

SEPTEMBER 1, 2003
THE ALBUM THAT MARKS THE RETURN OF THE BARK GARNIYAL®

The 10th Annual CALLEST ANNUAL Of the Juggalos

It's hard to believe that is was 10 years ago that Insane Clown Posse announced the very first Gathering of the Juggalos. It was an event unlike any other ever attempted by an independent record label: a massive concert with every act on the label along with a full sideshow of attractions both odd and wild. The impact of the first Gathering was greater than even the Wicked Clowns expected. Bringing together Juggalos from all over the world brought with it a magic no one had fully anticipated. It was a powerful, tangible force that no one in attendance could deny.

Soon after, the Gathering began to take on a life of its own, powered by the mystery and magic of a nation of Juggalos. Calling it just another music festival doesn't do it justice. The Gathering is more than the acts playing its many stages, bigger than its four solid days of excitement. The Gathering is that one time of the year when Juggalos from all over the world can come together, face-to-face, and know that they are all part of one family. It is this magic that makes the Gathering happen. Without all of you, none of this could be possible. It's your Gathering, your family reunion. This event has been 10 years in the making, and whether it's your first Gathering or your tenth, you can't help but feel the magic in the air.

Now, take a deep breath and breathe in that magic once more for a roller-coaster ride you can't even begin to fully imagine. This Gathering is bigger than it's ever been, with more big shows, more big tents, more performances, and more Juggalo love than ever before. This is the 10th Annual Gathering of the Juggalos. It will only come once, so live these next few days to the fullest.

Your life is about to change forever.

Rules & General Info

Welcome to the 10th Annual Gathering of the Juggalos! Please review and follow these simple rules and helpful tips to get the most out of your Gathering experience. These rules are pretty basic, and only here to make the Gathering fresher for everyone.

YOUR AMULET IS YOUR TICKET

Beyond being a sweet keepsake of the event, vour Gathering amulet is also your ticket into the Gathering of the Juggalos. No one will be allowed to enter, or remain within, the main grounds of the Gathering of the Juggalos without their amulet on. amulets are both stylish. and durable, featuring shiny bling and sweet graphics. If you lose your amulet, head immediately to the InformationTent to acquire a new one:

PARKING LOT

The outdoor Parking Lot is free for all Gathering attendees. It is located outside the grounds. There is plenty of room for everyone, and attendants are there to make sure everyone and everything is safe. If you do not have a Car, RV, or Baller pass stuck to your car, you'll have to leave your car here for the duration of the Gathering, but you can come and go to it as much as you need to. If you decide you want to move your car by your tent, then you can purchase a Car / Trailer / RV Camping Pass at the Ticket Booth in the Parking Lot. NO FIRES OR TENTS ARE ALLOWED IN THE PARKING LOT UNDER ANY CIRCUMSTANCES. It is heavily guarded 24 hours a day, so it's a good place to keep valuables you want extra-safe. Health and safety regulations forbid

any sort of camping, partying, or excessive lingering or loitering in the Parking Lot. When you're in the Parking Lot, you need to be on your way to or from your car.

IMPORTANT RULES

There are only a handful of significant rules to remember when it comes to the Gathering. They are

simply to ensure that everyone has a good time and stays safe and legal. Also, we ask that you help keep the campground clean by using the many trashcans located throughout the ground.

- 1. The speed limit while in the grounds and the Parking Lot is 5 mph. For safety concerns, once a car is parked at a campsite in the grounds it may not be driven around or inside the grounds, nor may it leave and return. This extremely important rule is necessary to maintain safety and will be strictly enforced. The only exception is for emergencies.
- 2. No cutting of trees, dead or alive, or damaging plant growth (\$500 fine).
- **3.** Anyone hurting the wild animals, amphibious creatures, or birds will be thrown in jail and banned from returning to the Gathering of the Juggalos.
- 4. Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages.
- **5.** Please be conscious of your noise level. Music should not be played at high levels at any time, and all music and noise must be kept to a minimum after 11pm for the consideration of those who need to sleep more than you do.
- 5. Children must be supervised by adults at all times.
- 7. Don't litter. This is especially true for camping areas. Your area should look like it did before you set up.
- **8.** Careless, destructive, disrespectful, or bothersome conduct will not be tolerated. Show respect to all Gathering, Psychopathic, or Security personnel. Refusal to do so will get you removed from the Gathering. Bring any problems, disputes, or conflicts you cannot resolve to the Information Tent.

Wrestling Stages, or any Autograph signings or Seminars. You're welcome to bring video cameras or other recording devices into the Gathering, but keep them tucked away while at the shows. Only disposable cameras will be allowed at Main Stage concerts, Wrestling, Autograph signings, or Seminars. Anyone caught filming or using a non-disposable camera at one of these events will have their recorder confiscated (you'll get it back if you're nice, but otherwise, we're keeping it).

INFORMATION TENT

Psychopathic selects only the most knowledgeable ninjas to serve at the Information Tent, and it's open 24 hours. This is the central hub of activity where Juggalos can go for directions, emergencies, or the answers to various queries - but if you want to know where your dirty drawers went, it's best not to ask! The Info Tent is also the place to get a Gathering map or check the Lost and Found. These ninjas have such amazing powers of perception and deduction, they may even have your problem solved before you get there! Psychopathic Records wants the Gathering to be a positive experience for everyone involved, so don't be afraid to bring any questions or concerns to the Information Tent. The Information Tent will get it done!

CAMPING

For the majority of people at the Gathering, camping on site is the only way to experience the event. Tent camping is free for all in attendance. All cars in the camping area must have passes (see below). Every tent or vehicle with a pass must be located at least 15 feet (or an average car length) from any other tent, car, campfire, structure, or tree in any direction. There's no restriction on the amount of camping gear you can bring, so as long as it is respectful of your neighbors,

the 10th Annual CATALOGUE TO THE Jugualos

and they have no complaints, you can make you camp as you see fit. We reserve the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. All camp spaces are firstcome, first served.

CARS ON THE CAMPGROUND

You may only bring cars into the camping areas if they have a Car, RV/Trailer, or Big Baller Camping Pass. These passes are stickers which must be visible on the car. Once inside the camping area, you are prohibited from taking this vehicle in and out of the park, leaving only for emergencies. There are a lot of people at the Gathering, and to keep things safe and flowing we just cannot have people driving about during the event. Once you park it, it's there to stay.

CAR PASSES

Any vehicle from a motorcycle up through a full-size van will require a car pass to get into the camping areas, and you will absolutely need a car pass if you intend to park a car at your tent, whether you're just parking it there or sleeping in it (which IS allowed – just be safe and keep the windows rolled part-way down). A Car Pass costs \$50 in addition to the cost of your ticket, and are sold at the Ticket Booths in the Parking Lot if you decide you need one but didn't get it in advance.

RV/TRAILER PASSES

If you intend to bring an RV, trailer, camper, anything towed, or any vehicle bigger than a full-size van, into a camping area, you will need the RV/Trailer pass. The RV/Trailer pass costs \$75, and once again is available at the Ticket Booths in the Parking Lot. All rules that apply to Car Camping also apply to RV/Trailer Camping.

BIG BALLER CAMPSITE PASSES

This pass gets you a site for whatever size vehicle you want (within reason -- no 18-wheelers or combat tanks!), plus it gets you shared access to nearby water faucets, and full-access to your own personal electric outlets! We provide the outlets and faucets, and you will not be charged for usage. The Big Baller

Campsite Pass will cost \$350. Electricity can only be used by the person (or party) that purchases the pass, and cannot be shared with other sites. We reserve the right to restrict any unsafe electrical hookups, overloaded circuits, or dangerous, overlapping power cords. As a rule, 6 to 10 major electrical devices can be used at a time. With the water faucets, please turn them off when not in use, and share them with people in need of water. The water is 100% safe to drink and cook with.

SET-UP / TEAR-DOWN

Keep in mind that no one may enter the park to set up their campsites sooner than Wednesday August 5th at 12 noon, and we ask that you do not show up earlier than this under any circumstance. On Monday August 10, you should be clearing out from 10 AM - Noon, as this is the official tear-down day. Everyone will need to be cleared out of the grounds and the Parking Lot by Noon on Monday, August 10.

CAMPFIRES AND FIREWOOD

Firewood will be sold from trucks and a 4-wheeler driving around the park. We encourage Juggalos to stock

up early, cuz it's a big park, and it may take these trucks a while to get around. Mind the rules about campfires: they must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads.

FOOD COURT

Be sure that growl you hear deep in the woods isn't your stomach! After a long day exploring the mad amounts of flavor at the Gathering, every Juggalo's gonna need to stop and get their snack on. The concession area is the place to go for a meal, for the munchies, or just for a Faygo. We offer a plethora of dining sensations, the finest food a carnival has to offer! All the classic concessions are in effect, including: hotdogs, hamburgers, pizza, salad, nachos, fries, and elephant ears! You can eat your food in

with you to your next effect! Please remember to bear up after yourself -- those trasheans aren't placed every 20 feet because we thought they looked fresh.

CONVENIENCE STORE

Out in the middle of the grounds, with no Kmart or 7-11 in sight, you're gonna need someplace to buy stuff. The Convenience Store will have everything a growing Juggalo could need, short of a love slaves or bondage gear. The store will have disposable cameras, batteries; flashlights, hygenic items, sunscreen, bugspray, comdoms, and a whole bunch more! If we don't got it, you don't need it!

ATMS

We strongly recommend that Juggalos bring enough money to suit their needs, and keep it on hand, in a safe place. However, we also have ATM machines for your convenience. They can be found in the main areas of the Gathering; hit up the Information Tent for specific locations. Users are responsible for all transactions at the ATMs. No refunds will be offered.

SHOWERS

You just can't beat that feel of a good clean shower, especially in the heat and with the Faygo. Separate male and female hot showers will be available 16 hours per day. There's room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries, including towels, as none will be provided.

EMT / AMBULANCE

To ensure the health and safety of every Juggalo, we have provided an EMT tent complete with paramedics and a 24-hour on-site ambulance. The EMT tent can be found on the map. They are available for any serious injuries or medical emergencies that may occur, and we ask that Juggalos only go to them with serious problems. However, don't be afraid to get checked out if you're not feeling right, cause sunstroke and allergic reactions can be a bitch!

WATCH THE HEAT!

For those of you not accustomed to chillin' outdoors. the sun and heat can be a merciless ball-breaking bitch. When your body gets hot, most of that heat pours out of your head. And being out in the sun without a hat bakes your noggin as well, so there's no place for the heat to go, and you get cooked! It may seem all-backwards, but wearing a hat actually keeps your body cooler. The other major way your body gets rid of heat is by sweating. That sweat comes from the liquids you drink, so when out in the sun and heat, keep drinking water! If you're crazy-hot and stop sweating, that's the first sign of heat stroke, so get into some shade and get some water in you fast! The heat is no joke, and it can sneak up on you when you least expect it, but with some minor care, it can also be no problem.

SECURITY

Security personnel are scattered throughout the park on patrol to make sure you and your camping area stay safe and secure. They're not here to restrict you in any way, just to make sure that you and everyone else are safe and secure. If you're having any trouble, please feel free to stop or call the nearest security staff for help. That's what they are here for!

Light tube, thumbtack, Arizona cactus, exploding fire death matches and more. Plus Ladies, Gorillas, midgets, special stipulation matches

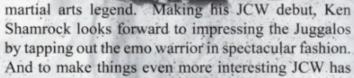

Saturday 12:00mid - 2:00am

"THE EMO WARRIOR" JIMMY
JAKOBS WITH HIS GUIDANCE
COUNSLOR SCOTT DAMORE VS
"THE MOST DANGEROUS MAN IN
THE WORLD" KEN SHAMROCK
WITH A MYSTERY REFEREE!

Jimmy Jakobs is a little bitch to say the least. A freaky lil' emo bitch boy that somehow someway has obtained an

extremely.

impressive win loss record in JCW with the help of his guidance councilor, and ringside assistant Scott Damore. Despite the bitchy ways of Jimmy Jakobs, he has proven to be quite the competitor. But all that gets put to the test at Bloodymania 3 when he faces the wrecking machine Ken Shamrock. All around mix

added a masked, mystery referee! Who could it be???

THE WEED MAN AND BILLY BONG VS JCW TAG TEAM CHAMPIONS... VITO AND PAULY, THE TOMISELLI BROTHERS

Fire it up Juggalos because the Weed Man and Billy Bong are back in action at Bloodymaina 3! You know there tactics all to well. There pre-match rituals includes a hit of that shit, a toke from that smoke, and a puff from the stuff. The higher they are the better they preform in the ring as they are

the current number one contenders for the tag team belts. There opponents the Tomiselli Brothers are the raining JCW tag Team Champions. Vito and Pauly Tomiselli are also, without a doubt the most hated Tag Team in JCW History. Even so, thus far, nobody and we mean nobody has been able to dethrone them of there tag team gold. Lets see if Billy Bong and the Weed Man are high enough to pull it off!

Heidenreich tore threw victims in the WWE for a time. Now long he's traveling the indie circuit doing much of the same thing. He's absolutely deadly and dangerous. A giant, powerhouse of brutality. The hardest part about booking Heidenrich is finding somebody willing to fight him. One man stepped up to the plate absolutely fearless. That man is Mad Man Pondo. A lunatic in his own right. JCW always uses Pondo as a bad guy Heel because he's so funny and fresh as a bad guy. Even so Juggalos always see right past that and show him

their true un-devoted love. Mad Man Pondo is one of JCW's all time favorite wrestlers and at Bloodymania 3 he plans on showing the world why.

THE RUDE BOY VS ABDULLAH THE BUTCHER

This is the longest feud in JCW history. It's also the bloodiest and most violent feud ever to happen anywhere. The Rude Boy makes his official return to JCW, the first time in over 3 long years to face his arch nemesis Abdullah The Butcher. This Match will conclude the feud once and for all, because after a 40 year plus, illustrious

wrestling career, Abdullah the Butcher is going to

retire. this will be the very last time you will see the great Abdullah wrestle, and what better way for him to go out than to face his arch enemy in JCW one last time? Abdullah The Butcher with his fat manager Honest John in his corner vs The Rude Boy in the War to settle the Score at Bloodymania 3!

RAVEN VS SABU

Extreme rules, Raven's Rules. Yes the mysterious, ominous character known only as Raven returns to Juggalo Wrestling. Championship Ouote the Raven Never More as he takes on an old rival from the old days of the ECW Arena. The one and only Sabu! But this promises to be a brand new Sabu, 'this will be the unveiling, of the brand new, reincarnation of Sabu. The homicidal. Suicidal. genocidal Sabu is back with a new look, a new style, but

plenty of the same, bloody, violent brutality only Sabu can produce. Don't miss this sure to be instant classic of Rayen vs. Sabu

VICERA VS 2 TUFF TONY WITH SPECIAL GUEST REF "ROWDY" RODDY PIPER

WWE Powerhouse, the 700 Pound, gigantic mauling machine Vicera debuts in JCW with only one goal; to eliminate 2 Tuff Tony for good. The Evil Guidance

Councilor Scott Damore was told he could bring anybody he could find to face 2 Tuff Tony in this special Loser-Leaves-Town match ... and find

what a challenge this is going to be for the Louisville Drink. Because this is a special Loser-Leaves-Town match, and the loser must leave JCW forever, officials wanted to make sure this match was called fair and square and right down the line. That's why they called in The Hot Hod himself for

the job of special guest referee... "Rowdy" Roddy Piper!

BUTTERBEAN VS BULL PAIN

World renowned Tough Man Competition Grand Champion Butterbean. The Big Man with the right-hand knockout-punch heard all around the world. His

list of major victories is too long to read as this

man is known all over the world for his incredible fist. One of the most famous, and respected names to ever step into a boxing ring, a Mix Martial Arts cage or a wrestling ring. Now Butterbean

the 10th Annual The 10th Annual of the Jugustos

steps into a JCW ring for the very first time as he faces the toughest man around these parts by far ... Bull Pain! Yes Bull Pain is sure to have his trusted friend, the baseball bat known as "Brother Pain" with him at his side as two worlds collide in this battle of the bad asses taking place at Bloodymania 3. A dream match come true for those of us who enjoy a good, stiff punch in the mouth. The Knockout Artist collide!

HOLY TRENT ACID AND YOUNG ALTAR BOYS TOM, TERRY, TED AND TIM VS THE J.W.O. SCOTT HALL, BIG KEVIN NASH, CORPORAL ROBINSON, SHAGGY 2 DOPE AND VIOLENT J

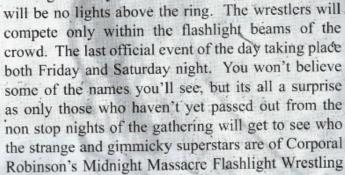

The infamous, crooked holy roller Trent Acid returns to JCW. The former World Champion is back in action. We thought we'd seen the last of the asshole Trent Acid, but apparently not. This time he returns with even more of his flock of followers. As now he has 4 disciples with him. Together with his meaningless minions Ted, Tom, Terry and Tim they face the entire J.W.O. The Juggalo World Order. Scott Hall and Kevin Nash together collectively known as the Outsiders. Along with JCW World Champion Corporal Robinson and the Insane Clown Posse themselves, Violent J and Shaggy 2 Dope. What a wild, main event this is going to be. Don't miss this spectacular 10 Man Tag Team Match, that will surly be talked about for ages. Taking place as the main event, of Bloodymania 3.

More Flavor

That's not enough! I want more benefits!

Enough is never enough at the Gathering of the Juggalos. We've got still more excitement in store for your enjoyment.

CARNIVAL RIDES

Nothing feels more like a carnival than some carnival rides. These rides are a chance to flip your wig up,

down, sideways, or round and round. They're fast, fun, and free, and they're located in one convenient area in the Main Stage Field. Lose yourself on a ride, then come back to earth and lose your mind!

MIDWAY GAMES

Have you ever been to a carnival and tried one of those carny games? They can be frustrating, can't they? But still, there's something truly addictive about

the challenge of it all. Now you've got a chance to enjoy them all weekend long as part of the Gathering of the Juggalos, and win sweet Psychopathic prizes at the same time!

INFLATABLE GAMES

Come on, don't front. When you see those oversized inflatable games and rides with the little kids on them at a fair or park, you want to go jump around like you were 5 years old again. We feel the same way, and so to bring out that inner child in us all we've brought in a slew of devastating inflatable games for

your enjoyment! But unlike those moonwalk jumphouses, these inflatable games aren't just for little kids. Take a look at the line-up of flavor we have in store for you:

GLADIATOR JOUST

If you've ever seen the old-school TV show American Gladiators, then you already know exactly what this is about. For those of you who have no idea what I'm talking about, here's

the breakdown. You and your buddy get up on tall platforms above a nice cushion of inflated soft canvas. Then using big-ass sticks with cushions on either end, you proceed to smack the crap out of one another, trying to knock your opponent off his platform before you fall off yours. The magic of inflated canvas and puffy padding will keep both of you safe from harm, so take out some aggression and have yourself a good old time!

BOUNCY BOXING

Sometimes you just want to sock the crap out of someone. Unfortunately, hitting people just isn't a practical outlet for those feelings, and is awfully rough on the hands. Fortunately, we

have a better solution: bouncy boxing! Like those moonwalks for the kiddies, this is a bouncy cushion of inflated canvas with a ring-wall around it, except that in this one you're also wearing super-oversized boxing gloves! They're really cushioned too, so you wouldn't actually hurt anybody (or yourself), but you can still put a lot of force into your punch and knock someone right off their feet! And with the inflated arena, you can fall back and still be 100% safe! What better way to take out some aggression?

OBSTACLE COURSE

Put your skills of tumbling, climbing, diving, jumping, and crawling to the test with this oversized

inflatable obstacle course! Press past narrow gaps, climb spongy walls, weave through pillars in your path. It's a real

physical challenge to get past all the twists and nooks and turns of this course, but it's worth the effort. Try it again and again to beat your best time, so see if you can beat your buddy's time through the course. Either way it's lots of good fun, and since it's all made from air-filled canvas, it's nice and soft so if you miss a step you aren't in any pain from the fall.

GIANT SLIP & SLIDE

You run! You slide! It's a slip & slide, only WAY BIGGER! This giant-sized slip & slide is over 30 feet of fun in the sun!

Cooled and coated by a steady stream of water, this is a big air-filled canvas cushion you can slide all the way across. Get a good running start and see how far you can go! It's just one more way to help keep cool in during the day. Besides, how many times do you get the chance to play in a slip & slide anymore, let alone one bigger than your car? Don't be shy. Step up and enjoy this marvelous inflated entertainment all you like.

GIANT WATERSLIDE

You can never get enough water in that August heat. This inflatable ride is a giant slide with water running down it, making it a great way to get cool in the hot sun. Climb up to the

top and slide on down to the bottom into a shallow pool of water. And if one ride doesn't satisfy you, get back on and do it again! Once again the inflated canvas will make this a completely safe experience, so hop on and have a fun time!

SPAZMATIC HANGOUT

Right in the middle of it all, the Spazmatic Hang-out is the ideal place to meet up with friends and plan out your day. With a spectacular view of the main grounds

and all kinds of cold Faygo and Spazmatic on hand, this makes the perfect spot to kick back and catch your breath from all the excitement of the Gathering.

AIRBRUSH FACE-PAINTERS

Tucked in their cozy corner of the Spazmatic Hangout are a set of highly-skilled airbrush face-painters

fully-prepared to apply your very own clown face! Get some of the pre-made designs they've got on hand, or challenge them with your own off-the-wall stylings. It's the perfect way to celebrate the love of the Juggalo family.

HELICOPTER RIDES

Thursday - Sunday, 10:00am - 6:00 pm Main Stage Field

Have you ever been in a helicopter? I got to go up in this one at last year's Gathering. It was a pretty short ride, but the experience was worth every single penny. This isn't like some huge helicopter ready to airlift you out of the jungles of Kung-Pow. No,

this thing is small and nimble, like the stock footage of helicopters used in every lowbudget movie made in June of 1986. When it lifts off, it feels a bit like being in a glass elevator, and you're thinking that you know what's it's

The 10th Annual THE TOTAL THE STATE OF the Juggatos

like to be up flying. THEN the ride really begins ... and you realize just how fucking fresh it is to be in a helicopter! That little whirlybird beats the shit out of a roller-coaster any day of the week! It's not everyday you get to ride in a helicopter, so take the time to enjoy this unique experience.

LOVE TRAIN

Don't you just feel sorry for those ninjas still walking, when you're riding high on the Love Train? It's a chance to get off your feet, get around, or just get down with the sights and sounds all around as you roll through the grounds. Pickup stations are marked on the map. Do not attempt to get on or off the Love Train while it is moving, and do not get in front of

the Love Train, or you might get flattened by it's freshness. Whether you have somewhere to get to or just enjoy riding around, the Love Train has your hook-up!

MERCHANDISE TENT

The only thing more legendary than a Psychopathic

show is Psychopathic swag! What can we say, we know we got the best shit. The merch looks better than ever, and the Merch Tent has the best hours ever. Your head will spin when you take it all in. They'll take cash or credit this year, so pimp yourself out with some top-of-the-line threads or some killer collectibles. And, while you're here, be sure to grab DJ Clay's Let Em Bleed Volume 4, being released exclusively here at the Gathering!

SWIMMING HOLE

Right in the middle of the grounds is a clean, cozy swimming hole for all your heatbeatin, belly-floppin needs! Rest assured that any nickname you may have heard for this spot is in fact

100% NOT TRUE. The water is actually treated to be totally safe for swimming or drinking, so enjoy yourself worry-free with a nice cool break from the summer heat in this conveniently-located pond.

COOL-DOWN STATIONS

In case you're looking at the sun, and wondering about keeping cool at the Gathering, there's nothing to fear! There are multiple Cool-Down Stations at several locations throughout the campground, marked on the map. These are no measly mist-tents, these are permanent structures of full on water-spraying flavor, complete with a bank of sprayers, faucets, and their own plumbing. The water is completely safe to drink, and there are taps on the sides to fill up your water bottles all you like. Your piss will turn yellow

for a day or two if you drink enough of this water (because it comes from a well; that's why it tastes famy too), but it is totally free and totally safe.
