GATHERING

WARRIORS

JULY 19-21, 2002, PEORIA, ILLINOIS

# ATTENTION JUGGALOS!!! 3<sup>rd</sup> ANNUAL GATHERING JUGGALOS

The sound of the dark and fateful hammers pounding in the night can be heard everywhere. No human voices or forms can be heard or seen, and yet carnival tents begin to rise in the darkness, coming together under some mystic and arcane power. Haunting carnival music can be heard drifting into the rooms of Juggalos everywhere, taunting them with its presence. Clowns dance in the peripheral vision of those who have been there before, and have been bestowed with a second sight. Nothing can stop it now. The broken wooden wheels of the Dark Carnival creak into motion as its form begins to take shape in the material world. Soon its influence will be like a dark tide of immense joy and brotherhood amongst those who believe.... It is the beginning of an event that will shape the foundation of humanity.... It is none other than the 3<sup>rd</sup> annual Gathering of the Juggalos!!!

This is the one time each year where thousands upon thousands of Juggalos from around the world can come together and see the magic of the Dark Carnival unfolding before their very eyes. So decorate your car, grab your Faygo, get crunked off the hizzy, and join us in this historic event, as Shangri La falls to earth like a shimmering fog to embrace us all in its wonders. Soon the sounds of the world will begin to fade away as the voices of the Juggalo family rise together in celebration.

# GATHERING OF THE JUGGALOS 2002 CONVENTION

Before you begin to peep out the events for the Gathering, make sure you first go over the very important information below.

Friday July 19th 1pm - 11pm  
Saturday July 20th 11am - 11pm  
Sunday July 21st 11am - 11pm

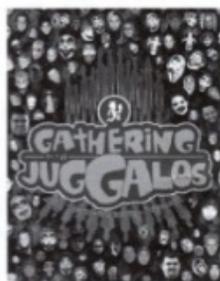

Peoria Civic Center  
201 SW Jefferson Street  
Peoria, Illinois 61602

[www.juggalogathering.com](http://www.juggalogathering.com)

**Civic Center Info** - The Gathering of the Juggalos Convention has been growing each year; and this year promises to be even bigger than the last, with over 10,000 anticipated to attend. Therefore, we have chosen the Peoria Civic Center because it has over 75,000 more square feet of space than last year's convention center. The facility is air conditioned and has plenty of phones, bathrooms, ATMs, and concession stands. With sound systems installed in the acoustically designed convention halls, and a huge attached arena, it is indeed the ideal place. It is also centrally located between some of the largest Clown Towns, making travel arrangements ideal for many Juggalos.

**Exhibit Halls and Arena** - Halls A, B, and C will be open Friday and Saturday until 7pm, and Sunday until 6pm. The Arena will open its doors to the Juggalos for each night's concerts starting at 5pm every evening.

**The Program** - This program is your official guide to all the happenings at this year's Gathering of the Juggalos. Inside you will find a listing of every event fully detailed, including the time(s) and area each will take place. Also inside, you will find a timeline of special events for easy reference, and a map of the complete layout of the Peoria Civic Center. This program is important in order to find your way around, know what is going on, where it is taking place and when it is

happening. So take care not to lose it. If you do, you can purchase additional copies at the Information Desk.

**Metal Amulets** - The amulet that you received along with your program is your ticket to get in and out of the

Peoria Civic Center whenever you want. It will be either a circle, triangle or square. Do not lose it; and safe guard it at all costs, because you will not be allowed inside without it. You must visibly wear this amulet at all times, or you will be immediately escorted out of the building. Security guards checking for amulets will be posted at every main en-

trance, as well as entrances to all the convention halls, seminar rooms, and the Carver Arena. All those escorted out will then be packed into a giant drilling machine that will drill toward the center of the earth on automatic pilot until it reaches the molten magma core, or they discover Atlantis, whichever comes first.

## **What IS NOT Allowed Inside**

- Passing out flyers, CDs, etc. (please do that outside by hitting up the line, or leave the flavor at the Juggalo Promotional Booth), smoking, backpacks, fanny packs, gym bags, or any large bags (due to the terrorist threat, damn them!), outside food and beverages of any kind (there are concession stands inside), tape recorders, video camcorders or any non-disposable cameras (too many video cameras look like normal cameras, and last year bootleggers took advantage), weapons (such as a Flying Guillotine) or items that could be used as a makeshift weapon (such as a glass chandelier), spray paint or stickers of any kind, and finally: large amounts of merchandise. (Special Note: Bootleggers caught anywhere near the convention center will be dressed up to look like an Eminem dummy and tossed into the crowd during ICP's set.)

## **What IS Allowed Inside**

- Disposable cameras only (due to the high amount of bootleg videos as the result of the last Gathering), promotional material to leave in the Juggalo Promotional Booth (flyers, photo flats, CD or tape samplers, etc.), costumes, thousands of Juggalos and Juggalettes, and artwork of all kinds.

**Damages** - This year, it wasn't easy to find a convention center that was willing to host the Gathering, considering the superficial damages caused each year by some of the Juggalos. We ask that you take into consideration that all damages done to the Peoria Civic Center must be paid for by Psychopathic Records! If ninjas continue to be unnecessarily wack, it could jeopardize there even being a Gathering next year. So we ask all Juggalos to refrain from vandalizing the Peoria Civic Center or any hotel you are staying at. We know that there are only a very few who are ruining it for everyone, but please do your part to stop these types of activities if you see them in progress.

**Bag Check** - If you have any coats, bags, or other items that you want to store in a safe and secured area, bring it to the Bag Check area marked on your map. There, the ever-so-friendly bag check people will give you a ticket to redeem your valuables at a later time. They also have plastic bags to put loose items in, so storing anything is possible. Be sure to pick up your stuff before you leave each day (it's open till 11:30pm), as the ever-so-friendly bag check people will be more than happy to loot, eat, or wear any items left overnight. (In other words, we are not responsible for items not picked up at the end of the night.) The bag check service is of course free of charge.

**Smoking Area** - No need to leave the convention center to puff on a Philly blunt. We have arranged an outside area where you can chill and inhale all the toxins you like. Since you are not really leaving the center, you will not be searched when you go back inside, so there will be no line and no wait. Just pop outside, blaze up real quick, and inhale your sweet nicotine treat. Once you burned some smokes and your craving is fulfilled with a slight buzz, go back inside with a satisfied smile on your face.

**Information Desk** - Are you confused and don't know what the hell is going on? Are you unsure as to where you are going or even where you have been? Have you completely lost your marbles and need some serious help? Well look no further, because the Information Desk is the place to go if you have any questions that need answering or any problem that needs solving. Here you will find a helpful staff whose only purpose is to help you so that your experience at the Gathering can be trouble free. You will also find full credit card services at the Information Desk, where you can buy Psychopathic Gift Certificate Coins using any credit card. These coins are good at all Psychopathic merchandise booths for the entire convention.

## Events

All events are free of charge, covered by the onetime cost of your ticket. Your only additional costs come from food, hotel rooms and merchandise you may want to buy. Each event is categorized by title, location (which you can find on your map in this program), day(s), and finally time(s) the event is taking place. Also included is web site information, if it applies, so that you can gain even more details about specific events. Keep in mind that each year we try to change it up a bit to give the Gathering an all-new feel. So some of last year's events may be gone, but they have been replaced with new ones.

## Shows

### GHOULTOWN, BLAZE, KITTIE, AND DARK LOTUS

Carver Arena  
Friday 6:45pm - 11pm  
[ghoultown.com](http://ghoultown.com) /  
[blazeyadeadhomie.com](http://blazeyadeadhomie.com) /  
[kittie.net](http://kittie.net)

If you like blood, fire, death rock and cowboy vampires, then you're really going to enjoy the performance of Ghoultown. All the way from Dallas, they have come to drain blood, bring eternal darkness, and cause a frenzy in the crowd (let's just hope it's not a feeding frenzy). Next is the gangsta from the grave, with cold rap flows that will freeze the blood in your veins like a woolly mammoth during the ice age... It's none other than Blaze Ya Dead Homie! His hard-hitting shock rap will slap the ears off your head, choke your senses, and leave you a quivering blob of your former self. Next comes the hard core music of the all-female band Kittie. All the way from London Ontario, they have come to bring a strong message, and deliver a concert that will leave you shaken, energized, and emotionally uplifted. Then darkness will befall you, and the sound of a faint rhythmic beat will be heard in your ears. You will then realize, all too late, that the Dark Lotus has taken to the stage, causing your body to be completely stripped away, and the noise that you hear will be your own frail heart, beating in the midst of

what's left of your skeletal frame.

### ANYBODY KILLA, ZUG IZLAND, MYSTERY GUEST, TWIZTID

Carver Arena  
Saturday 6:45pm - 11pm  
[zugizland.com](http://zugizland.com) / [twiztid.com](http://twiztid.com)  
First up, it's that friendly thug from Detroit who only wants love and peace in the world, brought about by the harmony of his peace-inspiring rap music.

It's that righteous bringer of good will himself... Anybody Killa! Next, it's the hypnotic band Zug Izland, who has come to leave their mark upon the world like a comet strike. Their music is inspiring on so many different levels that many can't help but feel the magic that their craft bestows. Then the much anticipated and unknown Mystery Guest will emerge on stage to slap your wig into your back pocket, cartoon style, as they tear the stage and the crowd apart in a musical frenzy of madness. Finally, two phantoms will emerge to take the stage in a ghostly display of horrific vision. They will haunt the arena with their nightmarish lyrics, and possess the crowd into a feverish pitch as the beat of the music takes control. They are Twiztid; and they have come from beyond to bring you one of the best shows of this world.

### PSYCHOPATHIC RYDAS, MACK 10, BUBBA SPARXXX, INSANE CLOWN POSSE

Carver Arena

/ [insaneclownposse.com](http://insaneclownposse.com)

Get ready for full on war, done concert style. First will be the artillery strike, dropping high explosive shells on you as Psychopathic Rydas takes to the stage and unleashes their gangsta rap on the crowd like a pack of pit bulls. Next comes the air strike, raining down on the crowd with wanton destruction, as the gritty smoothed out pimp style of platinum artist Mack 10 impacts the crowd, leaving the battlefield devastated. All the way from Inglewood, CA, he has made huge waves across the nation, representing the W for which he stands. Then comes the ground assault, as Bubba Sparxxx displays his masterful verbal skills, laying down all opposition under his onslaught! This rap star is straight from the dirty south, man, with his own southern hip-hop style; and he

cient and mind-boggling skills of all: hypnotism. For thirteen years he has perfected his trade, leaving crowds with their jaws dropped as they witness his spectacles of mind domination. Come see the unbelievable happen before your very eyes, as the impossible comes to pass. You will see zombie-like people performing entertaining acts not of their own wills, and much more. Do you dare volunteer to be one of his subjects as he lulls you under his spell? If you are skeptical, then step on up and see for yourself. Just don't be surprised if you find yourself suddenly falling into a deep sleep only to awaken with all your facial and body hair shaved off.

plans to wreak total havoc, bring mass destruction and show no mercy! Finally the nuclear bombs will fall, as ICP takes to the stage, decimating whatever is still left with high tech weapons of horror core rap and providing ground-shaking beats that will send shock waves to be felt for miles around. Expect fireworks, laser beams, and special appearances during this once-in-a-lifetime performance. Then, finally, the Sixth will silently fall, to look down upon those who have survived, and to solidify the beginning of an era that will bring much chaos.

### HYPNOTIST SHOW

### JUGGALO CHAMPIONSHIP WRESTLING

Hall A / Wrestling Stage  
Friday 3pm - 5pm  
Saturday 2:30pm - 4:30pm  
Sunday 3pm - 5pm  
[juggalowrestling.com](http://juggalowrestling.com)

More carnage and destruction takes place in a fifteen-minute match of JCW than there would be if there was a pro-Bin Laden rally speech held in Times Square. This is where it all goes down: the ruthless, bar-

baric savagery of bare-fisted opponents trying to rip each other apart for the pure bloody entertainment of the crowd in attendance. Come see this barely legal sport as some of the top athletes in wrestling

try to put an end to their opponents by any means necessary. See Sabu, Eddie Guerrero, Juventud Guerrera, Disco Inferno, Norman Smiley, Lenny, Lodi, and all your original favorites from JCW. See staple guns and fluorescent light bulbs used in ways their manufacturers never dreamed possible in their darkest nightmares. See the strip match, where two stacked female wrestlers Sunny and Missy Hyatt have to strip each other down to their panties and bra to win. On top of that there will be steel cage matches and more. This is a must-see-to-be-believed event that will leave the wrestlers and some viewers psychically and/or mentally scared for life.

### MAD MAN PONDO'S WRESTLING SCHOOL

Hall A / Wrestling Ring  
Friday 1pm - 2pm  
Saturday 1pm - 2pm  
Sunday 1:30pm - 2:30pm

Interested in becoming a hard core wrestler, so you can beat your opponents into a pulpy mass by any which way you see fit? Well then stop by to see this class that encourages strong crowd participation and learn some of the most destructive-looking moves in wrestling. Learn how to do the stunts that any respectable professional wrestling school would never teach their students: how to use weapons, put an opponent through a table, use a sexy female to distract an opponent, taking thumb tack bumps and yes, even how to land in a box of broken glass without mangling valuable body parts. The totally insane Mad Man Pondo himself will be the primary teacher for this school, so stop by if you think you can stomach it.

In preparation for the coming of the Sixth Joker's Card we will be launching a huge well-paid Street Team consisting of ten or more vans to promote nationwide for two or more months. Therefore, we once again need the help of down-ass Juggalos. Last year, the Street Teams ran into many problems, such as car accidents, getting into fights, lost lesbian love and being thrown in jail, but regardless, it was an adventure they will never forget. Come to this seminar where Ry Ry (a past street team member who now works for Psychopathic) will explain the job in full detail and what is expected. Then everyone will fill out a simple and short résumé. Since just showing up to this seminar (at the Gathering, no less) proves a sincere dedication to the cause, we at Psychopathic guarantee that at least two Juggalos from each seminar will be chosen for the street teams, as determined at a later time. Please bring a photo of yourself so that we can attach it to the résumé.

# THE GATHERING OF THE JUGGALOS SEMINARS/SPECIAL EXHIBITS

## JCW SEMINAR

N.I.A. Seminar Room  
(Max Capacity 350)  
Saturday 6pm - 6:30pm  
Sunday 2pm - 2:30pm  
juggalowrestling.com

This is a very shocking and revealing seminar that goes behind the scenes of the JCW wrestling world. Almost all of the JCW stars will be in attendance, as well as a few former WCW or WWF surprise wrestling guests. Shoot all the questions you want, as everything will be brought to light: from what it's like being in JCW to their personal love lives with "rats" on the road. This is a no "kay-fay" seminar and you will learn what these guys are like in and out of the ring, and what drives them to mangle their bodies with such disregard for their personal safety. Find out for yourself whether the violence and pain is an addiction... or are they merely addicted to too many drugs?

## MYSTERY SEMINAR

N.I.A. Room  
(Max Capacity 350)  
Sunday Only - 5pm - 5:30pm

Mystery is the sweet haunting that taunts your mind with the infection of curiosity. What could possibly be happening inside a four-walled chamber that could arouse such speculation? The mind wonders, causing one to toss and turn in fitful sleep and slowly slip into madness from torments of the unknown. Shall we take a chance and step into the beyond, heeding the whispers of adventure to wherever it may take us? Or shall we hear of the tales of a possible legacy, as told from the quivering lips of those who may have witnessed a spectacle far out of the reach of their own imaginations. Then again, it could end up being wack... who knows?

## Special Exhibits

### JOKERS CARD MUSEUMS Hall C

Stop by to see these treasured museums that perfectly archives the history of the five Jokers Cards. It is a must-see attraction that showcases each era in a visionary display of sights and sounds. Each major event in ICP's past is brought back to life, and many unknown happenings are shared as well. Laugh, shout and cry as you witness a legacy and musical journey of one of the greatest rap groups ever through pictures, posters, merchandise, promotional material, videos and rare items. This year will prove to be by far the biggest collection of flavor ever assembled with mad props going to Tony Cibik who provided a ton of the flavor from his vast personal collection. Even Big Silva will be chillin so bring several rolls of film for this area alone, for this is the heart of the Gathering and a true monument to the Dark Carnival and all the joy it has brought us over the years.

### TWIZTID MUSEUM Hall C

These two just don't quit! I mean they keep killing and rapping, and rapping about killing, and soon there's just a bloody mess and these two smiling killers, content with a day's work. All of these activities have left a broken past

of mutilated bodies worth showcasing. Come check out this morbid museum that showcases Twiztid's life from the cradle to the insane asylum. See them as you have never seen them before, including their sordid beginnings in the group known as the House of Krazees. Make sure you come by to witness their own gruesome display of murder weapons and much more. Laugh your ass off 'cause it's funny, or because your mind is cracking like an egg - it's really all a matter of how well you can stomach it.

### JUGGALO WALL OF FAME Hall C

Back once again is the mammoth Juggalo Wall of Fame, standing proud and tall in an immaculate display of pure, unblemished cleanliness. Not for long, though, as there will be plenty of markers for you to tag up your name, do artwork, write phone numbers, or just scribble like an asshole so that you can be immortalized forever as a participant in this year's festivity. The Juggalo wall is a tradition that dates back to the first Gathering; and the past walls will also be on display for all to see. All walls will be stored at Psychopathic Records to be brought out again at next year's Gathering 2003.

## Booths

All the booths listed below close down at the same time that the exhibit halls close: that's Friday and Saturday at 7pm, and Sunday at 6pm.

### JUGGALO PROMOTIONAL BOOTHS Terrazzo Lobby / Booths 1-2

If you have anything at all to promote, then here is the place to leave it. Do you have an up-and-coming band? Why not leave samplers? Trying to recruit ninjas for a Morton's List party? Why not leave flyers? Looking for a romantic interlude in your hotel room late at night? Why not leave a number? Trying to force your political beliefs on people? Why not throw yourself over a cliff? It's just that simple. So drop something off, or pick something up that others so urgently want you to hear or look at. Who knows? You may just find something in the midst of all that propaganda that could change your life forever.

### FACE PAINTING Terrazzo Lobby / Booth 3

Two professional, "slightly mad" face painters are waiting to get silly with their paintbrushes on anyone who wants to get "hooked up." Sit back and relax, and let their talents work for you, as they apply whatever scheme you desire. Whether it be Violent J, Jamie Madrox, Moon Glorious, or some other wicked creation. These maniacs are so down for the cause, they drink paint in the morning just to get in the mood and are more than happy to slap their paint all over your body and theirs in the name of art.

### MASSAGE PARLOR

Terrazzo Lobby / Booths 4-5

Are you feeling a little tense, perhaps? Well then stop by for a free shoulder and back massage, by one of three professional female massage therapists, that will be sure to rejuvenate your body, spirit and mind. Lay down in a quiet, peaceful setting while she soothes your body with the pure pleasure of her gentle touch. Reality will disappear as she rubs you down, bringing an experience of harmony and complete happiness. This total relaxation is the best thing for you, because when you leave the comforts of the parlor, you will be energized and ready for the mad flavor that still awaits you at the Gathering.

### MERCHANDISE BOOTHS

Hall C / Booths 8-12 and 14-20

Booth after booth, selling hundreds of the phatest, newest and rarest items of Psychopathic merchandise make this year's the biggest collection ever. It is our goal to make the selling process as smooth as possible, and we have come up with key concepts that we feel will make it much more enjoyable for all. Some spotlights on this year's merchandise include the Dark Lotus re-release (featuring Anybody Killa and two new tracks), Violent J's insane clothing designs created by himself, Stranglemania 3 on DVD, Jumpsteady's Chaos Theory, the Pendulum Graphic Novel featuring all the Pendulum issues in one book with the full Pendulum album, Gathering of the Juggalos 2000 Documentary on DVD, Hatchet History (a compilation album of songs from every Psychopathic artist past and present), and plenty more. For more information on the items that will be available this year check out [juggalogathering.com](http://juggalogathering.com) for updates.

### MORTON'S LIST BOOTH

Hall C / Booth 13  
[mortonslist.com](http://mortonslist.com)

Last year they brought you the much-anticipated debut of Morton's List: The End to Boredom. This year, Dark Carnival Games continues the flavor.

What better way to give props where props are due than to stop by these spidery booths spotlighting Juggalo-run web sites that work hard to spin up all the latest tidbits about the Juggalo world. These web-spiders are stalking the information highway sucking the blood of all its valuable information with sharp, pointy teeth. They continually work with a network of ninjas across the web who are like tiny arachnids wrapping up any obstacles in their way and sucking the precious life force from them, just to bring you the interviews, reports, and flavor. These booths will feature merchandise, contests, games and live web cams to keep it interesting. So be sure to check 'em out before they check you out by latching onto your juicy neck as you flop around in excruciating pain.

# GATHERING OF THE JUGGALOS CONTESTS

## Contests

All prizes for the various contests are specifically listed under their descriptions. Some, however, are general prizes, which consist of a random item of Psychopathic Merchandise. If you win a general prize you will be awarded a Prize Certificate that you may redeem at the Information Booth. These are either Silver Certificates (small prize) or Gold Certificates (big prize). Unless otherwise noted, all Backstage Pass prizes are good for Sunday night only (starting at 6pm) in the Carver Arena. Also, celebrities or Psychopathic employees will be used for any contest that requires judges.

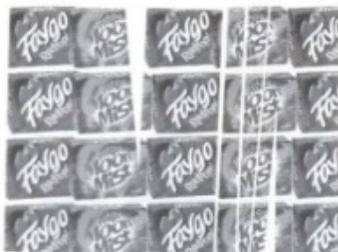

### COMPUTER TRIVIA CHALLENGE

Hall C

Continuous all three days  
Grand Finals Sunday 5-6pm

Hosted by the wily Net Master Gordon himself, come test your skills in this computer trivia game! Some degree of Psychopathic knowledge is required, as topics will range from the "History of Twiztid" to "Choko's Love Interests." This trivia challenge takes place on a computer monitor and pits four players against each other in a game where the highest score takes all. The questions will be given direct via Violent J's and Shaggy's digitized heads. The winners of each game will receive a Silver Certificate and a slap on the ass. If you win three straight games in a row you will have a sore ass, and may exchange your Silver Certificate for a Gold Certificate. Players who score the highest will have their names posted. If their scores hold, they will qualify for the Computer Trivia Showdown taking place Sunday afternoon starting at 5pm. The winner of this contest will receive a Ringmaster Gold Plaque, embossed with "Trivia Champion," and a Backstage Pass.

### FAYGO DRINKING COMPETITION

Hall B Stage

Friday 1:30pm - 2:30pm

Saturday 6pm - 7pm

Sunday 5pm - 6pm (Grand Finals)

Finally a competition where gelatinous bellies and slug-boy physiques have an advantage! This competition is all about who can drink the most Faygo pop in a ten-minute time limit. The real challenge begins after the first person's carbonated belly explodes, and they throw up all over the table. It will take true stamina for the other competitors not to lose their loads after seeing that. On each day there will be two shows run back-to-back with plenty of antics, half-naked girls and hype to make this competition very worth watching. Oh... did we mention that "Up-Chuck the Clown" will be on hand, distracting competitors with some 'very disgusting habits?!? This is something you don't want to miss: All the winners from Friday and Saturday will receive a hundred-dollar gift certificate and they, along with the two runners up from each contest (for a total of 12 contestants), will be admitted into the grand finals held on Sunday. There, they will compete to see who will be crowned the Champion. 1st Place grand prize is a Big Money Hustlas Gold Plaque, embossed with Faygo Guzzler Champion, a Backstage Pass, and a Year's Supply of Faygo shipped direct to their house. 2nd Place receives a Psychopathic Leather Jacket and \$100; while 3rd Place receives \$100. Those wishing to compete should show up at the Hall B stage 30 minutes before each contest begins.

### LINGERIE CONTEST

Hall B Stage (Females 18 and older only, ID required)  
Sunday Only 1:30pm - 2pm

Young, lovely and voluptuous Juggalettes will take to the stage to show off their finer assets, as they wear tightly wrapped and skimpy lingerie apparel. For your viewing pleasure, these half-naked women will float before your very eyes like mouthwatering candy to try to get a rise from the audience. One at a time, contestants will be brought out on stage to strut their sexy stuff. Once all have made an appearance, the girls will all be brought back on stage, and the

crowd will then decide the winner by applause. The grand prizewinner will receive a \$500 dollar shopping spree at any of our Psychopathic merchandise booths. Every Juggalette who competes will also receive a free pair of Psychopathic thongs. Those wishing to compete should bring their own lingerie (must cover private areas) and be at the Hall B Stage 30 minutes before the start of the contest. A private dressing room will be provided.

### MC CONTEST

Hall A / Wrestling Stage

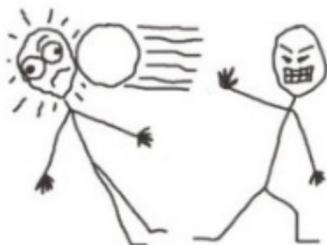

Friday 5pm - 7pm

Saturday 11am - 1pm / 4:30pm - 7pm

Sunday 11am - 1:30pm

Get ready for your wig to be rocketed into the stratosphere!!! If you are an aspiring rapper, then head on down to the Hall A Stage to compete in this contest at any of the times listed above. Each group will get their chance to go up on stage to perform in front of judges who will secretly rate their performance. Each group may consist of no more than four members, and perform only one song using two mics. They

also need to bring their own music (on CD). All those who performed should then go to the Information Desk at 2pm on Sunday, where the top three winners will be posted. If you have won, tell the ninjas at the Information Booth (must have ID). These three groups will then each get to perform one song on Sunday in the Carver Arena starting at 5:30pm in front of the huge crowd waiting for the main concerts to begin. After everyone has performed, the crowd will then decide the ultimate winner by applause. This winner will then receive the ultimate benefit of an Online Record Deal. That means they can record an EP right in the Lotus Pod studios at Psychopathic Records that will be graphically enhanced and then pressed up, so they can become Psychopathic's newest artist!!! Even though the album will only be available on Psychopathic's online store, it may still sell thousands (meaning you will be phat paid), and eventually lead to a full on record deal if the group is well received. This is it: your chance on a golden platter! The two second runners up will be able to record one song at the Lotus pod studio for free. Stop playin' - this is the phatest contest this year by far!

### CHALLENGE GAMES

Hall C (Hoops and Dodge Ball)  
+ Booths 6-7 (Pool)  
Continuous all three days

Games of skill, luck, and hand-eye coordination have been set up so that you can try to win phat prizes. If you think you have what it takes or that you're a lucky son-of-a-bitch, then step up and give one a try. So what if there's a whole crowd that will probably be watching you. You'll never make it great at anything by playin' it safe. But keep in mind that each Juggalo may only win one prize per day for each game. These games are:

**Basketball Hoop** - Each player attempts to sink a basket from around the three-point line and will be given three attempts to do so. Sink two baskets and you win a Silver Certificate, but sink three baskets and you get a Gold Certificate, and are in the haughhh!

**Dodge Ball** - This area without a doubt is going to be intense with action. Twenty players at a time will battle it out on two separate teams until one side is wiped out. Only one ball will be used at a time, and players will have to stay on their side of the line. A net will be erected on the back wall of each side so that the ball won't bounce back from the wall. Players hit by the ball are eliminated; but if the ball is caught in mid flight then the thrower is out. Whatever players are still left from the winning team each earn a Silver Certificate. If however there is only one player left on the winning team then that player is awarded a Gold Certificate for such a hard-won game.

**Pool Tables** - This game is harder than it sounds. Players break four balls set in a diamond pattern. They then try to pocket whatever balls are left on the table after the break. All shots must be called and the high ball must be sunk last. Miss a shot, scratch, or sink a ball accidentally, and it results in a loss. Winners receive a Gold Certificate.

### SUPER BIG BALLA CONTEST

Hatchet Seminar Room (21 and older only, ID required, Max Capacity 425)  
Saturday Only 2:30pm - 3pm

Do you wanna be a pimp on the big balla status for a night? Well, check out this flavor! Everyone will compete in a unique game of chance to determine who wins this contest.

There will be three winners who will be granted the esteemed title of Big Balla. They will then meet up with Alex Abbiss, Jumpsteady and the Rude Boy later that night (after the concerts) for a trip on the town, Big Balla style. Riding in a pushed-out limo, their first stop will be the VIP section of a strip club, where everyone will be given a \$150 in singles to grab the attention of all the naked hotties in the club. The next stop will be at a casino where everyone will be given a \$100 to gamble with, the only catch is they must double their money or lose it all, like a true player. After that who knows what will happen; but you'll probably be so crunked out with all the free drinks paid for by Psychopathic that you probably won't care.

### MISS JUGGALETTE PAGEANT

Hall B Stage (Females 16 and older only)  
Sunday Only 11:30am - 1pm

Back again, by very popular demand, is this competition designed to find the most attractive, talented, and charismatic girl at the Gathering, and crown her with the esteemed title of Juggalette Queen 2002. Anyone has a chance to win, because the judges take crowd reaction into heavy consideration when scoring. So those able to win over the crowd stand a good chance of becoming Queen. Come see for yourself as these

shapely girls compete in three intense rounds. The first is the Personality Round, where they answer a random question. The second is the Talent Round, where the girls show off a skill of their choosing (music can be provided if needed). Finally, there is the Swimsuit Round, where they show their mostly nude, curvaceous bodies to earn points by being able to arouse the crowd with their sexiness. Judges will tally the points

# THE GATHERING JUGGALOS CONTESTS

from all three rounds to determine the winner. The 1st Place prize is a Great Milenko Platinum Plaque, with Juggalette Queen embossed on it, a Backstage Pass, and a date with a Psychopathic star of her choice. 2nd Place wins a Backstage Pass and \$100 in cash; while 3rd Place receives \$100 in cash. Those wishing to compete should go to the main stage as soon as they can get inside on Sunday, bringing their own swimsuit with them. A private dressing area will be provided.

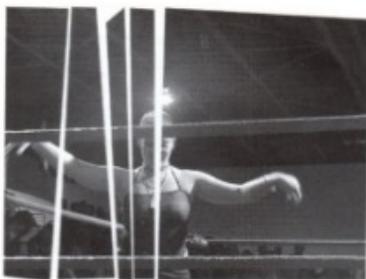

## JUGGALO GONG SHOW

Hall B Stage

Saturday Only 1:30pm - 2:30pm

This is your chance to win the crowd over, by any means that you can dream up, in this humorous talent show. Everyone who competes in this contest will be given up to five minutes of stage time to do whatever the hell they want. However, the crowd will be watching, and if you receive too many boos, the Rude Boy, firing a Faygo cannon at your ass, will kick you off the stage. You will have the use of two mics, a professional sound system, and may bring up to ten people for your performance. Perhaps you can play an instrument, act like a drunken mime, hold a two-liter between your breasts, or sing a love song. The more creative and weirder the better (but please, no bands or rap acts for this contest). After everyone performs, all contestants (who weren't booed) will be brought back on stage for the crowd to decide by applause who the winner is. Whoever wins will receive a \$500 dollar shopping spree at any of our Psychopathic merchandise booths. Those wishing to compete should show up at the stage 30 minutes before the event is scheduled to begin, bringing any props and music (on CD) they want to use.

## RING GIRL CONTEST

Hall A / Wrestling Ring  
(Females 18 and older only,  
ID required)  
Friday Only 2pm - 2:30pm

Sexy vixens will face off in this competition to determine the three winners who will not only receive Backstage Passes for the entire three days of the Gathering, but will also perform as the ring girls for the JCW event each day. One at a time, these Juggalettes, wearing tight or skimpy outfits, will walk down to the ring, slowly bend over as they slip inside, and then walk around to show off their goods, while holding a match card. This contest is not all about looks, because the right attitude could easily win the favor of the crowd. Once everyone has had their turn, all the girls will be brought back out, and the crowd will determine the winners by applause. Anyone interested in competing in this contest should bring two sexy outfits (swimsuit, low-cut dress, halter top and stretch pants, bodysuit, etc.), and show up at the stage 30 minutes before the start of this contest. A private dressing area will be provided.

## NAME THAT TUNE

N.I.A. Seminar Room (Max  
Capacity 350)  
Friday 5pm - 5:30pm  
Saturday 5pm - 5:30pm  
Sunday 4pm - 4:30pm

Are you a master of Psychopathic-related music, inside and out? If you are, then you don't want to miss this. For this contest, all the players will first be given a sheet of paper listing the possible answers for each song played. An MC will then play 20 different clips of songs, one at a time, that could be from any Psychopathic artist, past or present. The players must circle what they believe to be the correct answer for each song played;

and once finished, turn in their papers. When all scores have been tallied, the top three winners will be announced. The 1st Place winner receives \$300 in prototype one-of-a-kind Psychopathic merchandise. The 2nd Place winner receives \$60; while the 3rd Place winner gets a Gold Certificate.

## TATTOO CONTEST

Hall B Stage  
Friday Only 6:30pm - 7pm

Do you have more ink on your body than you would find at a ballpoint pen manufacturing plant? Well then, do we have a contest for you! Contestants will show off their Psychopathic-related tattoos in an attempt to impress the crowd and judges. Scores will be tallied based on size, originality, and quality, and then the tattoo master of all time will be declared once and for all. The 1st Place prize is a Gold Psychopathic Hatchet Charm and a Backstage Pass. 2nd Place earns \$100; and third place gets \$60. Don't miss this event; and make sure to bring your camera to capture some truly devastating tattoo art. Those wishing to compete should show up at the Hall B Stage 30 minutes before this event begins.

## JOUSTING CHAMPIONSHIPS

Hall C  
Continuous all three days  
Sunday 5pm - 6pm (Grand  
Finals)

This game is played by standing on a round platform, while trying to knock your opponent off

the other platform with a giant padded stick. It sounds so simple, and yet it is so much fun. There will be two pugil stick inflatable fighting areas set up. One of them will be for fun, where you can battle your friends. The other will be for pure competition, which is the one being explained here. If you are knocked off during the competition, you must head to the back of the line. If both opponents are knocked off at the same time, then whoever lands first is eliminated. However, if you are able to successfully knock down seven opponents in a row, you must step down, but you will have won a Gold Certificate, and have earned a spot in the grand finals that will begin Sunday at 5pm. The winner of the Grand Finals will walk away with the grand prize: an Amazing Jeckel Brothers Platinum Plaque, embossed with Supreme Fighting Champion, and a Backstage Pass.

### THE NEDEN GAME

Hall B Stage (Males 18 and older only, ID required)  
 Friday 5pm - 6pm  
 Saturday 3pm - 4pm  
 Sunday 2:30pm - 3:30pm

Five Juggalos will be pulled from the crowd to participate in this very fun game, where the object is to win a date with a beautiful, young, and busty stripper. The hidden contestants will answer rather shocking questions from the stripper in an attempt to impress her with their wit and charm. After which, she will choose whom she likes best as the winner of her heart and the two will finally get to meet face-to-face. Shortly after that, they will be whisked away on their date by a chauffeured limousine with all expenses covered by Psychopathic, including a nearby hotel room (should the two lovebirds decide they want to get away from the crowd). This game show is always entertaining, and many surprises are bound to happen; so make sure to

check it out at least once. Who knows? You may even get some neden out of it.

### ART DISPLAY

Hall C  
 Continuous all three days  
 Sunday 11am (Winners revealed)

Do you have creative abilities that are just about to explode from your body and are looking for an outlet? Well grab a canvas, paper maché, or some trash, and throw together a spectacular and visionary display of Psychopathic-related art. Then bring your creation down to the Gathering, so that all the Juggalos can appreciate the flavor; and it may even win you a phat prize on top of that. On Friday, as soon as you get through the doors, take your artwork directly to the art area. There, you will fill out an information card, and it and your artwork will be displayed for the three days of the Gathering. There will be a guard the whole time watching over these irreplaceable items; and you will be given a ticket stub to redeem your art later. Sunday at 11am the best works of art will receive 1st, 2nd, and 3rd place ribbons. The 1st place winner will receive a Riddle Box Gold Plaque, embossed with Art Master. 2nd place wins \$100, while 3rd place gets \$60. All artists need to pick up their artwork on Sunday between 3pm and 6pm.

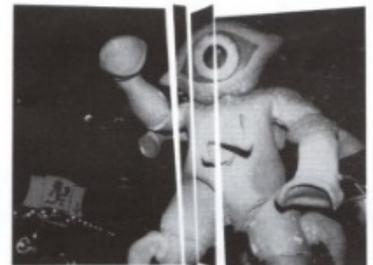

### WIN A DATE WITH A PSYCHOPATHIC STAR

Hatchet Seminar Room (Females Only / Max Capacity 425)  
 Friday 2:30pm - 3pm  
 Saturday 3:30pm - 4pm  
 Sunday 5:30pm - 6pm

If you're a Juggalette who's looking for true adventure, then make sure you try to win this contest, because the winner will receive a date with a Psychopathic Star of her choice! Do

you fancy a cold-blooded corpse with a gangsta attitude? Then perhaps you should choose Blaze, if you won. Maybe a Serial Killer with a chainsaw is more your speed? Then what about Jamie Madrox as your cuddly wuddly? Does a clown who has an axe as a friend and loves necrophilia turn you on? Then maybe Violent J can wet your appetite? Whoever the winner chooses, she is assured a date with him, as arranged between the artist and the winner at a later time. The winner of this contest will be determined by random chance; and everyone has an equal opportunity to win.

### COSTUME CONTEST

Hall B Stage  
 Sunday Only 4pm - 4:30pm

Now is your chance to show off how weird you truly are by modeling your favorite costume. Bring out that dusty Chewbacca suit from the attic, or polish the star on your official Chips Poncherello Highway Patrol uniform, or throw on that latex dominatrix suit. Whatever your fetish may be, put on your costume, and bring it down to see just how good it really is. Any costume is acceptable, but keep in mind that original and Psychopathic-related costumes stand the best chance to win. Contestants will be brought out one at a time before the judges and crowd to walk across the stage. A live mic will be provided for those wishing to speak. Afterwards, everyone will be brought back out on stage, and the judges will an-

Sunday 1:30pm - 2pm

Aw, hell yeah! The winner of each day's contest will get to bring along a friend to spend a day at Psychopathic Records' offices with the full power of a Don! This means they will attend the daily meetings, make important decisions, meet some of the stars, go to lunch with the whole crew, post whatever they want on the Internet, record something in our studio, and basically run shit for the day. After the workday is done, they will spend the night, Psychopathic style, at the casinos and strip clubs with some of the crew. So how do you win? Come to this rowdy contest, where we will have a movie screen set up that will be showing various fights by highly entertaining combatants. If players guess the correct winner, they move on to the next round; but if they fail, they are eliminated. Once it gets down to the last few players left, they will throw Chinese stars at a target to determine the winner. The date that the Don for a Day trip will take place will be no longer than a month after the Gathering, and hotel room and food expenses will be provided.

## Autographs

For every autograph signing there will be picture flats or the equivalent available for you to get signed. You could also choose to use the autograph area located in this program instead. If lines are long, there will only be time for one item to be signed per person, because we want to keep things moving to allow as many Juggalos through as possible.

If you were to try to fill a book covering all the success that Sabu has accomplished in his wrestling career, it would be thousands of pages thick and weigh over 100 pounds - and Sabu would bring it into the ring to bash his opponents with. His style of wrestling is way beyond what you would consider humanly possible, and he performs acts of cruelty that could only label him as being highly disturbed. He has wrestled for ECW, WWF, WCW, and many years in Japan. His threshold for pain and bloodshed is considered inhuman and to many wrestling fans he is considered the greatest wrestler of all time. Don't miss this rare opportunity to meet him face-to-face.

Steiner Brothers, Nasty Boys, Ric Flair, Barbarian, Sandman and Shane Douglas for starters. She commentated for the WCW, and even won an arm wres-

## MAKE YOUR OWN CD

Hall C

Continuous all three days

That's right! You and your crew can come in and record (free of charge) your own song on a CD at this portable studio setup. Up to four ninjas at a time can lay one track, and you can either use popular instrumental beats and do it karaoke-style (where the words appear on a monitor as you sing or rap), or bring your own beat on a CD and just freestyle the flavor. There are over three thousand songs to choose from, including some Psychopathic ones (without monitor words, though) which are listed below:

ICP - Chicken Huntin' / Piggy Pie / Southwest Voodoo / Neden Game / Hokus Pokus / Bring It On / Play with Me / I Want My Shit / Assassins / Fuck the World / Let's Go All The Way / Cherry Pie / Questions / Tilt-a-Whirl / and What. Twiztid - First Day Out / Rock the Dead / Bury Me Alive / We Don't Die / Mutant X / and I'm Alright.

A photographer will also take your picture (or group picture) and superimpose it on our special Gathering of the Juggalos CD cover. Once finished, they

will give you up to four copies of the CD (depending on the size of your group) with your own personal recording on it.

## STAR STRUCK

Hall C

Continuous all three days

With this studio set up, you and/or your crew can make your own music video! Up to ten ninjas at a time can do a live performance in front of a video camera, which will be recorded on up to four VHS tapes (depending on the size of your group) for you to take home with you (for free). A blue screen allows you to choose from many backgrounds for the video such as a city, beach, famous video backgrounds, etc. There are also many costumes and props that you will be able to choose from to accessorize your video and give it the look and feel you want. There are over three thousand songs you can choose to do a video for including the Psychopathic songs listed under Make Your Own CD. You can perform any instrumental song with your own voice or just mimic the words to the real songs. A karaoke monitor will be set up to help you if you don't know the words by heart. You can also bring your own CD with a song (or rap) you want to use. Just keep in mind that you will have to know this song by heart, because the words won't show up on the monitor.

## THE FIGHTING ZONE

Hall A (Bungy Run) + Hall C  
(Bouncy Boxing and Jousting)

Continues all three days

These games of harmless aggression are the next best thing to pummeling someone's face for real. You and your friend can have it out, all-that-you-like, without the worries of permanent scaring or broken appendages. So have fun and hit as hard as you can, because believe me, when your friend steps into the ring and there's a

crowd watching your every move, it's gonna get brutal! The three games of annihilation are: **Bungy Run** - Strapped with a bungy harness, two competitors try to be the first to cross the finish line across an inflatable surface. The only problem is that, just as if you stretch a rubber band too far it snaps back, so will the players snap back once their strength runs out.

**Bouncy Boxing** - Two fighters face off in a giant inflatable ring wearing oversized boxing gloves. Sounds so cute... that is until you get blasted in the face with a giant leather-coated glove that weighs about ten pounds.

**Jousting** - Two opponents stand on circular platforms suspended above an inflatable floor. They then try to knock each other off by using large padded pugil sticks that look like giant Q-tips. You have to have balance to avoid falling, and enough aggression to introduce your opposition's face to the canvas.

## AUCTION

Hall B Stage

Saturday Only 4:30pm - 5:30pm

We have gathered all the rarest and some one-of-a-kind items that are among the most sought after by collectors everywhere to bring together this year's auction. All Juggalos in attendance will be able to bid on every item in an attempt to be the highest bidder. The starting bids always begin at extremely low prices, so that even a cheap-ass might be able to walk away with a steal. Once an item is successfully bid on, the bidder should immediately come up to claim their prize. They will then be able to compete in a dice game when the auction is finished, to see who among them will walk away with 25% of all the money made at the auction! Another 25% of the money is going to a down-and-out Juggalo who is in dire

need of help. The auction items will be on display all day Friday, and until 4 pm on Saturday in the Art Area. For a complete list of all the treasured items up for Auction this year, turn to page 30.

**FREE PLAY VIDEO GAMES**

yourself (no longer than 30 minutes) drop them off at the camera operator, who will try to show them Saturday, as that is Juggalo Independent Film Day. You're sure to witness some true gems of cinematic mastery if you spend even a little time peeping out this flavor. The exact movies and when they will be shown are listed on pg. 28.

**LASER TAG**  
Hall A  
Continuous all day long

Imagine a futuristic arena filled with obstacles, forts, crushers, and walls arranged in a maze-like fashion, where two teams of warriors possessing high-tech weapons battle each other to the death. Well it's real, and you can be a part of it! Two teams of 12 players will put their skills, tactics and ruthlessness to the test to see if they can be victorious in killing off all of their opponents. One moment you may be using stealth as you creep over and under obstacles to line up a shot, and the next minute you could be in a barrage of laser fire as you aimlessly pump shots downrange while diving for cover. This adrenaline pumping and addicting game has gained the attention of millions of people. If you have never played, do so, and you will see why. Players are eliminated by a direct hit to their vests, while partial hits score points for the opposing team.

**PSYCHOPATHIC  
FLYING SAUCER**  
Unknown

This strange large-ass flying apparatus will be seen periodically hovering over the heads of the Juggalos down below, waiting for a good opportunity to abduct someone. It is eight feet in diameter, and will have a web cam hooked underneath to send live pictures to the ninjas

back home that were unfortunate enough to miss out on all the flavor. Don't throw anything at it or it will spray you with an acidic green substance that will cause you to melt on the spot, and your liquidated form will be mopped up and dumped outside. This alien device only wants to be loved, as it loves all other life forms... especially lifeforms with salt.

**THE SIXTH JOKERS CARD**  
Carver Arena  
Sunday Only 10:45pm

The wind blows across the desolate lands, whispering his diabolical name like a distant ghostly memory. The words are barely heard; and yet it sets in one's heart like an ancient curse, as the mysteries of times forgotten are revealed. The wagon wheels turn slowly in the void, waiting for his presence to fall upon the Earth like a cold shudder in the dead heat of a vast desert. His hands play the music of a dead man's walk, and his eyes pierce the soul like a harpoon on soft flesh. The name and exact release date shall now be revealed during the ICP concert, and you shall see him in all his terror. The silence of the sixth is now broken as a new era begins, and the cosmic clock strikes midnight at high noon.

**FAYGO ARMAGEDDON**  
Carver Arena

WWF and WCW

See every match that ICP has ever had in the WCW, WWF, and ECW. Witness ICP take on the likes of Lenny, Lodi, Headbangers, Rey Mysterio, Eddie Guerrero, Sting, Disco Inferno, Kidman, Rob Van Dam, Sabu, Mike Awesome, and much more. See them teamed up with the Human Oddities, performing the song "The Greatest Show," as they all make their way to the ring. Almost all of these matches were

never put on any video for sale.

## ICP on Howard Stern

When: 5pm - 7pm

Every Howard Stern Show that ICP has ever been on has been recorded for you're viewing enjoyment. See them on many shows doing everything from trying to collect the money from a bet made with the witch, Sharon Osbourne, to talking about the Hollywood Records incident. Howard Stern has always shown ICP love and has brought them back to the show numerous times. Now is your chance to see them all back-to-back in some very revealing footage.

## Saturday - Juggalo Independent Film Day

### Juggalo Home Movies

When: 11am - 7pm

These short Juggalo home movies are wild to say the least, and feature everything from backyard wrestling matches to infomercials, done Juggalo-style. Some of these movies are downright hysterical, some action oriented, others sexy, but almost all paint the picture that Juggalos are indeed highly disturbed in nature. So make sure you peep out at least a small portion of this flavor, because it is made by Juggalos for Juggalos.

## Sunday - Psychopathic Film Day

Many of these homemade, no-budget movies were shot way back in the day, starring various Psychopathic employees, friends, and artists. These short and funny movies are a testament to Psychopathic's interest in filmmaking, which finally lead to the production of Big Money Hustlas. They are being shown here for the first time ever, and are a rare and hilarious glimpse into the personal achievements of some rather bizarre filmmakers. We are not guaranteeing that you will highly enjoy these movies, as much of the humor relies on inside jokes, but each film has moments that definitely shine. No pictures are allowed to be taken during the showing of any of these movies. Special Note: Not all the actors are listed in the movie descriptions, only the ones who Juggalos might be familiar with.

## A Man Called Frank

11am - 11:30am

Starring: Shaggy (Allen), Jelly Nuts (Inspector Gleason), Alex Abbiss (The Lung Droid), Stefan Kudek (Dog-face Killa) and N3 (Inspector Tudor)

When: 11am - 11:30am

In this police drama a secret agent known as Frank is trying to stop the evil Tom Perfecto from stealing the crown jewels of London. Frank encounters a slew of Tom's henchmen; but with the help of his trusty sidekick, Dog-face Killa, and his superior intellect, he reigns supreme. Who will win in the final showdown between Frank and Tom? The suspense can be more killing than Dog-face Killa's twin gats!

## Trials of Agony

11:30am - 12:45pm

Starring: Violent J (The Euro-American Kickboxer), Shaggy (Thug), Alex Abbiss (Ape Boy), Jelly Nuts (Fist), Tall Jess (Doug Dakota), and Jumpsteady (Scorpion)

When: 11:30am - 12:45pm

Arguably one of the best home movies Psychopathic has ever made. It is the story of an evil organization, run by Dr. Voilence, that bootlegs rap tapes and hosts an annual fighting tournament in Hong Kong, where the losers are crippled or killed. Two fighters from a previous tournament hire the legendary Fist to extract revenge for them against Dr. Voilence's most feared champion: The Monolith! Shot on location at Psychopathic's old office in Novi, Michigan, this movie has love scenes, car chases and fight sequences that might make John Woo laugh himself to tears, but are highly entertaining nonetheless.

## Let's Go Bargain: Azod

12:45pm - 1:30pm

Starring: Violent J (Bill Winkman), Shaggy (Harvey Davison), Alex Abbiss (Azod), and Chucky (Pizza Paul)

When: 12:45pm - 1:30pm

This super-funny infomercial is where the Azod character (as seen in Big Money Hustlas) originated from. Here is Azod, once again, trying to sell his juice machine along with a bunch of other worthless oddities to an audience of mindless stupid-asses who cant get enough of his fast-talking, con man

ways. This one is well worth your time.

## The Warlock and the Toilet

1:30pm - 2:30pm

Starring: Shaggy (The Dad), Alex Abbiss (Wargon), Jelly Nuts (Jason), N3 (Dungeon Master), and Tall Jess (The Drednog)

When: 1:30pm - 2:30pm

This fantasy adventure movie is about a group of roleplayers who get sucked into another world that is surprisingly just like the fantasy game they were playing. This group of friends then bands together to survive the attacks of the evil wizard, Wargon, who summons demons to put an end to their lives. Of special interest is the fact that the first half of this movie was filmed seven years before the second half was finally completed. You should easily notice the change up when it happens.

## Tiger Justice

2:30pm - 3pm

Starring: Alex Abbiss (The Boss), Jelly Nuts (Spider), and Jumpsteady (Mick)

When: 2:30pm - 3pm

A drug kingpin, who goes by the name of The Boss, has a criminal lockdown over the city until a young girl accidentally winds up with a shipment of his cocaine. A group of his thugs are about to beat her up when Tony, a martial arts master, shows up to save the day. It all goes to Hell after the Boss's henchmen are sent in to kidnap the girl, sending Tony deep into the dragon's lair to save her. This movie was shot at Psychopathic's first office in Oak Park, and has a surprisingly entertaining performance by Jelly Nuts as Spider, a crazed knife-wielding henchman of the Boss.

## The Evil Awakening

## The Evil Awakening II

3:30pm - 4:15pm

Staring: Alex Abbiss (Nomad Nomar), Jelly Nuts (Commander Chucky), N3 (Professor Churchill), and Jumpsteady (Alleyway Thug).

When: 3:30pm - 4:15pm

The epic saga continues as Professor Churchill and Commander Chucky, possessed by King Ultralasha, start on a quest to take his skull back to Africa, where his power will be increased a million times. However, all is not lost, as the Professor meets with some unlikely allies to break the spell and help battle the forces of darkness. The end climatic battle is legendary, as King Ultralasha takes on Nomad Nomar in a sword to head butt battle. Of special interest is in one scene where two real cop cars come speeding around the corner of an alleyway, because someone phoned the police, thinking the fight scene being filmed there was real.

Shot on location at Psychopathic's current office, this documentary follows the life and practices of the destructive Big Silva. He is over 150lbs of pure duct tape, and has been on many tours with ICP, destroying everything from chairs to cars. Everyone at Psychopathic has love for Big Silva; and now you can hear his story. Plenty of interviews as well as footage of him at work and in the studio laying tracks. Also see Big Silva in action as he destroys radios, computers, cases of Faygo and much more!

## Dark Trail

5pm - 6pm

Staring: Alex Abbiss (General Jake Blake), Jelly Nuts (John Torque), N3 (Wilt), Tall Jess (Xioptist), and Jumpsteady (Canadian-American Flagbearer)

When: 5pm - 6pm

The FBI gets its hands on an advanced copy of the book, The Satan Hunter, containing information about an evil cult, and they fear that this knowl-

edge will cause panic in the country. An FBI agent (John Torque) is sent in to secretly infiltrate the cult and learn as much as he can. What he finds is more evil than he could ever have imagined. When the cult opens a portal to another dimension to bring in a terrible and ancient evil, John has a terrible choice to make. This is the most recently shot, and possibly best homemade movie that Psychopathic has ever filmed.

## Auction Items

Once again, the auction of rare Psychopathic items is on, and this year we have a collection and a few surprises that are guaranteed to flip some wigs. All of these items were taken from Psychopathic Records' archives, or personally donated by various artists and employees. The auction will be held on stage, and to bid for an item you merely have to raise your hand. The bidding will keep going higher and higher until only one hand is still raised, and that person wins the item. Those who win should immediately come forward to the cashier located by the stage to pay for the item (cash only). The winners of bids will then wait until the auction is finished, when they will then play a dice game to see who among them will win 25% of all the money made at the Auction. 25% of the money will also go to a Juggalo in need. The bids always start at a low amount, so there is the potential to walk away with an item for a good price.

Items will be auctioned off in the order they appear below.

**Item #1 - Prototype Psychopathic Watch**  
Starting Bid - \$5  
Rating - Unique

This cheap gold-colored watch was manufactured as a prototype when Psychopathic was look-

ing to make some lower-cost items for their web store. It would have sold for \$20 if it had been made, but it was deemed below standards. It features the Hatchetman on the face plate, imitation leather band, and of all things, a peace sign as the hour hand.

**Item #2 - Prototype Great Milenko Jersey**  
Starting Bid - \$20  
Rating - Unique

This strange-looking hockey jersey is definitely one-of-a-kind, and will probably never in a million years be reproduced in any fashion. The winner of this bid will be the center of attention, as everyone will probably want to know where the Hell you got it. It is a long sleeve blue and yellow Great Milenko hockey jersey that is made out of a mesh material and has a hood for some reason. There are also yellow Hatchetmen on the sleeves, and a yellow '4' on the back, with the words 'Great Milenko.'

**Item #3 - Rejected Toy Diagrams**  
Starting Bid - \$5  
Rating - Unique

These rather funny renditions of toy ideas were drawn up by a toy company, but for obvious reasons were never used. It probably cost this toy company thousands of dollars just to design and draw these simple ideas. There are six color illustrations in all, and they are testaments of some of the more silly decisions that Psychopathic has to make from time to time.

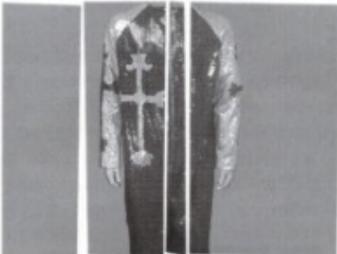

**Item #4 - Many Faces Sign**  
**Starting Bid - \$5**  
**Rating - Unique**

This slightly worn sign was made way back in the day, and has been stored in the Psychopathic warehouse ever since. It has been featured both in the Piggy Pie video and ICP's Shockumentary. It was made to hang above the cage of a popular stage character, called Many Faces, who used to be a part of ICP's shows. He had two faces that were stacked one on top of the other; and he loved to chill and smoke cigarettes.

**Item #5 - Halls of Illusions Vinyl**  
**Starting Bid - \$5**  
**Rating - Very Rare**

This 45-speed record features the Halls of Illusions single off of the Great Milenko album. It was only released in Europe, and is a treasured collector's item. Not many of these were ever made, and very few still exist today. This was part of a promotional tool that Island Records was using to push ICP in Europe.

**Item #6 - Dark Lotus Clown Suit**  
**Starting Bid - \$20**  
**Rating - Unique**

This handmade suit was created

for the ICP stage show during the Hatchet Rising Tour. Barely used, it is in very good shape and constructed with high quality. The Dark Lotus crosses denote the beginning of the era it represents, and will bring the dark magic wherever its wearer goes.

**Item #7 - Kill Clown Suit**  
**Starting Bid - \$20**  
**Rating - Unique**

This is also a handmade suit created for ICP's stage show during the Hatchet Rising Tour. Only used once or twice, it is

in near-mint condition, and is a high quality item. Its unique "Kill Kill" pattern is very eye-catching, and is sure to make you the center of concern at any social event.

**Item #8 - Twiztid Prototype Merch**  
**Starting Bid - \$20**  
**Rating - Unique**

These three items are the bomb diggity, y'all! They were made in the hopes to be mass-produced, but for some reason never came to be. Of really special interest is the third item, which has a totally original patch, featuring a cartoon rendition of Twiztid with thick

black beards and mustaches with an axe in the background... What!?! 1) Freekshow Black Football Jersey - Size: XXXXL. Front: Black Freekshow patch. Back: White 'Juggalo' and '13.' Sleeves: White Hatchetmen. 2) Twiztid Black Dazzle Jersey - Size: XXXL. Front: Black 'Twiztid.' Back and Sleeves: Nothing. 3) Black Twiztid

Hockey Jersey - Size: XXXL. Front: Unique Twiztid cartoon face patch that is fresh as hell. Back: Orange 'Freekshow' and '2.' Sleeves: Yellow Hatchetmen.

**Item #9 - ICP Picture Disc**  
**Starting Bid - \$5**  
**Rating - Very Rare**

This is a 45-speed record features a picture of ICP during the Great Milenko era. It was only released in Europe, and makes an awesome addition to anyone's collection of rare ICP items. There's no telling how many of these picture discs still remain from their initial pressing, and they were primarily used as a way to promote interest in the band overseas.

**Item #10 - Mystery Box**  
**Starting Bid - \$1**  
**Rating - Rare**

What's in this box, anyway? We can't say what it is right now, because it is a secret that must be kept until the time is right. All we can tell you is that it's not wack. The contents will be revealed to all once the highest bidder has paid for it in cash, and then the MC will open it for everyone to see. Surprise, surprise, byaatcchhh!

**Item #11 - Stage Set Diagrams**  
**Starting Bid - \$5**  
**Rating - Unique**

These diagrams were made for the stage set proposals for both the Wicked Clowns from Outer Space Tour and the Hatchet Rising Tour! They are a detailed look of the first step involved

# GATHERING JUGGALOS AUCTION ITEMS

from a professional stage building company. There are nine blueprints denoting the measurements of all the key stage props and artwork showing how they should look. As many may well know, all of these diagrams were approved by the artists and have since been made.

**Item #12 - Dark Lotus Prototype Merch**  
Starting Bid - \$20  
Rating - Unique

These items are mad fresh, and almost made it into full production, but for whatever reasons would never be. Two of these jerseys are very similar to their counterparts that were manufactured; but their colors are reversed. The first item was actually made in small numbers so that all the artists on the Hatchet Rising Tour could wear it during the Dark Lotus set. The third item is one of the best items up for action, because of its special Dark Lotus pumpkin logo. It was suppose to be manufactured for the 2001 Hallowicked show, but for some reason never came to be. 1) Dark Lotus Black Football Jersey - Size: XXL. Front: Sliver and red Dark Lotus patch. Back: Nothing. Sleeves: Sliver Hatchetmen. 2) Dark Lotus Black, Silver, and Red Hockey Jersey - Size: XXL. Front: Silver and red Dark Lotus patch. Back: Black '01.' Sleeves: Silver Hatchetmen. 3) Halloween Black Dark Lotus Hoodie - Size: XXL. Front: Unique Dark Lotus pumpkin patch. Back: Sliver Hatchetman. Sleeves: Nothing.

Starting Bid - \$1  
Rating - Uncommon

This young hottie is without a doubt bangin'. She is all woman and all yours on Sunday from 11am till 6pm, if you can bid the highest. There's no intimacy involved (or other acts that may go against her morals), but she will be your personal escort and your slave,

performing whatever tasks you want to lay out for her. Do you want her to get your drinks, massage your back, comb your hair, and listen to all your orders? Well, here is your chance to be in control and experience all the benefits and then some.

**Item#14 - Debonair Male Slave**  
Starting Bid - \$1  
Rating - Uncommon

This strapping young stud is here to please anyone who can bid the highest for his services. Whatever you want him to do will become reality on Sunday, 11am till 6pm, as long as it doesn't violate his own personal moral codes. Pimp him to do everything from holding your bags to holding your place in line - the limits are almost up to your imagination. Who knows? You may even wind up with a friend for life or even a soul mate!

**Item#15 - 2 Hallowicked Box Sets**  
Starting Bid - \$20  
Rating - Very Rare

Only 2000 of these special box sets were made for ICP's annual 2000 Hallowicked Shows. Several of these boxes were never claimed by Juggalos, because it got totally out of hand near the end. We present two of these boxes to be auctioned together. They are in mint condition, and each one contains special Bizaar/Bizzar CDs that have totally different inserts than the ones you can purchase in stores, as well as Twiztid's Freekshow CD, 2000 Hallowicked T-shirt, promotional flat and sticker, and a certificate of authenticity.

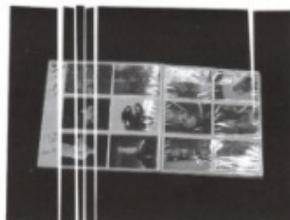

**Item #16 - Psychopathic Prototype Merch**  
Starting Bid - \$20  
Rating - Unique

These five items were made to see if they were worthy for production, but for whatever reason they were turned down. Here stands five clothing items that are high quality and unique unto themselves. To some they are even more devastating than merchandise currently in full run production. 1) Psychopathic Black Hoodie - Size: XL. Front: White Hatchetman. Back: Psychopathic Wear patch. Sleeves: 'PSYCHO' on one sleeve and 'PATHIC' on the other. 2) Psychopathic Long Sleeve Pullover with Hood - Size: XXL. Front: Red glossy Hatchetman. Back: Red giant glossy '01.' Sleeves: Hatchetman and white Psychopathic Wear patch. Hood: Special Hatchetman. 3) Psychopathic Short Sleeve White Baseball Jersey - Size: XXL. Front: Red Hatchetman. Back: Red Hatchetman. Sleeves: Nothing. 4) Psychopathic Red and Black Long Sleeve Jersey with Hood - Size: XXL. Front: Red and black double Hatchetmen. Back: Nothing. Sleeves: Hatchetmen. Hood: Special Hatchetman. 5) Psychopathic Red Windbreaker - Size: L. Front: Black Hatchetman. Back and Sleeves: Nothing.

**Item #17 - Ultimate Psychopathic Photo Album**  
Starting Bid - \$20  
Rating - Unique

This is the biggest collection of one-of-a-kind photos that we have ever assembled for the auction. Over one hundred irreplaceable photos of ICP, Twiztid, and all the behind-the-scenes flavor of Psycho-

pathic on and off tour. These photos go all the way back to the beginning of ICP, and are a true treasure to behold. This will probably be the last time that we auction photos because they are very hard to part with. The photo album is also autographed by every artist on Psychopathic, and every employee as well!

**Item #18 - Framed Psychopathic Jersey**  
**Starting Bid - \$50**  
**Rating - Unique**

Taken right from the walls of the Psychopathic Records office is this football jersey, expertly mounted in a very expensive and nice frame. On top of that flavor, it is also autographed by ICP, Twiztid, Blaze, Anybody Killa, and Syn! It is rather large, standing over 3½ feet tall and 2½ feet wide; and would make a devastating conversation piece hanging in anyone's house. This is one of the hyppest pieces available at the auction this year.

**Item #19 - Web Banner and Web Page on [insaneclownposse.com](http://insaneclownposse.com)**  
**Starting Bid - \$50**  
**Rating - Never done before**

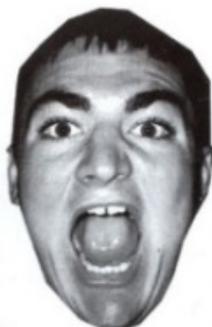

What we are offering to the winner of this bid is the right to post a news article on [insaneclownposse.com](http://insaneclownposse.com) about anything you desire. Also, even more hype than that, you will have a web banner prominently displayed on [insaneclownposse.com](http://insaneclownposse.com), and linked to your personal page for an entire week. This banner and page will be expertly designed by our own Netmaster Gordon to your exact specifications, using any pictures, MP3 files (3 max.) or text you want. We have never allowed outside advertisement on our web site, ever, and with 20,000 hits a day, we have estimated this benefit to be worth well over \$10,000 dollars. It is the perfect opportunity to get the word out about a starting band, promote a web site, or for someone to say some-

thing important that they want to get out to all the Juggalos.

**Item #20 - Dark Lotus Mic Stand**  
**Starting Bid - \$1**  
**Rating - Unique**

Violent J's one-and-only professionally constructed mic stand that he used for the Hatchet Rising Tour! This item is radiating the karma gathered from a whole tour of concerts across the nation. If it could tell stories, it would speak volumes, and is an item that is unquestionably the best available at the Auction this year. This mic stand is heavy, as it is made out of iron and steel, and is slightly worn from the abuse of road travel.

## Nightlife

When the deep night falls on Peoria, that's when some ninjas are just starting to get live. There's plenty of things to do late at night in the city to keep you entertained. You only need to know where to go, and that's why we have included this section in the program. If you have never been to Peoria before the Gathering, then you should definitely check it out if you get the chance. All the places detailed below are open till 2am or later, and you should find the map located to the right very helpful in finding their exact locations.

### #1) Hoops Pub & Pizza - 515 North Main Street, Peoria, IL (309) 637-0525

This small bar and restaurant, open till 4am, is within walking distance of the Civic Center, and will probably become the main spot for late-night food runs. The food here is very good (especially the pizza) and this place is decked out in sports memorabilia.

### #2) Big Al's Speakeasy (21+) - 519 Main Street, Peoria, IL (309) 673-9893

This strip club, located in walking distance from the Civic Center, is mad off the hook with crazy hot women willing to show interest in anyone with a cash flow. Here the beer flows, girls dance naked and the music is bumping. For many, this is what classifies as true paradise. So come with your friends and get as live as you want, or hide in a corner by yourself and get your peep on like a ninja.

### #3) Steak 'n Shake - 521 Main Street, Peoria, IL (309) 673-6676

Open 24 hours a day; and featuring some very tasty steak burgers and milk shakes. At night, this restaurant basically turns into a hangout for ninjas and ninjettes who aren't old enough to get into the clubs yet.

### #4) Gilligan's Tropical Hideaway (21+) - 533 Main Street, Peoria, IL (309) 673- 5678

The DJ plays everything from techno, to pop rock, to rap to keep the crowd hype. This dance club is a perfect place to hide away, and get your dance on all night long.

### #5) Club Cabaret (21+) - 1047 N. Main Street, Creve Coeur, IL (309) 699-2053

This strip club is for the Big Ballas, because it has everything from a caviar bar to a Las Vegas-style billiard parlor. The women are very stacked and beautiful, as there's plenty of green floating around from the satisfied patrons who frequent the establishment to keep them happy. Want to chill and sip bourbon while you eat a steak and look at ultra-fine naked women? Here's your spot!

### #6) Roxy's (21+) - 330 SW Water Street, Peoria, IL (309) 676-7699

This bar that serves food is an OK place to hang out but it has a strange custom of endorsing cigar smoking. People normally hang out here because they have an addiction to alcohol and/or cigars. They also have games to pass the time, and it can get kind of packed on the weekends with a half-drunken crowd looking for the faint chance of finding someone for a romantic interlude.

### #7) The Equator (21+) - 1412 SW Jefferson Ave., Peoria, IL (309) 676-0421

This dance club features arcade games, pool and darts. They claim to be the hottest dance club in town. It's up to you to find out if this is true or not.

### #8) Par-A-Dice Casino (21+) - 7 Black Jack Blvd., East Peoria, IL (800) 727-23423

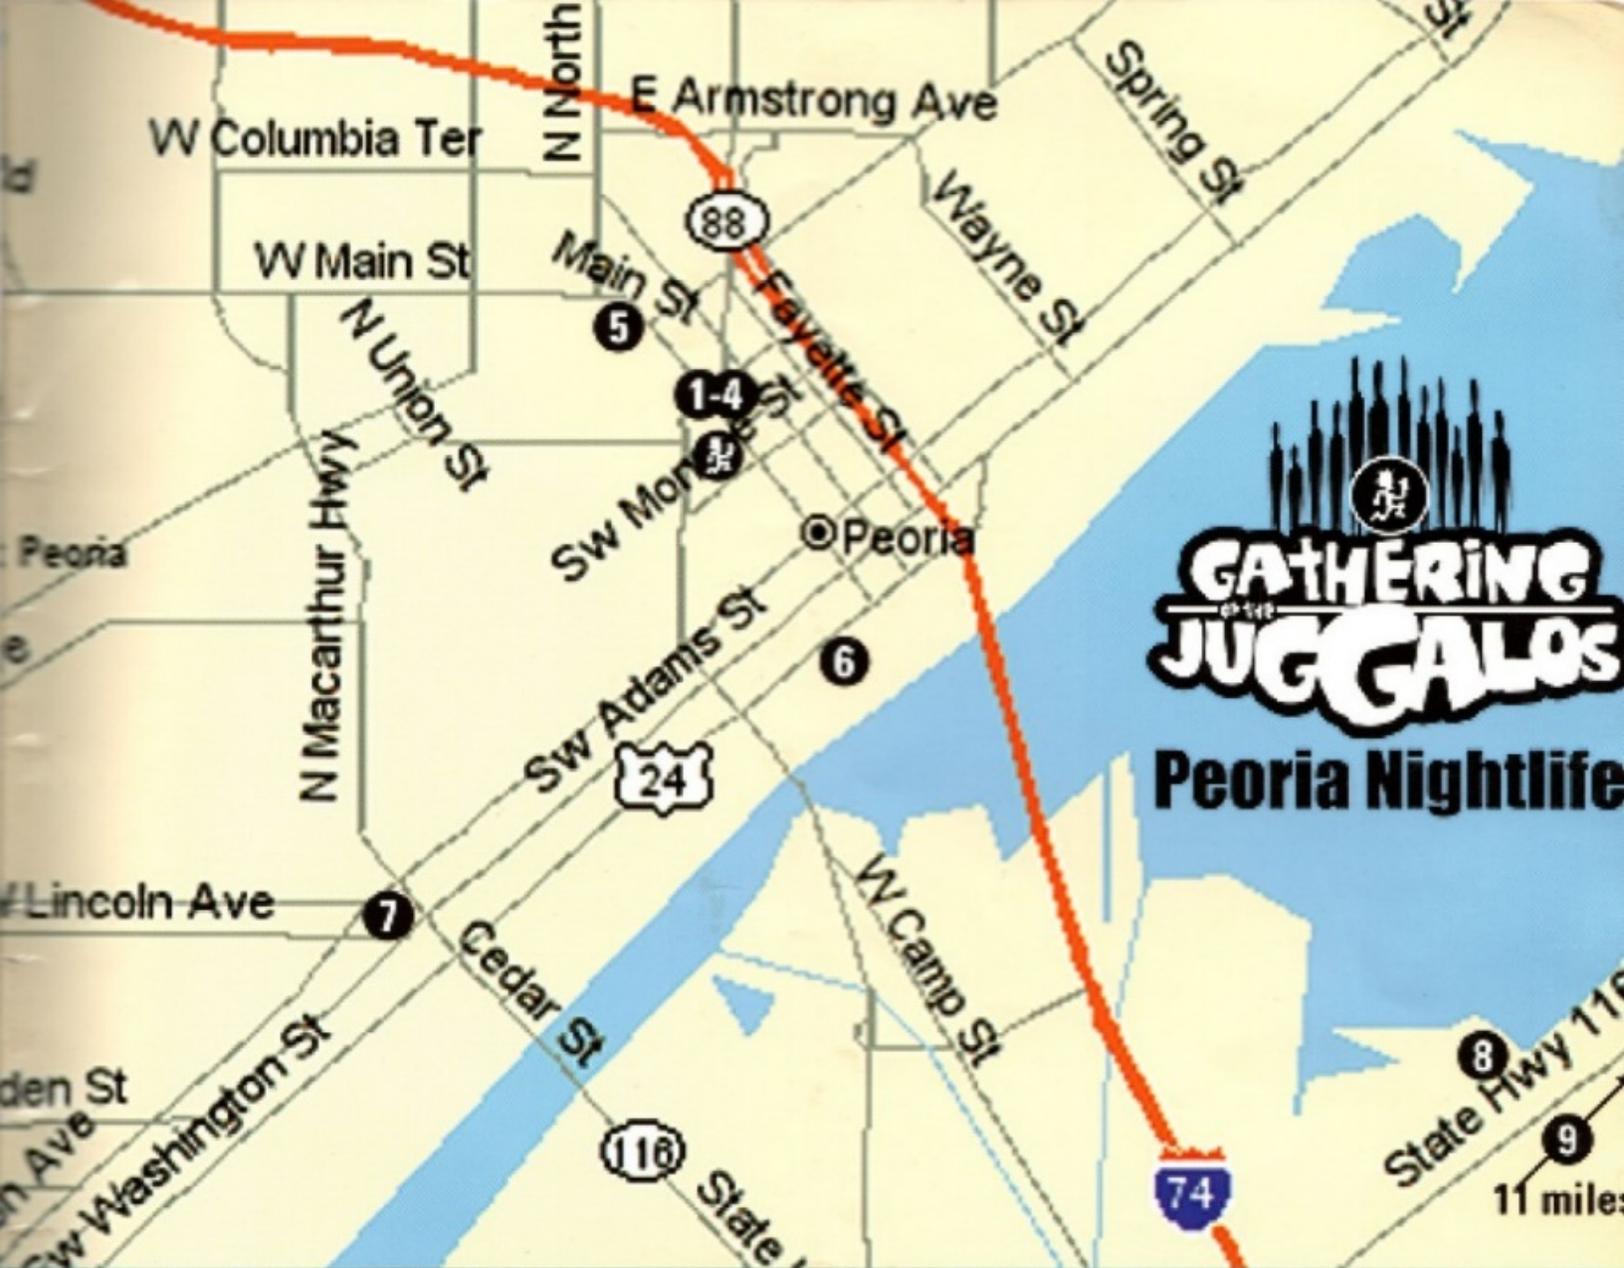

This 24-hour pushed-out casino, complete with craps tables, is a gambling fanatic's wet dream... literally, that is, because it's on a giant boat floating in a river. You even have to walk across a gangplank to get aboard. The reason it's on a boat is because gambling is illegal in Illinois, but since it's on the water, it somehow bypasses the law and is legal. If you meet the age requirement, this place is the bomb.

### #9) Wal-Mart - 401 River Road, East Peoria, IL (309) 694-3715

Open 24 hours a day, this all-purpose shopping center, complete with a full grocery store, should have anything that you're looking for. So stop by and get that Chia Pet you so desperately want for those late night emergency needs.

### #10) Chicago / Springfield / Davenport

Sure these cities may be as far as a hour and a half away; but they are packed with mad flavor happening all through the night. Chicago is the most impressive of the three (and also the furthest), as it is a huge bustling city full of action and excitement all night long. If you have never been to any of these cities, it may be just worth your while to check them out. If you plan on going, then the best thing to do would be to hook up with some Juggalo friends that know the city well so they can show you around.
