed. Those caught inside with these devices will be placed in a room for two minutes and made to lick peanut butter off of Choko's feet. Some areas may be restricted from photography, and if so, you will be notified before entering.

**Selling** – There is no selling of substantial amounts of ICP merchandise allowed at the Gathering of the Juggalos. This is not the place for storeowners or Internet merchants to bring their wares and set up shop. Any bootleggers caught in a 100-mile radius will be handled in the usual fashion, and will be clownified. Believe me, you don't want to know what that is!

And that's that. Now with that out of the way, proceed on into a realm of flavor

# EVENTS

Every event is free of charge, covered by the one-time cost of your ticket. The only costs are food and merchandise. Each event is categorized by title, then location (which you can look up on the Gathering Map), then day (Friday and/or Saturday), and finally time.

## SHOWS

### **Myzery, Kottonmouth Kings, and Psychopathic Rydas Concert**

**Outdoor Stage**

**Friday Only (8pm - 11pm)**

What would a Juggalo convention be without Psychopathic music to mosh to? You will see the return (by demand of the Juggalos) of Psychopathic superstar Myzery as he destroys the crowd... then see Psychopathic homies, Kottonmouth Kings, bring their suburban hip-hop flavor to your ass... and finally, see them killa-ganstas themselves, the real murderin' thugs, the Psychopathic Rydas! Wear your bullet proofs, mudda fuckers!

### **Blaze, Project Born, Twiztid, and Insane Clown Posse**

**Saturday Only (7:40pm - 11pm)**

This will be the grand finale. At the concert's end you are guaranteed to see more shit flying off stage than ever thought possible. No one in sight will be safe. Come witness the birth of Psychopathic's newest member, Blaze Your Dead Homie, as he unleashes the wicked dead shit in his special showcase performance. Project Born will then tear it up, Flint hard-knock style. Next, Twiztid takes over by droppin' napalm bombs on the crowd, serial killer style, until no one is left standing. Then the chaos truly goes a step beyond as the Insane Clown Posse take it to a whole other level it really should never go to.

### **Blue Monkey Circus Sideshow**

**Indoor Stage**

**Friday (4:30pm - 5:30pm)**

**Saturday (6:30pm - 7:30pm)**

Freaks of nature gone wrong! Sword swallowers and ninjas who pound nails through their faces! The sick, the twisted—you will see things that will make you want to vomit. You will see things that were never meant to be seen. If you do not scream out loud, you will do so in your own mind.

### **Amazing Magic Show**

**Indoor Stage**

**Saturday Only (5pm - 6pm)**

Unpredictable... things appearing out of thin air... your wallet disappearing from your pocket... your views of reality disappearing from your mind! This is some wig-stretching magic done smooth style like you have never seen before.... This is your chance to walk into the zone filled with illusions that are as elusive as shadows.

## WRESTLING

### **Juggalo Championshit Wrestling**

**Wrestling Area**

**Friday (5:45pm - 7:45pm)**

**Saturday (3:30pm - 5:30pm)**

Come and witness the most wicked and insane wrestling ever: JCW.... You will see the ultimate in hardcore, death-defying wrestling. Violent J, Shaggy 2 Dope, Vampiro, Billy Bill, Tom Dub, Evil Dead, Big Flame, Neil and Bob, Leather Face, Hollywood Chuck Hogan, Breyer Wellington, Mad Man Pondo, Brian Gorie, and more will cause great physical harm to themselves and each other for your sick and twisted enjoyment! Can ICP and Evil Dead get their belts back? We will see.

## Hardcore Wrestling School

Wrestling Area

Friday (4pm – 5pm)

Saturday (1:15pm – 2:15pm)

Do you look at the JC fuckin' W with awe and wonder at how the wrestlers can survive? Have you always wanted to be a hardcore wrestler, and to get your ass kicked for the glory of the sport? Well, now all you backyard wrestling marks can learn the right way to take the most ruthless bumps! We will have JCW wrestlers on hand to teach you how to take table bumps, power bombs, perform wrestling stunts, and other secret shit that they never teach in the so-called professional wrestling schools.

## Get in the Ring

Wrestling Area

Friday (3pm – 4pm and 8pm – 11pm)

Saturday (11am – 1:15pm, 2:15pm – 3pm, and 5:45pm – 11pm)

The wrestling ring is now open to mess around in with your homies for a set time limit. A referee will be in attendance, who, if requested, will judge your match, but keep in mind that no more than four people can wrestle at a time. Beat each other silly with moves learned from your favorite wrestling stars. Check to see if there are blood stains on the canvas. Or simply play chess, it doesn't matter—the ring time is yours. Just sign a waiver in case injuries or crack addiction occur (which happens to most wrestlers). But hey, what's the threat? Wrestling is fake, right?

## Contests

Note: All general prizes won will consist of some sort of ICP, Twiztid, or Psychopathic merchandise. Also note that all judges for contests will be either Psychopathic representatives or a celebrity of some renown.

## Live Web Broadcast and Computer Trivia Challenge

**Computer Area**

**Friday and Saturday (all day long)**

This area features a live web broadcast and chat with Juggalos at home. There will also be five computers that will be running a special ICP trivia game. Five contestants at a time will sit down and compete against one another to see who can reach the highest score. The one with the highest score for each round wins a prize. All contestants who receive perfect scores will get to come back for the **Computer Trivia Show-down** being held **Saturday night (5:45pm – 6:45pm)**. There, everyone competing will play a final game for a chance at the Grand Prize: a Psychopathic Records leather jacket and your photo appearing for a week on ICP's web site with fat props. The Second Place prize will be a Psychopathic hockey jersey, and the Third Place prize will be a Psychopathic baseball jersey. All this is hosted by none other than Jelly Nuts himself! Come here also to see all episodes of The Shaggy Show, including never-seen-before footage, which will be playing in high quality on a big screen TV for people waiting in line and passersby.

## Carnival Games

**Carnival Games**

**Friday and Saturday (all day long)**

Note: You may only win once a day per carnival game.

What would the Dark Carnival be if it didn't have carnival games? Test your reflexes, luck, and mental acuity in these games of skill! The games and how they are played are listed below:

**Dunk Tanks (2)** – Features Slim Anus and a redneck. Players are given three balls to pitch at a small target from about 30ft away. Success wins you a prize and causes the sap to be dumped in a tank filled with Faygo.

**Basketball Hoops (2)** – Players are given two chances to sink a basketball at about the three-point line. One basket scored is a small prize, while two baskets is a phat prize.

**Pool Tables (2)** – Players break four balls with a cue ball. They then attempt to sink whatever balls are left after the break. The only catch is that they must sink the high ball last and every shot must be called. Balls sunk accidentally results

in a loss. Players who are successful win a prize.

**Milk Bottle Toss (1)** – Players pitch a ball in an attempt to knock a pyramid of bottles off a stand. Those who do so win a prize.

## **Psycho Karaoke Contest**

**Outdoor Stage**

**Friday (4pm – 4:45pm)**

**Saturday (12 noon – 12:45pm)**

Those who wish to compete in this event must go immediately to the Outdoor Stage to audition as soon as doors open. Only groups of two may enter. They either rap an ICP or a Twiztid song. The audition process will last an hour, with every team being allowed to rap privately in front of a judge. Judges choose the six best teams that then get to compete on the main stage in the Karaoke Contest. One at a time, these six teams hit the stage in front of the crowd and put on their best performance. Instrumental music is provided for this event over a professional sound system, but contestants must choose from the following list of songs to rap to:

ICP – “Chicken Huntin’,” “Piggy Pie,” “Southwest Voodoo,” “Neden Game,” “Hokus Pokus,” “Bring it On,” “Play with Me,” “I Want My Shit,” “Assassins,” and “Fuck the World.”

Twiztid – “First Day Out,” “Rock the Dead,” and “Bury Me Alive.”

The Judges will decide the winning team based on accuracy and performance, taking crowd reaction into heavy consideration. The winners from both days win a special Backstage Pass that allows them to go backstage Saturday Night starting at 8pm. Along with chillin’ with the stars, they will also get to perform one song with either ICP or Twiztid on stage during their main concert on Saturday night. Yes, you read it correctly!

## **Costume Contest**

**Indoor Stage**

**Saturday Only (11:30am – 12 noon)**

Come dressed as one of the Joker’s Cards... come dressed as space zombie... come dressed as a redneck! Make the most crazy, outlandish, and wild shit you can imagine. Those who wish to compete in this event must be in costume and go immediately to the Indoor Stage as soon as doors open. Contestants will be lined up and a judge will quickly choose the 20 most eye-catching costumes. Those who are chosen proceed to the backstage area where their information will be taken so the MC can properly introduce them on stage. One at a time they will be brought out before the crowd and judges to display their costume. A microphone will be in place should a contestant wish to say something. Once each person has had a chance to hit the stage, the judges will tally their scores and all contestants will be brought back out. The

winners will then be announced. The First Place winner receives three costumes that were used in the movie Big Money Hustlers. Second Place receives \$100, while Third Place receives \$60.

## **Lingerie Contest**

**Indoor Stage** (18 and older only to compete, ID required)

**Saturday Only (4pm – 4:30pm)**

Bring your own lingerie (must fully cover private areas). We want hot, sexy freaks in the hottest, sexiest lingerie! Remember, if you are not particularly beautiful, that attitude and/or large titties go a long way in these contests. Those wishing to compete should be at the Indoor Stage at 3:30pm where 20 women will be picked. They will then be escorted back stage to a dressing area with mirrors so that they can prepare themselves. One at a time the contestants will come out on stage in front of the crowd to strut their stuff. Afterwards, all contestants will be lined up and the crowd will applaud for their favorite girls. The top five girls will then come forward for one more final showdown. The winner is the one who receives the loudest applause. The grand prize is a \$500 shopping spree at any of the merchandise booths in the building.

## Miss Juggalette Pageant

### Indoor Stage

**Saturday Only (2pm - 3:30pm)**

This is where scantily clad women of seduction show off their bountiful curves. To be crowned Juggalette Queen is not just about having a perfect body. It's also about confidence and charisma. Judges will be taking crowd approval into heavy consideration when scoring, so be creative. Any Juggalette wishing to compete should show up at the Indoor Stage at 1:30pm. Among the girls that show up, 20 will be chosen to compete and will be escorted to the backstage area. Once there, you will be directed as to what you need to do. The Pageant is broken into three rounds:

**Personality** - Contestants will be introduced, walk across the stage, and then answer a few questions from the MC of the Pageant.

**Talent** - Contestants will display some sort of talent, such as acting, signing, dancing, kissing, gymnastics, magic, leg splits, poem reading, Faygo guzzling, or whatever you can think of. Music can be provided, or you may bring your own if desired. Anything goes.

**Beauty** - Oh yes, the swimsuit round, where almost all the flesh is exposed for the viewing pleasure of the audience. Contests simply walk the stage and try to look as sexy as they can. Extra bathing suits are available in the dressing room for those who did not bring one.

Five judges score contestants in each category. The top five then move into the final round where they walk across the stage one last time. The judges score this last round simply on crowd reaction. The winner is determined by who has the most points. The First Place winner receives a Great Milenko Platinum Plaque with Juggalette Queen embossed on it, and is then escorted backstage to meet with a Psychopathic star of her choice and set a time to go on a date. Second Place wins a backstage pass and \$60. Third Place wins \$60.

## Tattoo Contest

### Indoor Stage

**Friday Only (3:30pm - 4pm)**

Do you have a fresh looking ICP or Twiztid tattoo? Do people always come up to you and say, "That Psychopathic tattoo is the bomb?" Well, enter your tattoo into the Best Tattoo Contest! Competitors should show up at 3:15pm at the Indoor Stage where they will be lead backstage. They will then walk out on center stage, one at a time, before a panel of judges to display their tattoos. Judges will compile their scores, and the top three will be declared the winners. The First Place winner gets a quick course in wrestling so as to become ICP's third partner in a triple tag match against Hollywood Chuck Hogan, Leather Face, and the Masked Negotiator in the main

event of JCW's Friday show. The winner will also get a tattoo of his or her choosing no matter how big or detailed it is (time permitting). Second Place wins a Psychopathic hockey jersey, and Third Place wins a Psychopathic baseball jersey.

## The Neden Game

**Indoor Stage (18 and older only to compete, ID required)**

**Friday (6pm - 7pm) (two 30min games)**

**Saturday (12:30pm - 1:30pm) (two 30min games)**

Five eager Juggalos will be chosen from the crowd by the MC to come up on the stage to compete in the Neden Game. Much like the Dating Game, the Juggalos will answer rather interesting questions from the woman they are trying to win a date from, while being hidden from each other's sight by a wall. Psychopathic will be supplying the women; each one will be a certified, super-stacked and bangin' tittie dancer (a.k.a. stripper). Whatever Juggalo is best able to seduce and sweet-talk the fine-ass tittie dancer wins a date with her. That date takes place immediately after the Neden Game is over. A limo, dinner, and hotel room are all provided for the winners! Between the two days there will be four shows, thus four winners.

## Art Display

### Art Room

**Friday (all day long)**

**Saturday (11am - 10pm)**

Do you have a bust of Violent J made out of macaroni? Did you do an oil painting of Twiztid, or a watercolor of the Dark Carnival? If so, bring your freshest works of Psychopathic-related art to the Art Room as soon as doors open on Friday. Artists will fill out an info card about themselves and this will then be displayed along with their art for the weekend. This is so other Juggalos passing through can enjoy or bust on it. On Saturday at 6pm the three best works of art will be awarded ribbons. The First Place winner receives a Great Milenko Platinum Plaque with Juggalo Art Master embossed on it, Second Place receives \$100, while the Third Place winner receives \$60. Artists should pick up their art on Saturday between 6pm and 10pm.

## Guess the Weight of Missy

### Booth #20

**Friday (3:15pm - 7:15pm)**

**Saturday (12 noon - 2pm and 3pm - 5pm)**

The adorable and sexy Missy.... She played Sugar Bear's (Shaggy 2 Dope) love interest in Big Money Hustlas... now maybe you can make her YOUR love interest in real life. Come talk to her, get an autograph, throw a rap, and maybe even win a date. There will be an easy card you can fill out and drop

in a box at her booth so Juggalos can attempt to guess her weight. Whoever comes the closest (the winner will be announced over the PA) will win a date with her on Saturday from 7:30pm to 8:30pm. A limousine will take you, Missy, and a chaperon to a fine restaurant so you can kick it. She is a whole lot of woman, and she gets a whole lot of love from Psychopathic and the Juggalos! As far as we're concerned, she is tons of good lovin' fun!

## Juggalo Open Mike

**Outdoor Stage**

**Friday (5:15pm – 7:30pm)**

**Saturday (1:15pm – 7pm)**

Do you have a rap group? Are you kicking the Wicked Shit? Are you looking for a chance to show your stuff to Psychopathic representatives, and to the Juggalos! This is your chance to win over the crowd of Juggalos, and maybe even get signed to Psychopathic! Everyone will have their chance to rap over a professional sound system on the main stage. A beat can be provided for you or you can bring your own (on cassette, or preferably CD or Dat). Afterward, if you like, a Psychopathic employee will take down your info (don't call us, we will call you). This is your chance to feel what it's like to rock the stage on the same level as any mega star.

## Juggalo Scavenger Hunt

**Outdoor Stage**

**Friday Only (11pm)**

After the Psychopathic Rydas concert ends Friday at 11pm (and not a second before) flyers will be passed out to every Juggalo as they leave. They contain a list of bizarre things to find, take pictures of, or acquire, and each thing will be worth a certain amount of points. Those who compete in this game are guaranteed a wild night that may involve sleeplessness, incarceration, loss of sanity and forever losing friends or loved ones. Players should bring their acquired things in the next morning as soon as doors open to the **Wrestling Area**. Judges will tally the points for everything collected by each team or person. The Juggalo or Juggalos with the most points wins! The winner (or winning team) will receive \$100, a backstage pass (to be used by only one person), and a Jeckel Brothers leather jacket. There are no other prizes except First Place—it's all or nothing. Make sure you and your ninjas go for freshness and glory in the Juggalo Scavenger Hunt.

Are you a freak? Do you want to chill with Shaggy 2 Dope? Well, baby, Psychopathic wants to make your fantasies come true! This is your chance to win a date with Shaggy, and it is open to **ANYONE**! Are you 600 pounds, with your titties dragging on the ground? You can win! Do you have a hunchback and a harelip? You can win! Do all the kids at school call you "Rhino Girl?" **YOU CAN WIN!** The selection will be totally random, so any Juggalette can win! Just show up, play the simple game we have lined up, and you will see.

Come witness the entire history of ICP's live performances up close. Get your picture taken, hang out in the torture chamber of the Hallowicked set, see what's on the other side of the doors in the House of Horrors set—the choice is yours.

## **ICP Museums**

## **Twiztid**

**The Asylum**

**Saturday (2pm - 5pm)**

This serial killer duo is strange, bizarre, and frightening. Some believe that they are truly off the deep end. But their record *Mostasteless* has rocked over 200,000 unsuspecting minds, so they are reaching the Juggalos and representing *Psychopathic* for life. Come see Twiztid while you can before the underworld reclaims their demented souls.

## **Blaze**

**The Asylum**

**Saturday Only (5pm - 7pm)**

Blaze Your Dead Homie.... Few know about this ninja, straight up! The only thing people really know about him is... well, he's dead. By the looks of his dress, he appears to be a rapper that died during the mid '80s. Meet him during his first appearance ever, moments before he rocks the stage with his hardcore and ruthless style of rhyme. This is *Psychopathic's* newest member, and the spirits have instilled enough life in him to attack the world with undead vengeance.

## **Kottonmouth Kings**

**The Meeting Grounds**

**Friday Only (3pm - 5pm)**

The Kottonmouth Kings are from the West Coast and they are here to disrupt the local authorities. They promote the use of drugs, violence, and getting high and fucked up. No wonder Juggalos like them so well. In fact, out of all the groups that toured with ICP, no one else has been able to rock the crowds like the Kings. Meet these cool-ass ninjas and get their new album, *High Society*, signed while you can.

## **Juggalo Championshit Wrestling**

**The Meeting Grounds**

**Saturday Only (11am - 1pm)**

Meet the very ones who risk life and limb by tearing each other to pieces every JCW show to please the cheering, bloodthirsty crowd. The stars of JCW that will be in attendance include Bob, Fat Fuck Barrel Boy, Hollywood Chuck Hogan, the Hornswagglin' Hillbilly, Leather Face, Mad Man Pondo, and Neil. Everyone who shows up will also receive a free JCW program - so don't miss out. Unfortunately they will not be signing their autographs in blood, but you can possibly get a bloody souvenir ringside during one of their matches, if you're sick enough to want one.

## **Chaos! Comics**

**The Meeting Grounds**

**Saturday Only (1pm - 3pm)**

Meet the artist, Jerry Beck, the inker, Sandu Florea, and the storywriter, Jumpsteady, who together are the main driving force bringing the *Insane Clown Posse* comic book to life. Everyone who shows up will get a free comic book! So get that signed or any of your comic books, posters, or other flavor. They will be glad to hear any ideas you might have about future issues, and are willing to talk about what's up and coming in the series. A number will be secretly chosen, and one person in the line will get his or her picture taken, and appear in a future issue of the *Pendulum* comic series.

## **Vampiro**

**The Meeting grounds**

**Saturday Only (3pm - 4:30pm)**

In the stab-your-homie-in-the-back world of professional wrestling, there were few people ICP could truly call a friend. But Vampiro is one of the few people who earned ICP's trust and friendship. This dark warrior is seen weekly on TV battling in the deadly world of professional wrestling against such adversaries as Rick Flare, Lex Luger, and Sting! He is a top star and athlete who you can now meet face-to-face.

## **Mike E. Clark and Alex Abbiss**

**The Meeting Grounds**

**Saturday Only (5pm - 7pm)**

Come and meet the one who is said to have a second sight when it comes to producing devastating beats—it's the ever talented and gifted Mike E. Clark. Along side him is the master business technician, who has the highest levels of fast-talking, haggling, and straight out snakiness—it's the big balla, pimp mackin' on the low tip, Alex Abbiss. These two shadow warriors are mostly hidden away from the public eye,

but their contributions to the Dark Carnival are invaluable. Come and get an autograph signed, and if you have an interest to make it in the musical business, leave your demo tapes with them as well. Alex Abbiss and Mike E. Clark also appear in the movie Big Money Hustlas.

## **OTHER FLAVOR**

### **Auction**

#### **Swapping Area**

**Saturday Only (5:30pm - 6:30pm)**

Featured here is a Psychopathic memorabilia auction. We are auctioning off many one-of-a-kind, prototype, and rare items available nowhere else except at this auction. We started the bidding at extremely low prices compared to what the items are worth... in some cases the starting bid is even below what it cost to make the item.... Once the auction is over, one of the successful bidders will be randomly chosen to win the ultimate benefit: 25% of the money made at the auction! The winner will be paid the amount in a check (so they don't get robbed) as soon as the auction is completed.

### **Juggalo Swapping Area**

**Swapping Area (Max Capacity 400)**

**Friday and Saturday (all day long)**

This will be a chance for Juggalos to swap some of their rarest ICP stuff with one another. You got two Fat Sweaty Betty singles? Trade one for a Hallowicked #1 tape. You got an original Rottentreats T-shirt? Trade it for an original 2-Dope Fuck Off Single. This will be your chance to expand your collection without spending any money! This is also a spot for Juggalos to chill and kick back, and as mentioned before, there will be new Psychopathic music played inside for the first time. Also, as listed above, the auction items will be on display here. There will also be a suggestion box in this area for any who wish to leave one for Psychopathic, as well as sign up sheets for the ICP and Twiztid fan clubs.

### **Free Play Video Games**

#### **Arcade**

**Friday and Saturday (all day long)**

So many games, so little time. You will find here a full arcade with some of the newest games, and some old. It's time to get your video game on again and again as every machine is set on free play. Challenge your friend at air hockey—this is the perfect place to unwind a bit before moving up to something more crazy.

### **Fighting Zone**

#### **Fighting Zone**

**Friday and Saturday (all day long)**

We know that Juggalos always like a challenge, and are always down to battle! Well, we have a way for you Juggalos to unleash your violent energies and have a mad fresh time doing it! The Fighting Zone is an entertainment center featuring the five inflatable games listed below with a brief description:

- 1) Sumo Wrestling – Combatants battle wearing giant sumo suits so they look like they weigh a ton.
- 2) The Velcro Wall – Juggalos wear Velcro suits, jump and flip onto a Velcro wall, and stick to it.
- 3) Gladiator Joust – Fighters use padded sticks to try and knock each other off a platform.
- 4) Bungee Run – Combatants are hooked to a bungee cord and try to be the first to reach a goal.
- 5) Human Bowling – One person is locked in a giant steel ball and rolled down an aisle to try to knock down some giant pin.

Which Juggalos are truly the hardest, toughest, and most ruthless? Well, now you can prove it once and for all!

### **Faygo Armageddon**

#### **Outdoor Stage**

**Saturday Only (11pm)**

ARMAGEDDON! The Final Assault!!! What better way to close out the Gathering of the Juggalos than to have a giant-ass Faygo bombardment? The area? Anywhere downstage from ICP's concert. The weapons? 4000 two liters of Faygo, 4 giant water canons, and probably about 5000 soaking-wet Juggalos. This will be the biggest, craziest, and most wicked Faygo event ever seen! It will not be for the weak and timid. This is none other than the Grand Finale of not only the Insane Clown Posse's stage performance, but of the Gathering itself.

# AUCTION

## of Freshness!!!

Basically how the auction works is that the items will not sell for less than the starting bid. If someone bids the starting amount, and no one counter bids with a higher number, then they can walk away with that item. If someone bids higher, then the bidding war begins until, "Going once... going twice... sold to the ninja with the fat bank!" is heard. Juggalos who successfully win with their bid, will go immediately up to the front to pay for and receive their items. They will then wait in a special sectioned off area where they can still bid if they choose to on other items. We started the bidding at EXTREMELY low prices compared to what the items are worth... in some cases the starting bid is even below what it cost to make the item... This is so that even cheap asses have a chance to walk away with some great items.

Now originally, we were going to give 25% of the proceeds to some sort of charity. But it has come to our realization that most money sent in to charities never gets used for anything more than snaky ninjas to get paid. So we decided that everyone who successfully bid on an item and sitting in the special section will have a chance to win this money instead. One of these lucky ninjas will win 25% of the money made at the auction. The winner will be paid the amount in check (so they don't get robbed) as soon as the auction is completed.

All the items for auction are listed below. They will be auctioned off in the order that they appear here. All items will also include a frameable Certificate of Authenticity.

**Item #1) ICP.com Promotional Banner** - 300 of these vinyl banners were made as a means to promote the ICP web site. Street teams went out nationwide and hung these banners illegally across bridges that spanned over highways where they would hang until ripped down by authorities. They also, with the aid of climbing equipment, attached them to giant billboards.

Rarity Rating: Extremely Rare      Starting Bid: \$5

**Item #2) The Amazing Jeckel Brothers Promotional Banner** - 250 of these banners were originally made. They were used by Psychopathic street teams as a tool to promote the album before it dropped. This one was accidentally shoved under the

seat of one of the street team's vans and was never used.

Rarity Rating: Extremely Rare      Starting Bid: \$5

**Item #3) ICP's Wrestling Collection** - These items are a part of ICP's wrestling history and include the following: National All-star Wrestling program, 1996; Hellfire Program, 1998; Juggalo Championship Wrestling Program, 2000; Wrestling Backstage Passes from Violent J's personal collection; and a Brotherhood of Justice poster which features The Deacon (Alex Abbiss), The Preacherman (Jumpsteady), and The Bishop (Stefan Kudek).

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #4) The Great Milenko Collection** - This is comprised of the following: Halls of Illusions European Maxi Single (1997) with Halls of Illusions, Southwest Voodoo, The Smog, and Cotton Candy; Hokus Pokus European Single (1997) with Hokus Pokus (both radio and album versions); Halls of Illusions Promo Vinyl (1997) with Halls of Illusions, Santa's a Fat Bitch, and Red Christmas; and finally, an ICP Hollywood promotional flat.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #5) Dark Lotus CD Single** - This is easily one of the rarest CDs that ICP has ever put out. Only 500 of these were made, and they were sold at a record store in Garden City, MI at midnight until they were gone a few hours later. The CD contains the track Echo Side that was originally going to be a song from the much-anticipated Dark Lotus album, but was used instead on the Amazing Jeckel Brothers album.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #6) ICP Dog Beats Promo Flats** - Talk about fuckin' rare! Two of these promo flats were made in 1991 during the Dog Beats era and feature Shaggy 2-Dope's brother, John Kick J'azz! Notice how cracked-out they look in the pool table shot, and how fresh and in effect Shaggy looks with his high top fade. The third promo flat was taken in 1992, around the Beverly Kills 50187 era. Also included with the flats is the super-rare and original front stage pass.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #7) Hokus Pokus CD Collection** - These CDs include the following: Hokus Pokus Single (1997) European release with Headhunta'z, radio edit, instrumental, and LP version of Hokus Pokus; Hokus Pokus Maxi Single (1997) European release with Hokus Pokus (Headhunta'z Mix), Prom Queen, My Kind of Bitch, and Skitzofrantic; Hokus Pokus Promotional Single (1997) with Headhunta'z clean edit and the Headhunta'z edit (Intro 2) of Hokus Pokus.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #8) Chicken Huntin' Collection** - The first of these two items is the 1995 Chicken Huntin' Slaughter House Mix/Riddle Box album Sampler, which was passed out by Psychopathic street teams in the Midwest as a means to promote the Riddle Box album. The second item is the Chicken Huntin' vinyl promo, given out to radio station DJs in the hopes that they would spin it (yeah, right). This was very limited, and never for sale—a collector's wet dream.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #9) Shaggy's Video Hookup** - These are the actual clothes that Shaggy wore during the Video "How Many Times," down to his shoes (underwear not included). Also included are the silver pants and flame belt he wore during the commercial ICP made which aired on MTV for two weeks. If you haven't seen the video or commercial, you can view them at the Gathering of the Juggalos in Movie Booth #3: ICP Videos.

Rarity Rating: Unique      Starting Bid: \$20

**Item #10) Carnival of Carnage Collection** - These two items were dug up at Psychopathic's warehouse. The first is the only one left of its kind: a Carnival of Carnage promotional poster. The second item is the ultra-rare Carnival of Carnage vinyl. There are some out there who bust a nut just thinking about the C of C vinyl. They think about this item when they tap fat hairy bitches in order to stay hard. This is an item you don't want to pass by.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #11) Wicked Clowns from Outer Space Prototype Stage** - This is the replica of the stage set that ICP is currently on tour with. Basically how this model came to be was that set designers took ICP's ideas for a stage set and made this prototype to see if it met their approval. This is a one-of-a-kind item that is truly a treasure to behold. Just to make this replica cost Psychopathic Records \$500. It is without a doubt one of the top items up for auction.

Rarity Rating: Unique      Starting Bid: \$100

**Item #12) ICP Prototype Hollywood Record Dolls** - These two cuddly serial killer dolls were the first ICP dolls ever made, but unfortunately would never come to be. These prototypes were disapproved of by ICP 'cause they look like Ken dolls wearing a wig and clown makeup. The second prototypes dolls were in the process of being made when Hollywood Records, being pimped by that big butt-fucking mouse (Disney), dropped ICP, so the dolls never came to be. Along with the dolls you get their original ad as well.

Rarity Rating: Unique      Starting Bid: \$50

**Item #13) Hallowicked Clown Collection** - These items include the following: Dead Pumpkins tape—this was the tape that was passed out for free in 1994 at the first ever Hallowicked Show at the Majestic Theater in Detroit. Mr. Rotten Treats tape—this was the tape that was passed out for free at the 1995 2<sup>nd</sup> annual Hallowicked Show at the bitch-ass Royal Oak Theater. Finally, there is a Hallowicked Backstage Pass—this was used during the 1997 4<sup>th</sup> annual Hallowicked Show at the Ritz in Roseville, MI.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #14) Big Money Hustlas Magic Ninja Suit** - This is the actual suit worn by the yellow ninja in the movie, Big Money Hustlas. This extremely phat suit was mostly handmade to appear like the ninjas you see in B-rated ninja flicks the world over. Whoever walks away with this one will be jocked by Juggalos everywhere. The only reason it's up for auction is that we feel we have to provide some devastating shit in order to make this event hype.

Rarity Rating: Unique      Starting Bid: \$100

**Item #15) Southwest Voodoo Mask** - Used primarily during the "Amazing Jeckel Brothers" tour, this foam mask was worn by stage monsters that would come out during the song, Southwest Voodoo. It is our largest piece for auction, and due to its rugged usage is not in mint condition (there is duct tape securing the back). The mask is custom made, and originally there were four, but now only two remain, with its brother being trashed beyond use. It is a part of ICP's performance history, and was even seen at Woodstock.

Rarity Rating: Two in the world      Starting Bid: \$20

**Item #16) The Riddle Box Christmas Collection** - These items come from Shaggy's personal collection and include the following: the Carnival Christmas Backstage Pass—this is the actual pass worn during the 1995 Christmas show at the Palladium Theater in Roseville, MI; ICP Backstage Picture—this photo was taken backstage the night of the Palladium show. It features two members from Onyx, two members from Group Home, and ICP. Finally, there is an original Riddle Box Christmas shirt.

Rarity Rating: Extremely Rare      Starting Bid: \$20

**Item #17) Psychopathic's Photo Collection** - Throughout the years, Psychopathic Records has been compiling photos taken during the careers of ICP and other Psychopathic artists. We have gone through this archive of history and pulled out 48 of the liveliest and freshest photos we could find. This is one of the greatest things we have for auction and it is a chance to own your very own Psychopathic photo album. The inside of the album is also signed by ICP, Twiztid, and everyone at Psychopathic Records.

Rarity Rating: Unique

Starting Bid: \$20

**Item #18) Prom Night Massacre Banner** - This banner was put up during the show of the same name above the stage. The show took place at St. Andrews Hall in Detroit on April 19<sup>th</sup> and 20<sup>th</sup>, 1996. It had one of the most bizarre themes ever, with Juggalos coming dressed in tuxedos and dresses. The inside of the venue was decked out with balloons and flowers everywhere. Everything seemed peaceful... that is until ICP hit the stage. Also included is an actual backstage pass from that same show!

Rarity Rating: Unique

Starting Bid: \$20

**Item #19) Two Gathering of the Juggalos Backstage Passes** - That's right ninjas, two all-access backstage passes that you can use to run around backstage all that you like. See all the behind-the-scenes flavor, and meet with your favorite artists. Only two people may wear these passes (no sharing) and they will have an escort while in the backstage area. The escort will assist you in meeting artists, but while backstage you can go where you please (even on the side of the stage during concert performances).

Rarity Rating: Never seen before

Starting Bid: \$1

**Item #20) Backstage Passes for Your Asses** - This is the most devastating collection we have by far at the auction. It is the most comprehensive collection of backstage passes possible, spanning all the way back to the Dog Beats era. There are 30 passes in all, brought together by every Psychopathic member sacrificing a few from their personal collections to make this possible. There you have it, all that you like and ready for that one person to walk away with—all of the benefits and none of the bones.

Rarity Rating: Extremely Fuckin' Rare

Starting Bid \$100

# NIGHTLIFE

This is some of the nightlife of Detroit and Novi. We've selected a few places we thought you might be interested in checking out. If they aren't open all night long, they should be open at least till 2am. You can look at the maps on the last page for their general locations, however, you'll probably need a detailed street map to avoid getting hopelessly lost.

## Detroit

**#1 St. Andrew's Hall** – 431 E. Congress, Detroit (313) 961-MELT. Located deep in the heart of Detroit, this club is a favorite amongst everyone from punk rockers, to hip-hoppers, to gang bangers. It's dark, shady atmosphere, along with its vibrating music contributes to a drug-induced effect. Three different floors, three different types of music. The clash is enough to make for a very interesting night.

**#2 Magic Stick** – 4120 Woodward, Detroit (313) 833-9700. This alternative club derives its name from its large abundance of pool tables. This is where the hip crowd hangs out. You're likely to see fashionable college students killing time, listening to the many different bands that perform there from one night to the next like a blur. This would be a nice place to take a girlfriend to.

**#3 Labyrinth** – 1703 Cass Ave., Detroit (313) 438-6153. This is an underground club—literally. It is the basement of a Ramada Hotel in a seedy little area. It is renown for its specialty industrial and hip-hop nights. Sex and drugs go round and round like the many drinks being mixed at the bar. The music thumps to a dark atmosphere, and you can always find a dark corner to get away with just

about anything.

**#4 Clark Park** – Vernor at Bagley, Detroit. This is the famous park that ICP used to chill at during their Inner City Posse days. Located near the thriving area of Detroit known as Mexican Town, this park does not fall under the tourist area. It is known for shootings, stabbings, rapes—if you got the time, there's plenty of crime. This area's infamous throughout all of Detroit. It is the equivalent of what Hell's Kitchen is to New York.

**#5 Drive-in Theaters** – Ford-Wyoming 1-5, Ford Rd., West of Wyoming, Dearborn (313) 846-6910 and Ford-Wyoming 6-9, Wyoming, North of Ford Rd., Dearborn (313) 582-2200. Nothin' like chillin' in your car, munchin' on some popcorn, watchin' a late night movie.

**#6 Elmwood Cemetery** – 1200 Elmwood St., Detroit (313) 567-3453. Most people do not realize that the peaceful stream that runs through this historic graveyard once ran thick with blood. History books on Detroit document a 1763 massacre (known as the "Battle of Bloody Run") of British troops led by Ottawa Indian Chief Pontiac that resulted in the deaths of as many as 160 people. Many claim to

have heard distant screams emanating from the cemetery, as if from dying men, late at night.

**#7 Plaka Coney Island** – 535 Monroe St., Detroit. Located smack in the middle of the biggest tourist attraction Detroit has to offer: Greektown. During the day this area thrives with many tourists and hot babes. During the night, the activity decreases greatly, but this one restaurant stays open 24 hours and offers you good food, not to mention a diversity of characters coming in to dine from all walks of life.

**#8 MGM Grand Casino** – 1300 John C. Lodge, Detroit (877) 888-2121. This is one of the freshest places to visit if you're old enough (18 and over only). Stepping into the place you will see pimps, hustlers, mack-daddies, players, ballers, all trying to connect with that green and hit that lucky number. Great atmosphere, a devastating buffet, near-naked waitresses, a good place to chill, and it would appear (by experience) that the games are not rigged.

**#9 Windsor** – Take Jefferson to the tunnel or cross the Ambassador Bridge to cross over to another country: Oh, Canada. Where you drink

at the age of 19, where the tittie bars feature full nudity and drinks, where females can legally walk in public bare-chested. From nightclubs to tittie clubs, you name it, it's there. Be careful when crossing the border. If they find any illegal substances on you, your car will probably be dismantled.

**#10 Bouzouki Club** – 432 E. Lafayette, Detroit (313) 964-5744. As shady as the girls are drunk, this topless bar is right in Greektown. It may not be the classiest joint, but this local secret's one of the few places left in the world that appreciates the meaning of "a little extra cash."

**#11 Show Girls** – 8 Mile & Greenfield, Detroit. You know you've found the real thing when the first thing you see when you walk in is bulletproof glass. This is all nude entertainment at its sleazy best.

**#12 Players** – 13710 E. Eight Mile Rd., Detroit (313) 371-6970. More upscale and classy, this topless club caters to a more professional crowd. The girls expect big tips for their big tits. This is a place where you can become lost in the voluptuous atmosphere of beautiful women who are kind and friendly (until the dough runs out).

**#13 Brazil** – 305 S. Main St., Royal Oak (248) 399-7200. Located right smack dab in more alternative flavor than you can handle, this area of Royal Oak is mad in effect on the weekends, all night long. Plenty of clubs, coffeehouses, and loiterers hanging out all night long, listening to boom boxes, passing illegal substances, and just kickin' it. This coffeehouse is just one of the many places you can visit in this area.

**#14 The Heidelberg Project** – Heidelberg St., Detroit. The famous artist, Tyree Guyton, turned a whole neighborhood block into one big art project. To describe how this neighborhood looks is impossible with words, you have to see it to believe it. The exteriors of every house are covered with everything from tires to toilets to tombstones... ahh, fuck it, just go see it. It's the bomb.

**#15 Michigan Central Depot** – Michigan Ave., Detroit. For the true adventurers at heart, check out this magnificent and haunting abandoned building that still stands in a desolate area of Detroit. The legends of this structure have reached nearly mythical proportions and anything from gangs to militant bums are rumored to live inside. Do you dare unlock the mystery?

**#16 Union Street Saloon** – 4145 Woodward, Detroit (313) 831-3965. This restaurant/bar is a great place to kick back. They offer one of the largest collections of alcoholic beverages from around the world. At around midnight this place takes on an almost party-like atmosphere, and on certain nights it provides live entertainment.

Mostly a college crowd.

**#17 City Club** – 400 Bagley, Detroit (313) 962-2300. This club from the outside doesn't look like a club. It's almost like they want to keep it a secret. Inside you'll find a gothic atmosphere: dark, pulsating, and filled with ghoulish people. Here nobody gives a fuck what you look like or who you are, they're too interested in getting high on their own supply. Great place for vampire nede.

## Novi

**#1 Novi Bowl** – 21770 Novi Rd., Novi (248) 348-9120. Basically one of the only night hangouts that Novi has to offer seeing that it stays open till 2am. As far as bowling alleys go, this one is the shit. Offering plenty of lanes, the Novi teens hang out there in force because they have no where else to be.

**#2 Players Billiards Bar and Grill** – 38503 W. 10 Mile Rd., Farmington Hills (248) 471-5095. 19 pool tables, darts, 100" big screen TV, full service bar and restaurant. What more do you need?

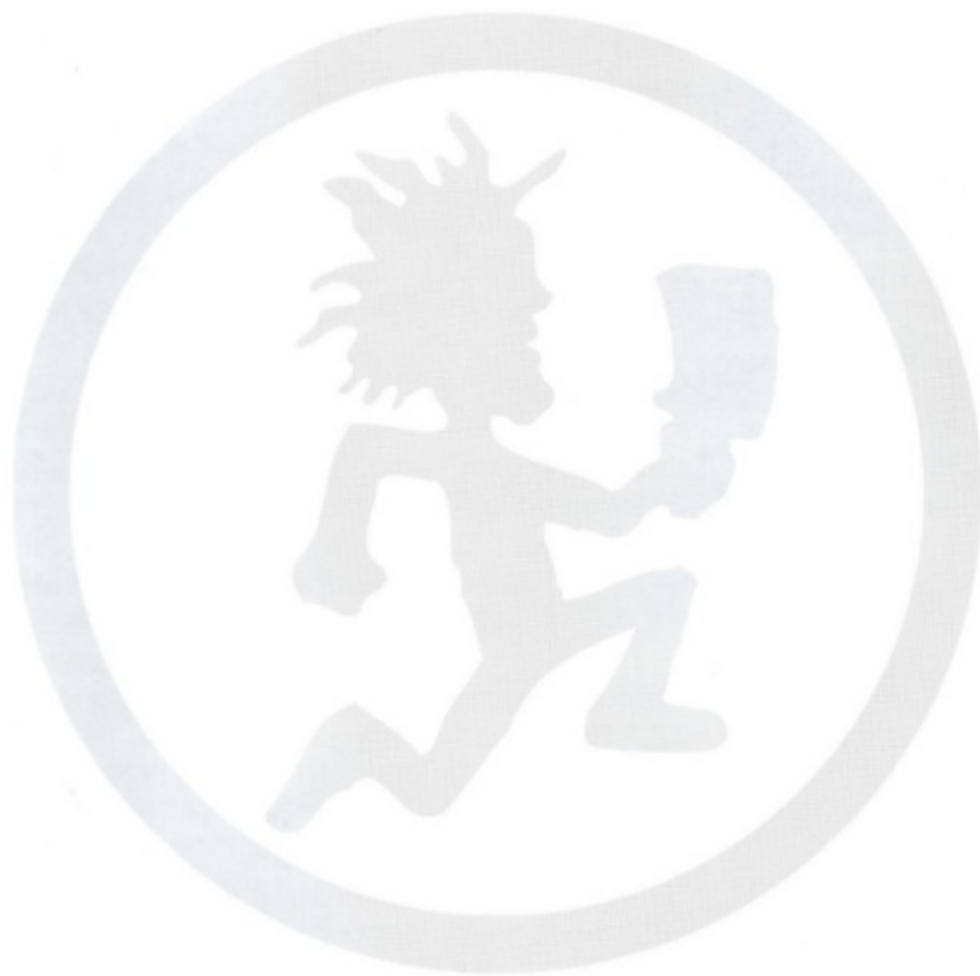

**#3 Local Color Brewing Company** – 42705 Grand River, Novi (248) 349-2600. Call for reservations to avoid a wait. This restaurant is in effect till 1am and features a small arcade. Good food and a live atmosphere.

**#4 Denny's** – 27750 Novi Rd., Novi (248) 348-3370. Right down the road from the Novi Expo Center is breakfast snacks and burgers all night long. A beacon of hope to all hungry late-nite travelers. This place gets relatively packed around 1-2am.

**#5 Meijer** – 20401 Haggarty Rd., Northville (248) 349-2700. The 24-hour shopper's paradise. Groceries, electronics, clothing, auto supplies – anything you need, Meijer has it.
