Some things you just know in your heart. Like the first time you hear a song about the Dark Carnival, and you just get it. Like the first time you hear the word "Juggalo" and you know it means you. Like the first time we walk into Hatchet Landings, surrounded by thousands of people all there for the same reason, all connected by the same energy, and all there as much for each other as for the show. It's the place, the people, the waves of flavor pouring forth. You just feel it, and you just know it. Then the show starts, and everything you know goes to a whole new level...

THE 9TH ANNUAL

GATHERING OF THE JUGGALOS

AUGUST 7TH TO 10TH, 2008
CAVE IN ROCK, ILLINOIS

August 7th to 10th, 2008 • Cave In Rock, Illinois

RULES & GENERAL INFO

Parking Lot

The outdoor Parking Lot is free for all Gathering attendees. It is located inside Hatchet Landings. There is plenty of room for everyone, and attendants are there to make sure everyone and everything is safe. You must have a Gathering amulet AND wristband to use or enter the Parking Lot; those without an amulet and wristband will be escorted off the premises. If you do not have a Car, RV, or Baller pass stuck to your car, expect to park in the Parking Lot. If you decide you want to move your car by your tent, then you can purchase a Car / Trailer / RV Camping Pass at the Info Tent. **NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCES.** It is heavily guarded 24 hours a day, and a locked car is a much safer place to store your goods than a tent. Health and safety regulations forbid any sort of camping, partying, or excessive lingering or loitering in the Parking Lot. When you're in the Parking Lot, you need to be on your way to or from your car.

Amulets and Wristbands

Your Gathering wristband and amulet are also your ticket into the Gathering of the Juggalos. No one will be allowed to enter, or remain in, Hatchet Landings without BOTH their amulet AND wristband (if you are picking up tickets at Will Call, you may enter **ONLY TO GO DIRECTLY TO WILL CALL AT THE INFO**

TENT). Our comfortable, high-tech wristbands are tear-proof, water-proof, Faygo-proof, non-transferable, and incorporate the latest anti-counterfeiting technology. Likewise, the amulets are made of industrial age metals, featuring a phat design that makes everyone without one envious. Your amulet and wristband **MUST** be visible on your person at all times, so "I got drunk and swallowed it" is not an acceptable excuse.

Important Rules

The rules for 2008 are pretty much the same as every year, and as anyone who comes to the Gathering can attest, they do not affect the level of devastation it can achieve. They are simply to ensure that everyone has a good time and stays safe and legal. We ask that you respect Hatchet Landings by obeying all the rules described below, and to do your part to help make sure others are as well. Also, we ask that you help keep the campground clean by using trashcans.

1. The speed limit while in Hatchet Landings and the Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in Hatchet Landings it may not be driven around or inside Hatchet Landings, nor may it leave and return. This extremely important rule is necessary to maintain safety and will be strictly enforced. The only exception is for emergencies—for which you must have permission from the Information Tent.
2. No cutting of trees, dead or alive, or damaging plant growth (\$500 fine).
3. Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to the Gathering of the Juggalos.
4. Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.
5. Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11pm.
6. Children must be supervised by adults at all times.
7. Don't litter. This is especially true for camping areas. Your area should look like it did before you set up.
8. Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from the Gathering. Bring any problems, disputes, or conflicts to the Information Tent.

9. Do NOT record the performances on the Main or Wrestling Stages, or any Autograph signings or Seminars. You're welcome to bring video cameras or other recording devices into the Gathering, but keep them tucked away while at the shows. Only disposable cameras will be allowed at Main Stage concerts, Wrestling, Autograph signings, or Seminars. Anyone caught filming or using a non-disposable camera at one of these events will have their recorder confiscated (you'll get it back if you're nice, but otherwise, we're keeping it).

Information Tent

Psychopathic selects only the most knowledgeable ninjas to serve at the Information Tent, and it's open 24 hours. This is the central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries - but if you want to know where your dirty drawers went, it's best not to ask! The Info Tent is also the place to get another Gathering Booklet or map or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. The Info Tent will get it done!

Camping

For the majority of people at the Gathering, camping on site is the only way to experience the event. Tent camping is free for all in attendance. All cars in the camping area must have passes (see next page). Every tent or vehicle with a pass must be located at least 15 feet (or an average car

length) from any other tent, car, campfire, structure, or tree in any direction. There's no restriction on the amount of camping gear you can bring, so as long as it is respectful of your neighbors, and they have no complaints, you can make you camp as you see fit. We reserve the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. All camp spaces are first-come, first served.

Cars on the Campground

You may only bring cars into the camping areas if they have a Car, RV/Trailer, or Big Baller Camping Pass. These passes are stickers which must be visible on the car. Any cars entering the camping areas without camping passes will not be allowed back to the Gathering. Once inside the camping area, you are prohibited from taking this car in and out of the park, leaving only for emergencies authorized by the Info Tent. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you park it, it's there to stay.

Car Passes

Any vehicle from a motorcycle up through a full-size van will require the car pass to get into the camping areas, and you will absolutely need a car pass if you intend to park a car at your tent, whether you're just parking it there or sleeping in it (which IS allowed -- just be safe and keep the windows rolled part-way down). A Car Pass costs \$50 in addition to the cost of your ticket, and are sold at the Info Tent if you decide you need one but didn't get it in advance.

RV/Trailer Passes

If you intend to bring an RV, trailer, camper, anything towed, or any vehicle bigger than a full-size van, into a camping area, you will need the RV/Trailer pass. The RV/Trailer pass costs \$75. All rules that apply to Car Camping also apply to RV/Trailer Camping.

Big Baller Campsite Passes

This pass gets you a site for whatever size vehicle you want (though no 18 wheelers or battle tanks!), plus it gets you shared access to nearby water faucets, and full access to individual electric outlets! We provide the outlets and faucets, and you will not be charged for usage. The Big Baller Campsite Pass will cost \$350. Electricity can only be used by the person (or party) that purchases the

pass, and cannot be shared with other sites. We reserve the right to restrict any unsafe electrical hookups, overloaded circuits, or dangerous, overlapping power cords. As a rule, 6 to 10 major electrical devices can be used at a time. With the water faucets, please turn them off when not in use, and share them with people who need to get some water. It is 100% safe to drink and cook with.

Set-up / Tear-down

Keep in mind that no one may enter the park to set up their campsites sooner than Thursday the 7th at 10 AM, and we ask that you do not show up earlier than this under any circumstance. On Monday the 11th, you should be clearing out from 10 AM - Noon, as this is the official tear-down day. Everyone will need to be cleared out of Hatchet Landings and the Parking Lot by Noon.

Campfires and Fire Wood

Fire wood will be sold from trucks and a 4-wheeler driving around the park. We encourage Juggalos to stock up early, cuz it's a big park, and it may take these trucks a while to get around. Mind the rules about campfires: they must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads.

Food Court

Be sure that growl you hear deep in the woods isn't your stomach! After a long day exploring the mad amounts

of flavor the Gathering has in store, every Juggalo's gonna need to stop and get their snack on. The concession area is the place to go for a meal, for the munchies,

or just for a Faygo. We promise a plethora of dining sensations, the finest food a carnival has to offer! You won't even have to hunt chickens....unless you want to (no harming the wildlife, for real). All the classic concessions are in-effect, including: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears imported directly from the elephant exhibit at the Detroit Zoo! You can eat your food in the shade at a picnic table in the dining area, or carry it with you to the next event!

Convenience Store

Out in the middle of Hatchet Landings, with no K-Mart or 7-11 in sight, you're gonna need someplace to buy stuff. The Convenience Store will have everything a growing Juggalo could need, short of love slaves or bondage gear. (Who knows, with Psychopathic ninjas in the house, you might even be able to score some of that on the down-low!) The store will have disposable cameras, batteries, flashlights, hygiene items, condoms, and a whole bunch more! If we don't got it, you don't need it!

ATMs

We strongly recommend that Juggalos bring enough money to suit their needs, and keep it on hand, in a safe place. However, we will be providing ATM machines for your convenience. They can be found in the main areas of the Gathering; for directions hit up the Info Tent. Users are responsible for all transactions at the ATMs. No refunds will be offered.

Showers

It's not quite a Tempestual downpour, but the showers are a comfortable, sanitary way to wash that sticky Faygo out of your hair, or the dirt out of your crevices. Separate male and female hot showers will be available 16 hours per day. There's room for dressing, but there will be a

five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries, including towels, as none will be provided.

EMT / Ambulance

To ensure the health and safety of every Juggalo, we have provided an EMT tent complete with paramedics and a 24-hour on-site ambulance. The EMT tent can be found on the map. They are available for any serious injuries or medical emergencies that may occur, and we ask that Juggalos only go to them with serious problems. However, don't be afraid to get checked out if you're not feeling right, cause sunstroke and allergic reactions can be a bitch!

Watch the Heat!

For those of you not accustomed to chillin' outdoors, the sun and heat can be a 350-lbs merciless ball-breaking bitch. When your body gets hot, most of that heat pours out of your head, so when the sun bakes your noggin as well, there's no place for the heat to go and you get cooked! It may seem counter-intuitive, but wearing a hat actually keeps your body cooler by blocking sun from heating up your head, letting you stay cool. The other major way your body gets rid of heat is by sweating. That sweat comes from the liquids you drink, so when out in the sun and heat, keep drinking water! If you're crazy-hot and stop sweating, that's the first sign of heat stroke, so get into some shade and get some water in you fast! The heat is no joke, but with some minor care, it can also be no problem.

Security

We've got security personnel scattered throughout the park on patrol to make sure you and your camping area stay safe and secure. They're not there to restrict you in any way, just make sure that you and everyone else are safe and secure. If you're having trouble of any sort, please feel free to stop or call to the nearest security person and ask for help. That's what they are there for!

Comin outta **Cleveland's** underground, they have worked with many underground artists such as **Tech N9ne** and **Potluck**. On the album tip, they feature **Bizzy Bone** and **Mushroomhead**. The group has developed one of the most insane live performances that you could hope to see.

a new style of heavy metal beats and rap attitude they have dubbed **WARCORE**. See the RIA at the GOTJ and be prepared to have your brain assassinated.

6-6:30PM Second Stage: Powerglove

This Video Game Speed Metal outfit is the freshest, nerdiest band ever. Their insane live show uses suits of armor, animal pelts, silly string, puppets, foam bats and swords, go go dancers, and buckets of candy to set the mood while the band windmills through thrashing, shredded metal renditions of *Super Mario*, *Sonic the Hedgehog*, and *Final Fantasy*. Catch them and you'll see why video games and speed metal were meant to be together.

7-7:30PM Main Stage: King Gordy

The King of Detroit's freestyle scene was featured in the hit movie *8-Mile*, and has music videos featured prominently on *mtv.com*, but Juggalos probably know him from his work, with every damn name in Underground hip-hop. Know for his fluid flows, his insane image, and his gracious girth, King Gordy gives a performance you won't soon forget!

7:45-8:15PM Main Stage: Afroman

This ninja is all about good times, and a sure fit for the Gathering. He started rappin in high school, but homie earned his cred in the streets of South Central. He hustled for real, until "Because I Got High" hit the top 10 in over 12 countries! He cites two of his influences as Too Short and 2 Live Crew, who both influenced ICP, and also freaked it at past Gatherings! We know Afroman will soon take his place as a legendary Gathering vet!

8:35-9:20PM Main Stage: ABK

But that's who he is, never holding back, always looking for the ultimate musical experience. He sure likes to party, and this is the biggest party of the year! Andrew W.K. tore it up with ICP in *Backyard Wrestling 2*, and now he'll be tearing it up with all the Juggalos at Hatchet Landings!

11PM-12Mid Main Stage: Dark Lotus

The sky turns black, covered by hideous mists and coal colored clouds. The only beacon of hope is the moon, now burning bright blood red in the shape of a Lotus flower. As the petals of the Lotus close on stage, the world twists and turns to their bidding. The black rain falls and demonic chanting encompasses everything in its path. Take a glimpse of what is to come, and try to survive the experience. If you make it through, you may find yourself standing among the

Gathering of the Juggalos

(our lawyers won't let us say any more). These guys are gathering vets who know how to freak a party, and you know you'll get a show you can't tell your mama about!

8:35-9:20PM Main Stage:

Blaze

Get ready to get BLAZED DEAD, HOMIE!! That's right, Colton Grundy himself is preparing to hit you with a firing squad of beats and rhymes at this year's Gathering! Joined up with **The Opaque Brotherhood**? Then you know this show's gonna be a showdown. Hatchets up!

let loose from the asylum, rampaging through this once calm camp. Bodies burning and severed heads being used like beach balls begin the chaos that will soon unfold. Prepare to get your wig split so far down your neck you'll be able to keep one side of your face steady staring at Monoxide and the other half on Madrox, because the terrible two-some is coming to blow whatever's left of your minds.

2-2:15AM Second Stage: **Mastamindz**

These wicked shit musicians are Mastamindz of the stage, earning veteran status after 8 years of murdering crowds and tearing down clubs throughout New England. Having shared the stage with many vets in the game from **Tech N9ne**, **Kingspade**, **Blaze**, and **Boondox**, to **Rehab** and more. Mastamindz comes back to leave a staple in the history of Hatchet Landings.

* 9:40-10:40PM Main Stage: **Ice-T**

If you've ever heard a gangsta rap track, you've heard his influence. If you turn on the TV, or rent a DVD, his face will be up in yours. He's been an **Original Gangsta**, a real-life pimp, and he's been on TV: daytime, nighttime, and Showtime, plus both VH1 and MTV. He got banned from record stores for singing "Cop Killer," then plays a cop on **Law and Order**. Hell, even your momma knows who Ice-T is (tho we're bettin you don't wanna know about that). He's worked with **ICP** before, and now the Juggalos get to see this true originator put it down in the home of wicked music, The Gathering.

2:30-2:45AM Second Stage: **Ill E. Gal**

She's been ripping the mic apart for over five years representing for the ladies, stoners and juggalos alike! Having worked with many legendary wicked shit artists such as **Brotha Lynch Hung**, **Ganxsta NIP**, **Twiztid**, **Tech N9ne**, and **NATAS**, it is no surprise that he has been invited to share his sickness with the Fam.

11PM-12Mid Main Stage:

3:35-3:55AM Second Stage: **Q Strange**

The name Q Strange has been synonymous with the wicked underground for many years. Q is known for his extreme high energy, gore soaked live performances.

Juggalos may know him from his appearances with the Psychopathic Records family during the Tombstone Terror Tour in '06 and the Opaque Brotherhood Tour performance. Prepare to be Q-rrupted by a major force in the underground at this years Gathering!

4:10-4:40AM Second Stage: **Wolfpac**

Nothing goes together quite like murder and strippers. Except maybe Wolfpac and The Gathering. These guys know how to put on a show, and thankfully, they also know how to dispose of the evidence afterwards. Wicked beats, dangerous raps, and bare asses, all around a stripper pole—that's just the start of a Wolfpac show!

4:45-5:05PM Second Stage: **Madd Maxxx**

From the smoky pits of Dirty Jersey comes a monstrous madman bent on mayhem and malevolent mischief. No one really knows about this mercenary or his mission, unless they've seen the manifesto. Who is this amalgamation of lyrical macktation and merciless musical misanthropy? Madd Maxxx, make way or meet your maker.

5:20-5:45PM Second Stage: **Loco**

Loco made Major Headline News in of Virginia for the infamous song "Virginia Beach Cops". On July 12, 2008 Loco was presented with the Artist, Album, Song, Performance, and Collaboration of the Year awards, at the 1st Annual Virginia Underground Award Show. Come check out Loco, and witness pure devastation like you've never witnessed before!

6-6:30PM Second Stage: **Russett Burbank**

Russett Burbank is crazy. Russett Burbank doesn't care about your money, but they will take it. Russett Burbank is from Sandusky Ohio. Russett Burbank is everywhere. Russett Burbank will stop at nothing. Russett Burbank works harder than you. Russett Burbank will do it on the Gathering stage.

Sunday:

2- 3:20PM Second Stage: **Bands**

3:35-3:55PM Second Stage: **J. Sin The Menace**

J. Sin spends a lot of time in therapy and takin pills to control his natural urges, and keep from goin crazy. This is the Gathering, so the therapist and pills are probly stayin home. Come see what happens when he lets loose at the Gathering.

4:10-4:30PM Second Stage: **Shane Capone**

Recently Described by XXL Magazine as "one of the tightest independent artists we've ever heard," Shane is considered one of the purest & rawest emcees in the game. His underground war report reads like a 5-star general: 12 mixtapes, 5 full length albums, and over 220,000 units sold. He's a independent beast only true JUGGALOS could appreciate!

7-7:30PM Main Stage: **Zug Izland**

The biggest, best wicked rock band is back! These Toxic Rockers never let the Juggalos down, and their show gets crazier every time they debase the stage. We swear Syn climbs a higher every show, and one of these days he's just gonna be flyin over the audience's heads. When you hear that sound like a million angry lawnmowers singing hymns, you'll know Zug Izland are about to let loose.

Gathering of the Juggalos

7:45-8:15PM Main Stage: **Esham**

There's a reason why Esham is the Godfather of the Wicked Shit. He started this movement when he was just a teenager, and he ain't stopped workin' since. What makes him great? It's partly his talent, partly his attitude, and partly the fact that he lives as wicked as he rap, but it's ALL comin' together when he performs at the Gathering.

8:35-9:20PM Main Stage: **Boondox**

From hills of Georgia crawls a wicked shell, which once may have been a man. The Skarcrow emerges from his sleep looking for more souls to consume with his wickedness. This creature made his way to the Gathering, guided by painted faces.

He's been summoned from the swamps with the power to rock the hell out of an outdoor show. The woods are his element, and he's on the move. Get to the stage, cuz it's not safe when he's out of sight, and even more dangerous when he is!

9:40-10:40PM Main Stage: **Three Six Mafia**

It may be Hard Out Here for a Pimp, but that hasn't stopped Three Six Mafia from freaking it and becoming kings of the biz. They've got multiple gold and platinum albums, had their own show on MTV, and won an Oscar and performed at the Academy Awards ceremony. But who cares about all that, when they got scrub love? These ninjas invited their homies ICP to be on their

first platinum album, and now ICP are inviting them to share the Main Stage at the Gathering!

11PM-12Mid Main Stage:

ICP

Faygo? Check.
Hatchet? Of course.
Facepaint and Family? Everywhere.
Look out, it must be the original ninjas, the Insane Clown Posse! Devastated much?! It's hot as hell in this

dangerous Midwest, must be time for ICP to burn down the house at the Gathering of the Juggalos. It's their party, and they're gonna show you why only they can close the show. When they're done, it's all over, but it'll stay with you the rest of your life...

SEMINARS

You never know what you're gonna get from a Seminar, but you can bet it won't be a chance to sell Amway. Sometimes it's a devastating announcement of Gathering-shaking proportions. Sometimes it's just a chance to chill with a Psychopath. Sometimes you get there too late, and see only a gaping crater in the Seminar Tent, wondering what the hell you missed. Don't miss it Juggalos, Seminars are fresh!

Dan Severn Shoot Fight Seminar

Saturday 4-5PM

Dan "The Beast" Severn is a 3-time UFC champion and a UFC Hall-of-Famer. He could probably twist your neck into a pretzel and snap your back before you could even say "Whatup Beast?" He's coming to the Gathering to school your asses in the crazy ninjistic art of shoot fighting. Check this seminar out and learn firsthand fistwork from a Mixed Martial Arts legend.

Detroit Rap 101 Seminar

Sunday 4-5PM

They're takin it back to the old school, and they're gonna school ya, but this fresh Seminar won't be anything like school! This is a one of a kind chance to learn about the history of rap music, and the flavor that came out of Detroit, from (at least) two genuine originators!

Awesome Dre and Esham are the head of this class, and they're tellin you the real history of Detroit Rap, they way they lived it on the streets. Detroit Rap is a favorite subject

of Psychopathic Records, so expect special guests!

AUTOGRAPHS

It's a good thing these guys like to tag! They started out with spray paint, now they've moved on to markers, all for your intimate enjoyment! Autograph signings are a chance to meet face to face with your favorite artists, and make a treasured possession even fresher, with an Autograph!

Awesome Dre: *Saturday 3-6PM*

LATE-NIGHT COMEDY

Sometimes you gotta put down the hatchet and take a minute to laugh. Though we suppose you can do some pretty funny things with a hatchet. Regardless, the stand-up ninjas we brought in are sure to make your belly hurt, without stabbing or suckerpunching!

Friday: 12Mid-4AM Seminar Tent

Beetlejuice and Shuli

Beetlejuice swooped into the entertainment circuit like Superman flying in to help a damsel in distress. If the damsel was stacked, supple, and working in

• porno. Beet is an all-around favorite on the Howard Stern show, and he's growing more popular by the day! Shuli is a member of the Howard 100, and he's here to make sure Jews are properly represented on the Gathering stage. Or maybe improperly, we'll see.

The Iron Sheik

Bet you didn't know this legend of wrestling also did comedy. He's just naturally funny. He's also a staple of morning radio shows, and making all the wrestling locker rooms reverberate with laughter. You simply won't believe what you're hearing when the Iron Sheik opens his mouth...

Jason Benci

Brought up by two Detroit police officers, bull riding in 3 rodeo circuits before the age of eighteen, and playing drums in a punk band gives Jason more than enough attitude and ammunition to keep the crowd in stitches.

Steve Brewer

You may remember Steve from his guest spots on Upchuck the Clown's Wfuckoff radio show. He was the funny one. Da dum ching! Nah, it's all love for Upchuck, and any homie of his gets our seal of approval, so check him out as he closes the Friday night Funny!

Saturday: 2-4AM Seminar Tent

Steve Sabo

A veteran of the club circuit for over 10 years, Steve has woven an intricate web of humor that has garnered him thousands of fans from coast-to-coast. His razor-sharp wit will grab you by the throat and won't let go until you are blue-in-the-face with laughter -- and gasping for more!

Rowdy Roddy Piper

You may know him from his classic feud with Hulk Hogan, or maybe the devastating flavor he dished out from Piper's Pit, or from his movies, but did you know he did stand-up? He does, and you will laugh. You will laugh cuz it's funny, not cuz he can toss you from the tent. He can, but he's still really funny.

Joey Gay

You can't forget a name like that, and we're betting that none of the Juggalos who saw him last year have forgotten how funny he was! Back by popular demand, and eager to freak it again, Mr. Gay is back at the Gathering! He kills as a comic, and he's also an actor on TV and in movies.

SIDESHOWS

Foam Party

*Thursday & Friday 12Mid-5AM,
Saturday 2-5AM Bomb-House*

When you see foam rollin out of the doors of the Bomb House don't run scared like the blob is coming after you. This foam is suckin up Juggalos

and spittin out flavor! We fill the tent chest-high with Foam and it's up to you to fill it with sexy, sloppy bodies, and wack-ass dance moves. Then it's up to DJ Clay to supply the grooves! So come one, come all to the third annual Super-Live Foam Party. Wear clothing that can handle heavy soap and water, cuz it's getting wet and foamy!

HogDaddy's Hellfire

*Friday, Saturday, Sunday 1-5AM
Main Stage*

There's one secret master of Hatchet Landings, and he's known as the Hogdaddy. Think of him as the Boss Hogg of Hardin County,

but with style and tactics that'll flip your wig faster than the General Lee. He's planning a bonfire for y'all, and it's gonna be impressive. Imagine flames reaching the sky lighting up hundreds of your homies. Now come see it.

He'll be partying with his homies, beach blanket style, and they'll be passin out free food! Good times, grub, and an unforgettable Gathering experience, with a soundtrack for the surf scrub in you!

WFuckOffRadio Live Broadcasts

WFuckOffRadio will be broadcasting several times a day, to let the Juggalos back home know what they're missing at the Gathering. Got shout outs, got something to say, or just wanna Fuck Off? Get on the mic! The wild, wacky weirdoes of Wolfpac will be hosting, and they've got gimmicks, games, and girls, so this Jump Off will be off the hook!

Juggalettes who enter must be determined, dedicated, and prepared to be devastated! Prizes will include 2 blinged Hatchetman charms for two finalists, and a cash Grand Prize! Arrive early to enter.

WRESTLING

JCW Tryouts

Friday & Saturday 3-5:30PM Wrestling Stage

What's it like behind the scenes, in the locker rooms of JCW? Well, it doesn't smell too good. But you only notice that for a second before you get a forearm in your face, reminding you why JCW wrestlers are the toughest and tightest there are. Come to the tryouts and find out if you have what it takes, or if you need to stay on the other side of the ropes.

Juggalo CHAMPIONSHIP WRESTLING

JCW!

Friday 12Mid-2AM, Wrestling Stage

It's all the high-flying, death-defying, beat-down hardcore wrestling action you can stomach -- and then some! It's all the best bits of wrestling you can't see on TV, all right here, live in the squared-circle for your entertainment.

Bloodymania 2!

Saturday 12Mid-2AM, Wrestling Stage

No one thought there would be any wrestlers left standing after Bloodymania 1, but thanks to mandatory

BLOODYMANIA II

meanness and terrifying toughness, JCW's best are back to bring it again. This is the biggest event in underground, independent wrestling, and it's also the Bloodiest. This is the conclusion of the ongoing Slam TV storylines, and we can wait to see who survives. We've already got the ambulances waiting.

Wrestler Profiles

The Nasty Boys

Nobbs and Saggs

Former WWE and WCW multiple tag team champions. These legendary thugs are truly brutal. They've been off the circuit a while, recuperating from their many historical battles. Now they're back, and ready to prove they haven't lost a stomp.

"The Masterpiece" Chris Masters

Fresh from being fired by the WWE. Why? Because he fractured too many necks and they were all too scared to wrestle him. That's what some believe anyway. Others say all he did was walk around in a thong showing off his muscles all day before and after the shows and people got sick of it.

Disco Inferno

This dancing fool is always fun to watch. He mostly gets his ass kicked but he's pulled off some very big wins as well. He was one of ICP's primary enemies in TNA, but now he's jumped over to JCW to strut his stuff. His hair is the freshest thing about him because he looks like the Fonz.

Jimmy "Superfly" Snuka

The Superfly made diving through the air famous in this world. If you don't know who this man is you should be smacked and have your ass kicked. He is the one and only, super legendary Jimmy Snuka all the way from the Fiji islands.

Gangrel

The bloody vampire from hell. The man whose teeth are known to sink into bitches necks. He has wrestled all over this green earth spreading his evil ways. Very deadly and dangerous.

Known for drinking blood and pissing out cherry Kool Aid.

Trevor Murdoch

This man held one half of the WWE tag team belts on two occasions, both within the last 18 months. A true bad ass in and out of the ring. He was trained by the great Harley Race and now he does the schoolin'. He's one tuff, scruffin, ugly bastard.

The Bloody Brothers

Ian and Lane Bloody

Straight from the far corner, way in the back of the Twiggson Traylor Park in 5th Ward, Houston Texas. These two chew swappin ass stompin brothers have tag team gold on there rusty minds. They've made it all the way to the final round of the JCW Tag Team Title Tournament and they got no plans of losing now, bubba.

Corporal Robinson

He's still the JCW Heavyweight champion although Raven has stolen the actual belt. Raven has also stolen Corp's hair. Corp now looks like his head has been wrestling a weed whacker. Corporal Robinson has rightfully become mentally bent on revenge and he finally, FINALLY gets his chance in the main event at Bloodymania 2.

2 Tuff Tony

It's almost 2 hard 2 believe that the 2 year long winning streak has come to an end for 2 Tuff Tony. It's harder to believe because it was such bullshit how it happened. Thanks to a lightning quick 3-count by Izabella Smothers,

2 Tuff has finally been defeated. He has his chance at Izabella and her daddy/lover Tracy Smothers at this year's Gathering along with his special guest tag team partner, Boondox!

Sabu

The man needs no introduction. The name Sabu is synonymous with death-defying leaps and suicidal dives threw tables, chairs and bodies alike. Although his incredible wrestling legacy is well documented, still very

little is known about the man himself. Except that he's a Juggalo, and his uncle was the original Shiek. Off those two points alone, Sabu is the real deal, happy meal.

The Weedman & Billy Bong

Both these two high-ons are brand new to JCW and have already become favorites of the Juggalos. Yes, their wrestling skills are in fact phenomenal, but even more impressive are the Weed Man's prices! Only \$300 for an ounce of the finest cush around! And Billy Bong is always good for taking up space on your couch, in your backseat or just in general. They face The Bloody Brothers for tag team gold at Bloodymania 2

Scott D'Amore

He says he's come to clean up JCW and turn the promotion into a family organization with no cussing, no unnecessary violence, and no fun. If Scott D'Amore had his way we'd all just stay home, and only he would be left here playing with himself. But only D'Amore knows who the mystery partner of Conrad "Lights Out" Kennedy will be at Bloodymania 2 when they face the Pimp and Gimp Connection.

Tracy Smothers & his daughter Izabella

He's a big, nasty, southern, chicken neck, toothless, racist, red neck, hillbilly fuckin' pig with a 2 bit, hootenanny whore for a daughter named Izabella. Both of them deserve to be slapped in the ass and thrown in a shark pool.

Tracy Smothers was voted most hated man in JCW and 2 Tuff Tony is the one who hates him the most. It's gonna be Tracy and Izabella Smothers vs 2 Tuff Tony and Boondox at Bloodymania 2!

Boondox

This man has never stepped into a wrestling ring before, but none of his Psychopathic homies would ever wanna scrap with him. He has somehow found himself teaming with 2 Tuff Tony against Southern Tracy Smothers and his daughter Izabella at Bloodymania 2. Boondox has no fear and says he's in the best shape of his life. It's gonna be like the Hatfields vs the McCoys at Bloodymania 2!

Raven

This mysterious, dark and sinister bum showed up and attacked the JCW World Champ Corporal Robinson from behind. He has Sexy Slim Goody as his flunky (some would speculate gay lover). They stole the JCW world title, then the next week on Slam TV they shaved off Corp's ever so fresh afro! These men have history dating back to the ECW arena and now the war ends at Bloodymania 2. One man wins and takes the world title and all the pride and the other leaves JCW forever with his tail stuffed up his anus.

Sexy Slim Goody

Some call him "Fat Body", some call him "Slim Loopy". Most don't even call him. His goal in JCW is to serve Raven's every need. Slim Goody is here to make sure Raven's boots are shiny and to make sure that Raven's hair is wet. The other chores Raven has given Slim Goody we refuse to hear about.

The Pimp & Gimp Connection

Zach Gowen and Human Tornado

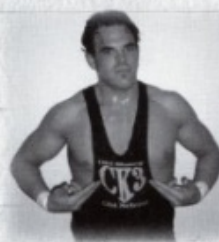

These two were once a legendary tag team in JCW. Then Zach Gowen wanted to give his long time friend a shot and help break him into the business. That friend was

Conrad "Lights Out" Kennedy. As soon as "Lights Out" got his foot in the door, he turned on Zach! Who makes the save? Zach's real homie from back in the day, The Human Tornado! BANG! just like that, the Pimp and Gimp connection is back in action and ready to face Conrad "Lights Out" Kennedy and whoever his mystery partner happens to be at Bloodymania!

Conrad "Lights Out" Kennedy

This guy is new to JCW and is very impressive to say the least. He's a shoot fighting master of mixed martial arts, but that doesn't hide the fact that he's also a dick. He turned on the very guy who broke him into JCW, Zach Gowen. On top of that, he joined the growing stable of assholes led by Scott D'Amore.

Gold Dust

He's a big, scary, flaming weirdo. He wears tight body spandex that always shows off his creepy dick bump. Gold Dust is one of the most unusual stars to ever come from the WWE. Now in JCW, he's looking for some poor unfortunate fool that he can rub up against and make us all sick.

Rowdy Roddy Piper

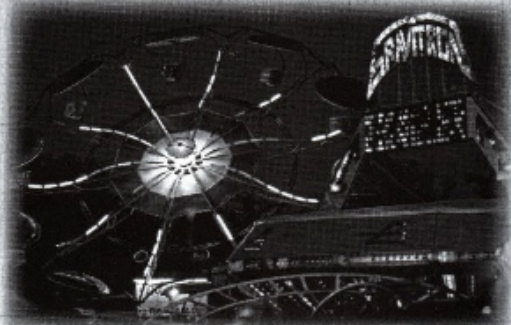

There would be no Hulk Hogan if there was never a Rowdy Roddy Piper around to slap him. Piper is perhaps the most popular bad guy in all of wrestling, ever. Nobody can do it like Piper. He's the host of Piper's Pit, the infamous interview segment which started them all. Now headed for Bloodymania, we feel sorry for whoever the fool is who ends up in the pit with the Scottsman, the Hot Rod himself, Rowdy Roddy Piper!

MORE FLAVOR!

Carnival Rides

Nothing feel more like a carnival than some carnival rides. These rides are a chance to flip your wig up, down, sideways, or round and round. They're fast, fun, and free, and they're located in several areas throughout the Gathering. Lose yourself on a ride, then come back to earth and lose your mind!

The Watering Hole

Right in the middle of Hatchet Landings is a clean, cozy swimming hole for all your heat-beatin, belly-floppin needs! The water is treated to be safe. We can't say the same for your fellow Juggalos.

Spazmatic Hangout

The Spazmatic Hangout is your party-within-a party! During the day, it's like a beverage bar, with Faygo, Spazmatic, and slushies, plus certain special swag to pump your party! (no alcoholic beverages served, but you can bring your own).

At Midnight, Thurs-Sat, we heat up the dancefloor with live mixes from DJ Fillin! This is Crunk Central, ninjas, come see what's up!

Helicopter Rides

Thursday - Sunday, 10AM-6PM Main Stage Field

It's a bird, it's a plane, no it's a helicopter filled with Juggalos! You're not seeing spacecrafts or the Feds, those are REAL helicopters floatin around Hatchet Landings. Helicopter rides flip wigs from 10:00 a.m. through 6:00 p.m. Thursday through Sunday. Get a Helicopter ride and get one step closer to the skies of Shangri-La.

Merch Tent

The only thing more legendary than a Psychopathic show is Psychopathic swag! What can we say, we know we got the best shit. The merch looks better than ever, and the Merch Tent has the best hours ever. Your head will spin when you take it all in. They'll take cash or credit this year, so pimp yourself out with some top-of-the-line threads or some killer collectibles.

Cool-Down Stations

In case you're lookin at the sun, and wondering about keeping cool at the Gathering, there's nothing to fear! (unless you forgot sun-block). There are multiple Cool-Down Stations at several locations throughout the campground, marked on the map. These are no measly mist-tents, these are permanent structures of full on water-spraying flavor, complete with a bank of sprayers, faucets, and their own plumbing. This means more free water and more wet Juggalettes for all of us!

Love Train

Don't you just feel sorry for those ninjas still walkin', when you're ridin' high on the Love Train? It's a chance to get off your feet, get around, or just get down with the sights and sounds all around as you roll through Hachet Landings. Pickup stations are marked on the map. Do not attempt to get on or off the Love Train while it is moving. Do not get in front of the Love Train, or you might get flat.

Mechanical Bull

Is it a wild beast or a mechanical monster? Is it your moment of triumphant success, or that embarrassing incident your homies won't let you live down? Come figure it out for yourself, on the back of our badass bull. Hang on tight, or you'll get tossed like a Juggalo-javelin!
