Before you begin to peep out the rest of this program make sure you first go over the very important information below:

The Program – You hold in your hands the official Gathering of the Juggalos 2001 program that will help guide you through all three days. Inside, you will find a map detailing the layout, and a timeline giving you an easy reference tool to see when events take place. You will also find a detailed description of every event that we will have this year. This program is very important to enjoy the Gathering to its maximum level, so take care not to lose it. Additional copies may be purchased at the Information Desk.

Metal Amulets – The metal amulet that you have received upon purchase of your ticket *is your life*, so don't lose it! This amulet will allow you to get in and out of the SeaGate Convention Centre (during the convention hours) at will, for all three days. *You must visibly wear this amulet at all times or you will be immediately escorted out.* Furthermore, each of your limbs will be tied to a different horse that will then begin to walk in opposite directions, until slowly and painfully you are pulled apart.

What IS NOT Allowed Inside – Smoking. Outside food and beverages of any kind (there are concession stands inside). Tape recorders, video camcorders, or any **high-tech looking digital cameras**. Weapons, or items that could be used as makeshift weapons. Spray paint or stickers of any kind. Playa hatas or straight up bustas. Large amounts of merchandise – the Gathering is no place for merchants to set up shop. Bootleggers are strictly forbidden inside and out, and will be dealt with by a specialized hit-and-run patrol.

What IS Allowed Inside – Non-digital picture cameras or Polaroids. Skate apparel, such as safety gear, skateboards, or roller blades; but keep in mind that you may *only skate* in the Skate Park! Backpacks or travel bags. Promotional material to leave in the Juggalo Promotional Booth, such as flyers, CD or tape samplers, photo flats, etc. (But remember, no stickers.) Fat tittle freaks, and crazy fresh costumes and artwork.

Damages – Any damages done to the outside or inside of the SeaGate Convention Centre must be paid for by Psychopathic Records as agreed by contract. For example, if someone spray-painted the outside of the SeaGate Centre, then they may as well be spay-painting our Psychopathic office building, 'cause it will cost us the same to repair the damages either way. So please chill out on any destructive behavior to the building property, and think twice before putting out a secretly smoked cigarette butt on a plush carpet. If any Juggalos observe this type of activity, they should physically inform the perpetrators of how wack they are.

Bag Check – We will have a bag check (for free of course) for anyone who wishes to leave his or her bags or personal items in a safe and secured area. This is perfect for skaters who don't want to lug around all their gear. Just bring your bag or whatever to the area marked Bag Check on the map and they will give you a ticket so you can reclaim your stuff at a later time. If you leave something in the Bag Check area make sure you pick it up before the end of the day, as we are not responsible for stolen goods if left overnight.

Information Desk – Have you lost your program and are having a hard time finding your way around? Or better yet, have you lost your mind and need to know who you are? Do you have a serious complaint or compliment? Do you need to know where the bathroom is or what the time it is in London? Well all your questions will be answered immediately by the friendly and armed people at the Information Desk. **If you have a problem of any kind, stop by for immediate help.** So don't worry, and whatever you do, don't panic! Also at the Information Desk are full **credit card services**. Here you can buy Psychopathic Gift Certificates using your plastic. These are good at all Psychopathic merchandise booths for all three days. Also, if extra money is needed outside, for food, hotel, etc., the SeaGate Centre has plenty of **ATMs** available for those emergency cash runs.

EVENTS

Every event is free of charge, covered by the one-time cost of your ticket. Your only additional costs come from food and merchandise that you may want to buy (and, of course, your hotel room). Each event is categorized by title, then location (which you can find on the map in this program), then day(s) and time(s) the event is being run, and finally web site(s), if any. Note that Hall C will be completely closed Friday and Saturday starting at 7pm, and Sunday starting at 6pm.

Get ready for all the live-ass concerts that will blow your wig into tiny microscopic pieces. First will be the L.A. rock band that for years has meshed rock and sports together, and is known for destructive and hard-hitting riffs that pulverize the crowd into tiny pieces – they are the Organ Grinders. Then see the return of Psychopathic Recording artist, wanted by the law, Myzery, who was unable to attend last year due to a team of armed bounty hunters after his ass. Then it's the crazy high-powered shatter-your-nerves music of the death-defying Suicide Machines. Finally, it's up to Twiztid, the serial killa maniacs, to completely obliterate the stage and lay waste to the crowd with their napalm rap flows.

Marz, Blaze, Mystery Guest, and Dark Lotus

marz.music.com

Yes, it is one of Psychopathic's newest affiliates, who is on the rise with deep and powerful messages for your dome: Marz. Then, back from the dead again (what you thought he was out?), is the zombie gangsta himself, Blaze Ya Dead Homie, along with Anybody Killa. Then it's

the Mystery Guest who is a deeply guarded secret at Psychopathic; but we're sure you will not be disappointed at all. Finally, it's the arcane and highly occult magic of the sinister and almost demonic rap onslaught from the ones who can cause the souls of the damned to rise! They are Dark Lotus, seen in concert for the first time ever. The members of the Dark Lotus family are Violent J, Shaggy 2-Dope, Jamie Madrox, Monoxide Child, Blaze, and Marz! Don't miss this epic event in Psychopathic history!

Psychopathic Rydas, Vanilla Ice, Three 6 Mafia, and Insane Clown Posse

Main Stage

Sunday Only 6:30pm – 11pm

vanillaice.com / three6mafia.com / insaneclownposse.com

Prepare to be killed, brought back to life, then blown to pieces, then sown back together, then liquefied, then frozen back together only to be blasted into the cosmos. To start off the grand finale are those crazy thugged-out, stay strapped, bustin' caps in your back, O.G. killas for realas, The Psychopathic Rydas, who will slay the crowd, executioner style. Next, it's the one who has had possibly the most success you could have in the music business, with something like 50 million albums sold, it's the hard spitting lyrics of the rap master, Vanilla Ice. Then hailing all the way from Memphis are those hard thugs who love drugs. Those cool-ass motherfuckers who are reigning at the top with their devastating rap skills, and still have the guts to show Psychopathic love. Juggalos, make sure you get crazy live for the Three 6 Mafia... WHUT!?! Finally, it's time for the Armageddon of all time, as the Insane Clown Posse takes to the stage, disintegrates the crowd, and levels the city of Toledo, as they bring the presence of the wicked Dark Carnival into the room like a dark storm of destruction.

There is no easy way to describe this show in words. Everyone... and we mean EVERYONE must see this show at some point, because it is the fuckin' bomb! First, we will have a huge Tesla Coil (invented by the mad scientist, Nikola Tesla, in 1891) set on stage, coursing with 2 million volts of electricity and generating bolts of lightning ten feet from its structure. Then there is the Girly Freakshow that is going to be performing on stage with this thing! Three skimpily clad girls and **Zamora The Torture King** will be doing such things as fire breathing, Cannibal Stripper, the Bizarre Yogic Internal Floss, flying trapeze, the Half Woman and Half Snake She Devil, eating light bulbs and wine glasses, skewers through skin, and more! It's disturbing as Hell to watch some of this; and those with weak stomachs should stay well away. Then, once your wig is flippin' out of control on your head, **Danielle Stampe** will perform life-threatening acts of electricity using the Tesla Coil, such as the electrification of the human body with 100,000 volts, causing the illumination of light bulbs and the ignition of flames. She also holds the World Record for the grand finale of the show... 2 million volts of electricity arcing 10ft lightning bolts from her fingertips!!!

Displays

Stage Sets

Stage Sets

All day long

Every single stage that has not been utterly obliterated by Juggalos will be set up for you to enjoy. Come and get your pictures taken next to the giant Bizzar Bizaar clown, or frolic on the set to the Wicked Clowns from Outer Space, or see what's on the other side of the doors to the House of Horrors set, or look at the demons up close to the Jeckel Broth... oops! Never mind about that. Anyway, enjoy this museum of ICP's and Twiztid's performance history.

Museums

Museum

All three days until Hall C closes

Here you will find five rooms, each one with a Jokers Card theme, featuring pictures, music, articles, and displays of rare merchandise from that era. Stop by and talk with the strange hosts that occupy each room, and they will be glad to answer any questions. This is true flavor for the true Juggalos, and we put a lot of work into making this way better than it was last year.

Big Silva

Museum

All three days until Hall C closes

Not a lot of Juggalos out there know who or what Big Silva is... until now. Big Silva started out on the Amazing Jeckel Brothers Tour as a small wad of duct tape that Violent J had crushed together. In the sheer boredom of the long drives on the tour bus, people started to add more duct tape to the little ball that was lying around. Soon enough, Big Silva was born, and it became big, heavy, and oppressive. ICP and others began to fall in love with it. They started taking it everywhere they went. Rolling it into the venues, restaurants, and hotels every night, and then every time, Big Silva would end up breaking something. It would be dropped from balconies, forklifts, overpasses, or by hand, and destroy furniture, TVs, speakers, and yes, even an abandoned car was battered and wrecked. Big Silva has grown into something that is a morbid fascination for a lot of people, and now you can share in Big Silva's love. Currently Big Silva weighs around 150lbs of pure duct tape. In the Amazing Jeckel Brothers museum room you can find Big Silva and tons of duct tape. Our goal is for everyone at the Gathering to pitch in and add to Big Silva's might and size. Also peep out the **hour-long video** that we will be running in the same room, showing Big Silva destroying things in and around our Psychopathic Records warehouse.

Juggalo Wall of Fame

Juggalo Wall of Fame

All day long

We will be setting up a huge wall under the one from last year, so all the Juggalos at this year's Gathering can sign their names, leave their tags, do artwork, or whatever. This way, they will be immortalized as a participant of the Gathering of the Juggalos 2001. Both walls will then be kept safe at Psychopathic Headquarters until next year's Gathering.

Booths

All booths are located either in the Summit Hall or the Merch. Room, and will be open all day long Friday and Saturday; but on Sunday, all merchandise booths will be shut down at 8pm. Keep in mind that on Friday and Saturday, the merchandise booths stop selling at 11pm, and Sunday at 8pm, so there will be no selling of merchandise after the concerts end.

Merchandise Booths

13 booths will be set up, selling all the rarest, old school, and newest Psychopathic merchandise, ever. Some spotlights on this year's merch include Moon Glorious and Twiztid Batman and Robin T-shirts, Dark Lotus, Bassment Cutz on CD, Dog Beats on CD, the Juggalo Show Boxed Set, featuring all the radio shows recorded ever in an 8 CD set, as well as so many other items – too many to mention here. Turn to page 26 for the full breakdown on merchandise.

Morton's List Booth

mortonslist.com

Available weeks before its nation-wide debut, only at the Gathering of the Juggalos 2001, is the game that is shrouded in speculation... it is *Morton's List: The End to Boredom*. You've heard about it, talked about it, possibly had visions about it, and now it is here, releasing its heavy influence upon the world. This game has one purpose in life, which it does with uncanny effectiveness, and that is to *end all boredom!* Don't believe it?... well come by and check it out, along with the hype new merchandise at this booth – it should prove to be well worth your time.

Tattoos

Four tattoo artists (in three booths) from the nationally-acclaimed tattoo shop known as Artistic Fusion, out of Flint, Michigan, will be giving out free tattoos. These guys are true Juggalos, so make sure you give 'em mad props for all the fresh-ass tats they're about to drop on you ninjas. Call these cool-ass ninjas direct if you got any questions about the tattooing flavor (810) 239-8282. Those in line will be given time cards telling them when to come back, so that you don't have to wait all day in line. You must be 18 years of age to get a tattoo, and ID is required.

Face Painting

Two professional face painters will be hooking up anyone who wants face paint, applied anywhere they choose. So get hooked up as ICP, Twiztid, Moon Glorious, or something even more obscure.

Skate Shop

modernskate.com

Here is a skater's dream come true! Come purchase all the detailing and accessories at this booth to outfit your board with whatever flavor you want. Also for sale will be all the safety equipment necessary to skate, in case you forget something. It is here to accommodate the serious skaters who will be enjoying the Skate Park this year. So stop by and get all the hook ups you need.

Juggalo Promotional Booths

Any Juggalo can come to one of these two booths (outfitted with tables and bulletin boards) and leave whatever promotional material they like. Leave flyers, photo flats, CD samplers, or whatever, as long as it is a giveaway. Trying to promote a band, party, web site, or product? Well, here is your chance. Do you want to leave a statement for other Juggalos to see? Now is your opportunity. Trying to find a date at the Gathering? Just leave a picture of yourself and a pager or cell number. It's that easy. If you don't wanna leave anything, then just stop by to check out the flavor and scoop all the freebies.

.Com Booths

mikeclark.com / thesixth.com / realjuggalos.com / darklotus.net / worldwidejuggalos.com

These web sites are the ones who freaked it above and beyond the call of duty this year, and have taken over the Internet world by storm. Stop by any one of their booths, and find out more about these masters of the Web, and how they compile such uncanny information on the Juggalo world. Some feature merchandise, contests, live web cams, games, and more, so make sure you give these ninjas their props for the free flavor they provide all year round. Don't sleep on 'em.

CONTESTS

All general prizes won at a contest, unless otherwise listed, will consist of various Psychopathic merchandise. Also note that all judges for the contests will be either a Psychopathic representative or a celebrity of some fame.

Miss Juggalette Pageant

Main Stage (Females 16 and older only)

Sunday Only 11:30am – 1pm

Aw, Hell yeah!!! This is it. If you missed last year's, make sure you attend this one 'cause it's well worth it. Any semi-hot or hotter freak can compete to be crowned the ever-so-honorable title of Juggalette Queen. You don't necessarily have to have an amazing body to compete, 'cause as was seen last year, having the right attitude, charisma, or even a crack habit may be all you need. There will be three rounds to the pageant. Personality Round – the Juggalettes will answer a question. Talent Round – they will show off a skill to the crowd (music can be provided if needed). And finally, the Swimsuit Round, where the Juggalettes will almost totally expose their full curvaceous bodies in an attempt to arouse the onlookers. Judges will take crowd reaction into heavy consideration, and tally up the points from all three rounds to determine who wins. The 1st place winner receives a **Gold Riddle Box Plaque** with Juggalette Queen – Gathering 2001 embossed on it, as well as a **Backstage Pass** and a **date with a Psychopathic star of her choice!** 2nd Place wins **\$100** and a **Backstage Pass**; and 3rd place gets **\$100** and a slap to that ass. Those wishing to compete should go to the Main Stage as soon as doors open on Sunday and bring a swimsuit with them. A private dressing area will be provided backstage.

Pendulum Role-playing

3rd Floor Seminar Room (Experienced Role-players only /

20 capacity)

Friday 1:30pm – 3:30pm

Saturday 11:30pm – 1:30pm

Sunday 11:30pm – 1:30pm

Enter the fantasy world of imagination with this role-playing game (not unlike Dungeons & Dragons), set to a Psychopathic theme, based on the comic book series. 20 players will play at a time in a short, but action-packed adventure, where everyone will be able to role-play a character straight from the Pendulum series. Those who attend will be split into two groups, with one group playing the forces of the Netherworld (Killnor, Jamie Madrox, Mr. Gray, etc.), while the other side plays the forces of the Dark Carnival (the Ringmaster, Violent J, Jesus, etc.). Both sides will take part in an epic adventure hosted by Tall Jess and Jumpsteady. During the adventure, players will search for weapons that will aid them in the climatic "End Time Battle," for which both sides will be teleported with whatever gear they have acquired into the "Hall of Sangria-La" to battle each other to the death! The members of the winning team (whether their characters are alive or dead) will each win a **BMX Jersey** of their choice and a **Winners Certificate**, with Pendulum Role-playing Winner – Gathering 2001 written on it. However, this game is not all about winning, 'cause the fun lies in playing the game itself. Also, everyone who attends will be able to take their souvenir character sheets home with them.

Best Tattoo Contest

Main Stage

Saturday Only 2:30pm – 3pm

Do you have the freshest Psychopathic tattoos ever, inked onto your skin? Do people always look at you in fear 'cause you wear the images of the Jokers cards with pride? Well this is your chance to prove it by showing that shit off in an attempt to win this contest. Competitors will walk out on stage, one at a time, and display their tattoos to the panel of judges and the crowd in an attempt to win. 1st place winner receives a **unique collection of Psychopathic Prototype Merchandise worth over \$350** and a **Backstage Pass** good for all day Sunday. 2nd place wins **\$100**, and 3rd place wins **\$60**.

The Neden Game

Main Stage (Males 18 and older only, ID required)

Friday 5pm – 6pm

Saturday 1pm – 2pm

Sunday 1:30pm – 2:30pm

Back by very popular demand, this shit is crazy phat! Five eager Juggalos will be picked from the crowd to play a game very similar to the Dating Game. Contestants will answer rather unusual questions in a desperate attempt to win a date with a certified, super-stacked, and bangin' tittie dancer! Once the questioning is done, the sexy stripper will choose her date from amongst the hidden competitors. Winners will then be escorted by their date to a limo to go out on their date right away! Dinner and a hotel room are bought and paid for by Psychopathic – the rest is up to you....

Juggalo Scavenger Hunt

Toledo and Beyond

Friday Only 11pm

After the concerts Friday night, all Juggalos will be given a flyer on the way out of the SeaGate Centre that has a long list of crazy, hard items to find or take pictures of. Listed next to each item is a point value. Those wishing to compete will then head out to spend a wild and dangerous night in an attempt to gather as much of these items as possible. Those who embark on this quest are sure to have one of the most memorable nights of their lives. Along with this comes no sleep, loss of sanity and/or loved ones, and possibly incarceration. Small sacrifices when considering the grand prize... a **Gold Psychopathic Charm**, **Leather Psychopathic Jacket**, and a **\$250 Shopping Spree** at any of the Psychopathic merchandise booths. It's all or nothing, 'cause after that there are only consolation prizes for the five people/teams who have the next highest point totals. Each of these will receive a **Collector's Limited Edition Gathering of the Juggalos 2001 T-shirt (20 made)** and **two Brass Gathering Amulets (80 made)**. It's all about how bad you wanna win the grand prize, and how crazy you plan to get! Note: Every item will be totally different from last year's hunt. Those participating should bring all their acquired items to Hall A, and place them against the wall opposite from the stage as soon as doors open on Saturday.

Art Display

Art Area

All three days until Hall C closes

Did you make a paper machee statue of Violent J, or a watercolor of Monoxide? Bring any Psychopathic-related artwork (up to three pieces), no matter what the medium, on Friday. As soon as doors open take it/them to the Art Area where a guard will keep watch over all pieces for the next three days. There, you will fill out an information card to place on your art so you can get your props from Juggalos who come in to check out the exhibit.

Sunday at 11am the best works of art will receive 1st, 2nd, and 3rd place ribbons. The 1st place winner will receive a **Forgotten Freshness Gold Plaque** with Art Master – Gathering 2001 embossed on it. 2nd place wins **\$100**, and 3rd place wins **\$60**. All artists need to pick up their artwork between 3pm and 6pm on Sunday.

Win a Date with ICP

2nd Floor Seminar Room (Females Only / 200 capacity)

Saturday Only 3:30pm – 4pm

Any Juggalette who can walk, crawl, or slither into the seminar room where this contest takes place may compete in an attempt to win a date with either J or Shaggy! That's right! Ever fantasize about what it would be like looking across a candlelit table into Shaggy's eyes as he spoon-feeds you cabbage? Well forget about that shit! Your date will probably involve romance like you'd see in a cheap porn flick... but ahh the sweet memories. Participants will compete in a random game of chance, with the sole winner getting a date at a predetermined time in the future, as worked out by the Juggalette and the artist of her choice. Those wishing to compete should begin lining up no sooner than 30 minutes before the contest.

Win a Date with Twiztid

2nd Floor Seminar Room (Females Only / 200 capacity)

Sunday Only 3:30pm – 4pm

Ever want a date with a homicidal serial killing maniac? Well now is your lucky day, 'cause any Juggalette with a halfway decent jugular vein can compete to win a date with either Monoxide Child or Jamie Madrox! What more could you want than one of these charismatic rappers holding your hand on a walk on the beach (even if it were severed at the wrist). Participants will compete in a random game of chance to see who the lucky winner will be. The date will be set at a later time as determined by the winner and the artist of her choice. Those wishing to compete should begin lining up no sooner than 30 minutes before the contest.

Don for a Day

3rd Floor Seminar Room (200 capacity)

Sunday only 4pm – 4:30pm

Participants of this contest will play a game to determine a winner. The winner will then be able to spend an entire day at Psychopathic, with the full power of a Don! The day will be arranged to take place no later than two weeks after the Gathering, and transportation will be provided if needed. Now we are not talking about the winner being able to pull money out of our bank accounts and shit, but they will be able to help shape the history of Psychopathic by participating in very important meetings that we will schedule on the day they arrive. They will see the inner workings, go to lunch with the whole Psychopathic crew, and be able to talk with and discuss issues with the stars themselves via phone or in person. The winner will also be able to bring along one friend. Those wishing to compete should begin lining up no sooner than 30 minutes before the contest.

Juggalo Lotto

Three times a day

If you notice on your Metal Amulet, near the bottom, is an ID number. Three times a day, over the loud speakers, a random number will be read aloud. If this number is yours, go to the Information Desk anytime during that day to claim your prizes – a **Collector's Limited Edition Gathering of the Juggalos 2001 T-shirt (20 made)** and a **Brass Gathering Amulet (80 made)**. If you missed the number called, check at the Information Desk because all winning numbers for each day will be posted.

Autographs

Free photo flats (or other equivalents) will be available at each signing, or just bring this program and use the Autograph section provided in the back. Artists will only sign one item if there is a long line, in order to keep the line moving, and get as many Juggalos through as possible.

The Meeting Grounds

Sunday 4pm – 6pm

Since he first came out, Blaze has been gaining ground in the Juggalo world at a dizzying pace, and that's quite an achievement for someone who spends most his time below ground. Meet this zombie gangsta from the grave and his partner in death, Anybody Killa, in a closer setting than any sane person would care to be. Afterwards, reflect on how good it is to be alive, and what better way to reflect than to do what Blaze got his name from?

Vampiro

The Meeting Grounds

Saturday Only 1pm – 3pm

vampiro.net

This JCW World Heavyweight Champion has been one of the only ninjas in the wrestling world who has always shown the Juggalos love. He has also shown a flare for the bizarre and horrific, which is why he makes the perfect JCW champion (that combined with his incredible and powerful wrestling skills). Legendary in Mexico as the biggest wrestling star ever, he has also wrestled throughout Japan and in WCW. He has fought everyone from Hulk Hogan to Mil Máscaras, and has won countless matches vs. the most ruthless adversaries in the world.

Sabu

The Meeting Grounds

Saturday Only 5pm – 7pm

sabu-online.com

This man is known as the Human Highlight Reel because he is well known for pulling wrestling moves that defy the laws of pain and endurance. He is the nephew of the original Sheik himself, and is world-renowned for his wrestling prowess. He has wrestled in ECW, WWF, WCW, and for many years in Japan, enduring such matches as Exploding Barwire on a daily basis. He is, to many, a wrestling god, and his fans travel to great lengths to see his bloody brand of (what he considers) entertainment.

Marz

The Asylum

Sunday 2pm – 3pm

marz.music.com

This sinister warrior from the Dark Lotus family is coming on the scene with incredible impact, and could very well be the next addition to Psychopathic. He has lyrics that flow like the blood from a multiple stab wound victim, and has the stage presence to match. Meet him in person for the first time, and look into his eyes to see why he has been chosen to hold the Dark Lotus flag in the Netherworld and beyond.

Vanilla Ice

The Meeting Grounds
Sunday Only 3pm – 4pm
vanillaice.com

What more needs to be said of this rap legend, other than he has skills to pay your grandma's grandma's bills. He has had such tremendous impact on the music world that his name has been immortalized forever, and you have to be dead, pure Amish, or both, to have never heard of him. Meet this zillionaire up close, and give him mad love for always showing love to the Juggalos.

The Suicide Machines

The Meeting Grounds
Friday Only 4pm – 5pm
thesuicidemachines.com

From Detroit, this Punk/Ska band can get the crowd jumpin' like a popcorn machine. These guys have been down with ICP since the early days, and are now performing with Psychopathic for the first time ever. These guys are cool as fuck, and they are guaranteed to rock the stage Friday night. So don't miss your opportunity to get their autograph.

Meet almost all of the JCW hardcore superstars in one autograph session. Some of the stars who will be in attendance include Mad Man Pondo, Fat Fuck Barrel Boy, Gooch, Hollywood Chuck Hogan, Bryer Wellington, Hornswaggin' Hillbilly, and so many more. Look up close at the scars that run jagged across their flesh from the wounds they received while fighting in JCW matches. These mad men will stop at nothing to put on a gory, bloody, and high action show to the point where they risk their very lives. So stop by and give 'em props for all they do.

Psychopathic Rydas

The Ayslum
Friday Only 1pm – 2pm

This is it: the first and perhaps only autograph signing ever, by those cap peeling, murdering thugs. If you get into this signing don't expect them to be all friendly and shit, 'cause these guys have a serious attitude to be rude. Meet Foe Foe, Bullet, Li'l Shank, Cell Block, and Full Clip up close and in your face, like WHUT!?! Just don't reach into your pocket for somethin', 'cause these guys are a little happy on the trigger.

Mile E. Clark and Alex Abbiss

The Meeting Grounds
Sunday Only 1pm – 3pm
mikeclark.com

Now is your chance to meet these two, mostly behind-the-scenes, ninjas who contribute so much to providing you with flavor. Mike E Clark has time and again come up with some of the most wicked and devastating beats used in Psychopathic music; and Alex Abbiss is the businessman behind putting everything together to make it all happen, from tours to albums dropping. These guys have done so much for the Dark Carnival that they are legends in their own right.

Big Money Hustlas

The Meeting Grounds

Other Flavor

Juggalo Open Mike

Wrestling Stage

Friday 5:15pm – 7pm

Saturday 11am – 1:30pm / 5:15pm – 7pm

Sunday 11am – 2pm

Come and test your verbal skills on stage, using a professional sound system. You can bring your own music (on cassette is okay, but preferably on CD or DAT), or an instrumental beat can be provided for you. This is your chance to get the crowd into your shit, and flow in front of a live audience for one song. A Psychopathic representative will be watching, accepting any demos, and taking notes on each performance, looking for possible future Psychopathic stars. Those wishing to participate in the open mike need only to show up at the Wrestling Stage during Juggalo Open Mike and get in line.

Fortuneteller

Fortuneteller

All day long

Come inside, if you dare, so that Ezmarelda Zelda the Fortuneteller can tell you your fate. Don't expect this reading to be sugar coated, 'cause Ezmarelda is an authentic diviner with a bizarre ability to predict people's futures. Come inside the folds of her tent and let her look into your very soul with deep, penetrating eyes that see all. Do you really want to know if the Death card is in your near future? There have been many, who after a reading, have been known to hide away from the world, afraid to even walk outside again! But their fate always catches up to them, because it can never be escaped. Ask a question that you need an answer to, or have your future read – it's up to you, but don't say that you were not warned.

Giant Rock Wall

Giant Rock Wall

Friday 1pm – 7pm

Saturday 11am – 7pm

Sunday 11am – 6pm

Here is a giant, 30-foot wide by 25-foot tall, monster of a mountain, where three people at a time can race each other to see who can reach the top first. Everyone will be safely strapped into a harness in case someone loses his or her hold. Whether racing, or just seeing if you can make it to the top, this is bound to be a mountain of fun.

Open Skating

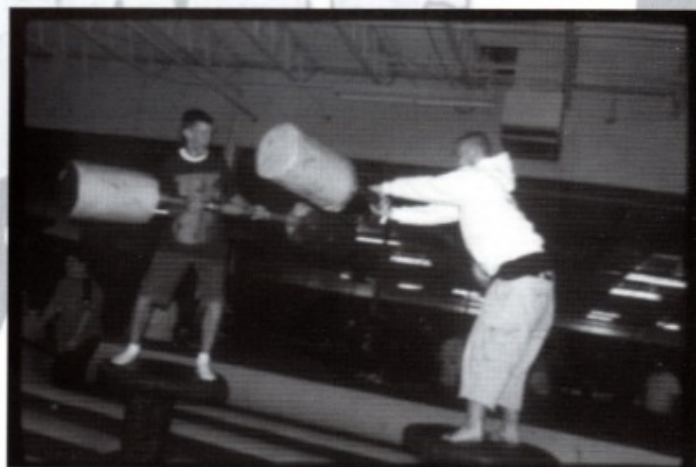

Skate Park

Friday 1pm – 2:30pm / 3pm – 6pm / 6:30pm – 7pm

Saturday 11am – 12:30am / 1pm – 2:30pm / 3pm – 6pm / 6:30pm – 7pm

Sunday 11am – 1pm / 1:30pm – 3pm / 3:30pm – 5:30pm
modernskate.com

This is the nuclear bomb for any skate enthusiasts. We will have a crazy huge half pipe set up, along with a skate park surrounding it, featuring ramps, rails, and slopes. Bring your own skateboard with you, or buy one at the Gathering, 'cause there will be a booth featuring skate apparel and accessories. Only one rider at a time will be allowed on the Half Pipe, but up to fifty inside the Skate Park. So get live all that you like on this giant construction built for those who possess the skate-or-die attitude in their hearts. Please remember you **must bring safety gear** in order to skate – this includes a **helmet, and knee and elbow pads.**

The Fighting Zone

Bouncy Boxing, Jousting, and Sumo Wrestling

All three days until Hall C closes

Perhaps one of the best ways to release any aggression you might have is at the Fighting Zone. There's no better way to feel good about yourself than pulverizing an opponent in combat. There are three ways that we have provided for you to do so:

Bouncy Boxing, where fighters beat each other with oversized boxing gloves in a giant moonwalk, or simply wrestle one another; **Jousting**, where combatants pummel each other with padded sticks, trying to knock each other off pedestals; and finally, there's **Sumo Wrestling**, where fighters don giant padded suits, and try to knock each other down. Whatever you play, you're sure to enjoy it, 'cause you're beating other people silly.

Trike Races

Trike Course

Friday 1pm – 7 pm

Saturday 11am – 7pm

Sunday 11am – 6pm

This is a large course outlined by cones, where five racers at a time peddle their giant tricycles in an attempt to cross the finish line first. This race tends to get a little silly as everyone tries to push and run their opponents out of bounds (no kicking please). If anyone should go out of bounds, then he or she has to backup and set up any cones that were knocked down before continuing. The winner of each race will be awarded a prize.

Juggalo Wedding

3rd Floor Seminar Room (Max capacity 300)

Saturday Only 5pm – 6pm

Come witness the grand marriage of two Juggalos who want to be bonded in holy matrimony right at the Gathering of the Juggalos. The bride, Jennifer Hanson, and the groom, Vinny Vin Hcevedo, will be forever tied together in the first and perhaps only Gathering marriage. They were having trouble finding a priest who would marry them at the Gathering, so they finally had to settle for one who required only a large donation to his church in order to do so. He is none other than that despicable, self-righteous, hater of all-who-are-not-of-the-faith, himself... the **Preacherman** from Big Money Hustlas! He has already called here at Psychopathic many times, proclaiming that the Gathering is a pit of sin, and only his presence there can save the lost souls who are falling into Hell. So this marriage thing may not go as smoothly as they hope... only time will tell. Also, anyone who shows up will get a free piece of wedding cake and something to drink.

Auction

Main Stage

Saturday Only 5pm – 6pm

Featured here is a Psychopathic memorabilia auction. Juggalos will be able to bid on the rarest flavor that we could find, including many one-of-a-kind or prototype items, available nowhere else. We always start the bids at extremely low prices, so even a poor-ass has a chance to walk away with some benefits. When the auction is finished, those who successfully won a bid will then compete in a dice game to see who among them will win 25% of all the money made at the auction!!! The winner will be paid the amount in a check (so they don't get robbed) as soon as the auction is completed. For more details, and a complete list of action items, turn to page 21.

Psychopathic Flying Saucer

SeaGate Convention Centre

All day long

If you see a giant, 8-foot saucer flying over your head, do not be afraid; that is only our flying web cam that we hooked up so everyone who couldn't attend this year can sit at home and see what they're missing. The web cam will provide an overhead still shot of the Gathering once every 10 seconds. This giant, hovering contraption is remote-controlled, and will be floating between all three rooms. Don't throw anything at it, for not only will you be disintegrated by one of its rays, but your ashes will also be thrown out of the SeaGate Centre with no chance for reentry. The fat saucer is not without benefits for Juggalos at the Gathering, though. Several times a day it will dump hundreds of little papers down onto the crowd, and whoever can find the winning piece first can take it to the Information Desk to claim a **Collector's Limited Edition Gathering of the Juggalos 2001 T-shirt (20 made)** and a **Brass Gathering Amulet (80 made)**.

Free Play Video Games

Arcade

All three days until Hall C closes

What more could a video junkie ask for? You will find here a full arcade with some of the newest games, and some old. It's time to get your video game on again and again as every machine is set to free play. Challenge your friends to a fighting game or **air hockey**, or just kick back and chill on an adventure game. Either way, this is the perfect place to relax and test your reflexes in a world of computer-enhanced imagination.

Faygo Armageddon

Main Stage

Sunday Only 11pm

Armageddon! The final assault!!! What better way to close out the Gathering of the Juggalos 2001 than to have a giant-ass Faygo bombardment? The area? Anywhere downstage from ICP's concert. The weapons? 4000 2-liters of Faygo, 4 giant water cannons, and about 7,000 soaking wet Juggalos. This will be the biggest, craziest, and most wicked Faygo event ever seen! It will not be for the weak and timid.

The Sixth Jokers Card

Main Stage

Sunday Only 11pm

At the ending of ICP's stage performance, all in attendance will witness a vision that has been ordained by the Dark Carnival whose time is rapidly approaching. This image has been the very thing that all Juggalos have been waiting for since the very beginning. It burns at our souls with its meaning and purpose. Has it come to warn us of our ultimate demise, or to bring us hope and light to the darkness of the world? Either way on July 15th 2001 at 11pm, the world will never be the same again, for those few who witness this vision will walk away enlightened to a higher purpose... to spread the word... no, to warn those who have yet to awaken, that the Sixth Jokers Card is coming... and nothing can stop it now.

DOWNTOWN TOLEDO

AUCTION ITEMS

The Gathering Auction is back again, giving Juggalos the chance to possess the most rare and sought-after items in ICP history. All of the items for auction have been taken from Psychopathic Records' archives or even donated from the personal collections of employees and artists. The Auction will be run just as it was last year. Bidding will start at the price noted next to each item. It could stop there, and some lucky Juggalo could walk away with a steal. If more than one person wants the item, then the bidding war ensues until the auctioneer calls, "Going once... going twice... sold to the big baller with the heavy cheddar!"

The starting bids are always low compared to the worth of the items so that everybody, no matter how strapped for cash, has a shot. And just like last year, one of the Juggalos who wins an auction will walk away with 25% of the total proceeds from the auction! At the Gathering 2000 one lucky bastard got a quick two grand – way more than enough to pay for the auction he won and spring for snacks for all his crew.

Items will be auctioned off in the order they appear below.

ITEM #1 – PSYCHOPATHIC STOUT STARTING BID – \$5 RATING – UNIQUE

An item that never was: Psychopathic Stout! Add these prototype bottles of brew, made personally for Alex Abbiss and Stefan "Serious Darius", to your funk drinks collection. Each mysterious brown bottle contains an unknown amount of an unknown liquid. They're the only two in existence.

ITEM #2 – VINYL SHOWCASE STARTING BID – \$20 RATING – EXTREMELY RARE

Only a few ICP releases have ever but cut to vinyl, and only in extremely small numbers. Here are two of the most sought-after records: *Carnival of Carnage* and *Chicken Huntin'*: *Carnival of Carnage* (in original

plastic) – Side One Edits: 1. *Carnival of Carnage*, 2. *Never Had It Made*, 3. *Guts on the Ceiling*, 4. *Taste*. Side Two Street: 1. *Psychopathic*, 2. *Red Neck Hoe*, 3. *Wizard of the Hood*, 4. *Is That You? Chicken Huntin'* (no plastic. Record is unused, cover is slightly scuffed) – Side A: 1. *Slaughterhouse Radio/Video* 3:45, 2. *Slaughterhouse Street* 3:49, 3. *Radio Acapella* 3:26. Side B: 1. *Slaughterhouse Mixtramental* 4:29, 2. *Street Acapella* 3:27, 3. *Original Recipe* – *Radio* 3:42.

ITEM #3 – HALLOWICKED BOX SET / 2 HALLOWICKED PASSES STARTING BID – \$20 RATING – EXTREMELY RARE

Only 2000 made, the *Hallowicked Box Set* is Psychopathic Records' first. Nearly all were given away at the two sold out shows on *Devil's Night* and *Halloween 2000*. Due to the chaos and near riot that broke out after the show, several people did not claim boxes. Held for six months, Psychopathic decided these few boxes should be in Juggalos' hands, not the warehouse. So here it is, a complete, intact *Hallowicked Box Set*, featuring special editions of *Bizzar*, *Bizaar*, and *Freakshow*, the *Hallowicked 2000* compilation CD, limited edition *Hallowicked 2000 T-shirt*, special *Hallowicked sticker*, and certificate of authenticity. Add to this what no one attending the show got: two authentic *Hallowicked backstage passes* – now that's a complete collection!

ITEM #4 – POWERFUL POSTERS STARTING BID – \$5 RATING – EXTREMELY RARE

Straight from the walls and vaults of Psychopathic Records itself come these five sets of rare, out-of-print posters:

4. *Alternative Press Promo*, Good

5. *Insane Clown Posse In Person Juggalo Funhouse Event*, Very good condition, Red and Yellow on Black, 24" x 36" Vertical – a true rarity advertising for Tuesday, June 29, HMV 333 Yonge St.

ITEM #5 – TWIZTID PROTOTYPE MERCHANDISE STARTING BID – \$10 RATING – UNIQUE

Every new piece of merchandise first starts as an idea, then maybe, it will make it to the drawing board, and finally to the prototype stage, before it is marketed. Oftentimes good ideas, for whatever reason, never see the light of day. These *Twiztid* wearables are just that. Be the only person on the planet sporting these official, yet unmarketed, designs:

1. *Freakshow Hooded Sweatshirt* – Size: L. Front: black logo with white outline on black. Back: blank.

and safety mechanism. Take it to your next Faygo War and dominate!

ITEM #7 – BIZAAR BOARD GAME & PROTOTYPE SKETCH
STARTING BID – \$5
RATING – UNIQUE

Get an insider's view into the creative process at Psychopathic Records with these two pieces of Bizzar Bizaar History. First is Jumpsteady's original sketch and concept for the board game inside the Bizaar CD booklet. Next, the completed original board as expertly drawn by Tall Jess. And finally, the spinner that never was (it was discarded in favor of the fold-your-own die). Play it or frame it, this entertaining item is unique as it gets.

ITEM #8 – STAGE SET DIAGRAMS
STARTING BID – \$5
RATING – UNIQUE

Whenever a new set is made for a tour, extensive plans are drawn up first. This item is seven unique set diagram proofs on 15" x 20" Bristol board, designed by the stage set company, Strike: **1. In Store Tour 1998** (Color) – the Psychopathic Asylum booth, complete with the ill-fated Myzery display cage. **2. Twiztid** (B&W) – their Mostasteless Tour set, featuring the two Hatchetman props and the double Twiztid centerpiece. **3. Twiztid** (Color) – as above but in full color sketch. **4. Hell Tour 1999, part 1** (B&W) – The Amazing Jeckel Brothers Tour, featuring plans for two large pieces. **5. Hell Tour 1999, part 2** (B&W) – The Amazing Jeckel Brothers Tour, with five pieces. **6. Hell Tour 1999** (Color) – as 4 and 5 above, combined (seven pieces), in full color print. **7. ICP "Hell Set" Backdrop** (Color) – a full-color painting of the swirling red tunnel backdrop behind The Amazing Jeckel Brothers Tour set

ITEM #9 – UNRELEASED ICP COMIC #2 ORIGINAL PLATES
STARTING BID – \$20
RATING – UNIQUE

This was originally planned as a sequel to ICP's first, old school, black and white comic, drawn by Shaggy 2 Dope, himself. In fact, Shaggy was going to draw the second as well, but was unable to because he was needed in studio. So the task was

bestowed upon Tall Jess, who hand drew each page on Bristol board. Unfortunately the comic was never produce and for years gathered dust in the vaults. Now in the high age of The Pendulum, the time is right to unearth this ancient artifact.

ITEM #10 – AMAZING JECKEL BROTHERS BACKDROP/PROPS
STARTING BID – \$5
RATING – UNIQUE

As you may recall, The Amazing Jeckel Brothers Tour brought the hellish warning of the Dark Carnival to America's cities like never before. The set was something out of a twisted undead ghoul or ghost's nightmare after eating some poisoned Mexican snacks. All that remains from that whirlwind of music and insanity are the half-intact swirling, red hellish tunnel backdrop, and two 3-foot tall industrial strength foam core cut-outs of Jack and Jake Jeckel, complete with skull candle and fireball images. Though it's seen better days, the backdrop is still plenty powerful enough to transform an entire room into a reflection of the Dark Carnival.

ITEM #11 – BIGGER THAN LIFE ICP
STARTING BID – \$20
RATING – UNIQUE

This unique foam core poster of Violent J and Shaggy 2-Dope dwarfs even life-size stand-ups. At 7 ½ feet by nearly 4 feet, you'd better clear some wall space! Special Note: If you win this auction you must provide a way to get your prize home. This sucker is HUGE, so don't plan on putting it in any car. Get one of those creepy molester vans or something.

ITEM #12 – INSANE CLOWN POSSE PROTOTYPE JERSEYS
STARTING BID – \$20
RATING – UNIQUE

These five jerseys were never sent to full run production. Perhaps the money wasn't there, perhaps the planets weren't aligned right that day, or perhaps they were just too devastating for everyone to own. Whatever the reason these jerseys are hype, one-of-a-kinds that will reflect the uniqueness of their owner:

1. Bizzar Bizaar BMX Jersey – Size: XXL. Front: logo with eyes and

question marks on red and powder blue. Back: same. Sleeves: 'Bizzar Bizaar' and 'Insane Clown Posse' in red and black.

2. ICP Butcher Pull-over – Size: XXXL? (no tag). Front: logo in red and black with white outline on black with white and red trim. Back: blank. Sleeves: silver Hatchetmen on red circle outline.

3. Wicked Clowns Baseball Jersey – Size: XXXL. Front: logo in white and black with red outline on black. Back: white '01' with red outline. Sleeves: silver Hatchetmen on red circle outline.

4. Carnival of Carnage Two-Button Baseball Jersey – Size: XXL. Front: red, blue, and black Jokers Card on blue. Back: red '1'. Sleeves: red Hatchetmen.

5. Psychopathic Rydas Football Jersey – Size: XXL. Front yellow and blue logo on black. Back: yellow "Uziman" with blue 'Rydas' on Uzi. Sleeves: blue "Uzimen"

ITEM #13 – BEEN-E-BOYZ PROTOTYPES
STARTING BID – \$10
RATING – UNIQUE

There was once a time when those lovable, snuggable thugs were just a glimmer in ICP's eyes. And there's today, where you can buy them all you like. Well, between those two times was the product development phase where a bunch of ideas and concepts were kicked around. These two Been-E-Boyz (Violent J and Shaggy 2 Dope) are the first fully mocked up prototypes. They were created long before the idea of making Twiztid and Alex Abbiss Been-E-Boyz was thought up. You can tell by their dreadlocks that they come from another era entirely.

ITEM #14 – PHOTO SHOOT PROOFS
STARTING BID – \$20
RATING – UNIQUE

This item contains nothing short of 20 unique pages full of photo shoot proofs of ICP and Twiztid. This is the physical result of many individual photo shoots, primarily from the Amazing Jeckel Brothers era, costing ten of thousands of dollars. Each page of shots is totally unique and irreplaceable. Many of these pictures

have been made into posters, T-shirts, and other merchandise, or used in various publications. Note the grease pen marks made by ICP, Alex Abbiss, and other Psychopathic Dons to indicate the pictures they liked.

ITEM #15 – PSYCHOPATHIC FAMILY PHOTO ALBUM

STARTING BID – \$20

RATING – UNIQUE

Back again, another Auction favorite. This time we're assembling 48 all-new all-devastating photos, bringing you inside views all the way back to the Dog Beats era and beyond. Your wig will be flipped for sure when you lay your eyes on these unique, personal photographs. And to top it off, the album is signed by every Psychopathic Records Artist and employee. From our family to yours.

ITEM #16 – PSYCHOPATHIC RECORDS CREW SHIRTS

STARTING BID – \$50

RATING – EXTREMELY FUCKIN' RARE

Most Juggalos know that for some shows and events Psychopathic Records produces not only backstage passes to distinguish employees, but Crew T-shirts as well. These are typically worn for a night, then carefully stored away, perhaps to make an appearance at the Big Ballers X-Mas Party, or some other special event. Well, Psychopathic Records' employees got together and decided that it was time to give away seven of their most prized possessions:

1. Ringmaster Hallowicked T-shirt, Orange on Black, XXL – the FIRST ever crew shirt.

2. Psychopathic Doctor Scrubs Top, Black on Green, L – second crew shirt.

3. N.A.W. T-Shirt, Silver on Black, XXL – from ICP's first National All-Star Wrestling event.

4. Psychopathic Asylum Scrubs Top, Red on White, XL – used by the friendly orderlies who transported the straight-jacketed ICP on their Psychopathic Asylum instore tour.

5. JCW T-shirt, Red and Blue on Black, XL – for all the Championship Wrestling Juggalos.

6. Gathering of the Juggalos 2000 T-shirt, XXL, Multicolor on Black –

you saw 'em last year, now own your own.

7. Hallowicked 2000 T-shirt, Multicolor on Black – used both as crew shirts and for the limited edition Hallowicked box sets

ITEM #17 – BACKSTAGE PASSES FOR YOUR ASSES PART 2

STARTING BID – \$50

RATING – EXTREMELY FUCKIN' RARE

Last year, the prime prize of the Auction was the Backstage Passes for Your Asses collection. This featured every backstage pass from every ICP show. Donated from Psychopathic Records employees' own private collections, this was the most legendary collection of ICP memorabilia ever assembled. Nothing could cast a shadow on it, not even this year's sequel. But even though a different item is claiming center stage this year, we managed to unearth a very comprehensive collection of passes, including some of the most old school ones possible. They come to you from the most fringe, obscure, and hard-to-find ex-employees, as well as some of the highest ranking. Your asses are not ready for these passes.

ITEM #18 – BIG MONEY HUSTLAS GOLD COLLECTION

STARTING BID – \$100

RATING – EXTREMELY RARE

Elevate yourself to international big baller status with this collection. Start with what every Juggalo should have, a copy of B\$H on DVD. Add to that a huge poster-size foam core blow-up of a behind-the-scenes photo from the filming of the movie. Finally, toss in an authentic Big Money Hustlas Gold Plaque, made out to "International Big Baller." (Iced-out Benz, four-fingered "PIMP" ring, and pineapples not included).

ITEM #19 – THE PENDULUM #8 ORIGINAL ARTWORK

STARTING BID – \$100

RATING – UNIQUE

This is your chance to own a part of ICP/comic book history. This item is both original pieces used for ICP comic book, The Pendulum #8, Confessions. Originally penciled by the devastating comic artist, Jerry

Beck, these pieces, when seen in full size, real life, will grab your imagination and do bad things with it. These precious pieces are devastating beyond comprehension.

ITEM #20 – HANDWRITTEN ORIGINAL LYRICS SHEETS

STARTING BID – \$1

RATING – U-muthafuckin'-NIQUE

It's nearly impossible to come closer to touching the Dark Carnival itself than when you're holding just one of these 20 pieces of notebook paper. Each is handwritten by Violent J himself, while in a state of communion with the spirits of the Dark Carnival. See the simple words that later became songs on albums such as Rydin' Dirtay and Dark Lotus.... These sheets will make you shudder for real.

NIGHTLIFE

The nightlife of Toledo is out there, you only have to know where to look. Here are some late-night areas that may be worthy of checking out. Each of these places are open Friday and Saturday until 2am, if not later, so peep some of this flavor if you're wandering the streets at night with nothing to do. Look on the map provided on the right for the general location of each of these places but you may need a detailed street map to avoid getting lost. Keep in mind that we at Psychopathic have compiled this list based on some secondhand knowledge, since none of us are from Toledo, so we cannot guarantee how Juggalo-friendly any of these places are. Whether or not a place is phat is really a hit-or-miss gamble.

#1) Banana Joes (18+) – 505 Jefferson Ave. (419) 418-2000. This party bar/club is in walking distance of the SeaGate Centre, and features all the radio hits from the '70s through the '00s. It is where the model babes chill, and the party ninjas get their mack on. This is a neden heaven for the weary traveler, but you have to have mad game to actually to pull a hottie, 'cause they tend to be upper class.

#2) Club Bijuo (18+) – 29 North Superior (419) 243-4446. This club is perhaps the best club that Toledo has to offer. It features two floors bumping house and techno music, so you can dance and drink till the party, your bank, or your heart, stops. It also features young, stacked, tight-clothed freaks that won't give you the time of day... (we threw that in 'cause that's a given at any club).

#3) Main Event – 137 Main St. (419) 693-5300. If live band music is your flavor, then check out this club that isn't always all ages, but is catering specifically to the young Juggalos who are in town. This club is dark, shady, and loud. It may be just the place to find a sewer skank chillin' in between the walls, to capture and take back to the hotel.

#4) Platinum Showgirls (18+) – 5801 Telegraph Rd. (419) 476-6640. The hottest, sexiest, stacked-beyond-belief dancers can be found within the steamy walls of this erotic club, open till 5am. There is a small bar attached that offers smooth liquid pleasures to guzzle while you get your peep on. Bring the dollas, and don't bother to holla, 'cause to walk away with one of these sex goddesses would take mack abilities on par with Dolomite's.

#5) Scarlet's (18+) – 5765 Telegraph Rd. (419) 476-9611. Being right next door to Platinum Showgirls, together they make this area the hot spot to be. This club open till 5am, does not serve alcohol, but does have full nudity! The girls tend to be voluptuous and sexy, and will fulfill all your rated-R

fantasies, as long as the dollars keep going into their greedy hands.

#6) Déjà Vu (18+) – 135 S. Byrne Rd. (419) 531-0329. Open till 4am, this non-alcoholic, fully-nude strip club is the place to be to "get a feel" for all Toledo has to offer. This club is nationally renown to provide lusty entertainment at the highest level of sleazy perfection.

#7) Detroit – Debatably, one of the freshest hooks of Toledo is its location, meaning its proximity to other fresh cities. Just an hour drive and you're in for some helly flavor. Take I-75 north until you start to see the decrepit buildings, fires burning, and crackhead-lined streets of Detroit, home of ICP, Twiztid, and Blaze. Here you will find everything from its many casinos, tittie bars, haunted buildings, seedy after-hour clubs, and so much more. The power of the Dark Carnival resides heavily here for all to feel.

#8) Toledo Sports Center Bowling – 1516 Starr (419) 693-0687 – This is the place for all those who love to bowl. Plenty of lanes are available, and it features Glow Bowling, so check it out.

#9) University Lanes – 2567 W. Bancroft St. (419) 531-2821 – The perfect place to roll a ball so that it strikes some pins. How could you go wrong with bowling? It's the perfect way to kill some time when waiting for the next day of the Gathering.

#10) Big Boys – 175 S. Summit St. (419) 244-3093 – Open 24 hours a day, and only a short walk from the SeaGate Centre, you may be one of the many who will make this restaurant a 2nd home. Burgers, salads, or breakfast snacks, it's all here and it's all good. This place definitely has fat kid love.

#11) Denny's – 1122 Buck Rd., Rossford (419) 666-4774 – What more needs to be said about this classic 24 hours a day restaurant? It's perhaps the biggest after club hangout. What better place to try to pick up on, or mess with, some half-drunk and half-drugged people, while you enjoy a late-night snack?

#12) Yoko Spa (23+) – 10095 Airport Hwy. (419) 865-9699 – For those with an abundant cash flow, may we suggest this highly pleasurable Oriental Heath Spa? Some highlights to a visit to this sensual spa include massages, saunas, body shampoos, as well as other possible benefits for some extra cash. Don't ask us why you have to be 23 years old to get-in, just rest assured that if you fit the age requirements you won't be disappointed.
