THE 13TH ANNUAL GATHERING OF THE JUGGALOS

In this day and age, there are zombies everywhere you look. Mindless masses of consumers who follow without question and are incapable or uninterested in thinking for themselves. They have a strong appetite for only one thing... trends. They drag themselves along, shifting to conform and fit into the cookie cutter mold of society. They are hoping to fit in with the crowd surrounding them, just another body added to the mainstream mob. Not the Juggalos bitch!

If you are here, it means that you have heard the calling of The Underground. We have tossed out a lifeline and created a safe haven for those who are still capable of thinking for themselves. Within the grounds of The Gathering you are free from any possibility of being infected by the mainstream zombie plague that haunts our planet. Here, your uniqueness will be embraced by your fellow free thinking survivors.

Juggalos and Juggalettes, YOU are the rebellion! You are what the zombie controllers fear most! You are the answer to those who are more than happy to fall in line with the rest of the sheep! Your style, your slang, your wear... while these are all you, they aren't as important as YOUR MIND! Your free thought and your individualism! You may have traveled here to seek safety from the mainstream zombies, but there is something much bigger happening here at The Gathering.

This is a CELEBRATION of those unwilling to conform! A party for the ones who dwell throughout the underground! An enormous tribute to those who refuse to become just another zombie! The 13th Annual Gathering of the Juggalos is for you!

RULES & GENERAL INFO

Welcome to The 13th Annual Gathering of the Juggalos. Below you will find the guidelines that will assure the fun, freshness, and safety of yourself and the other ninjas attending this year. Together we will make this the biggest and freshest Gathering of the Juggalos yet!

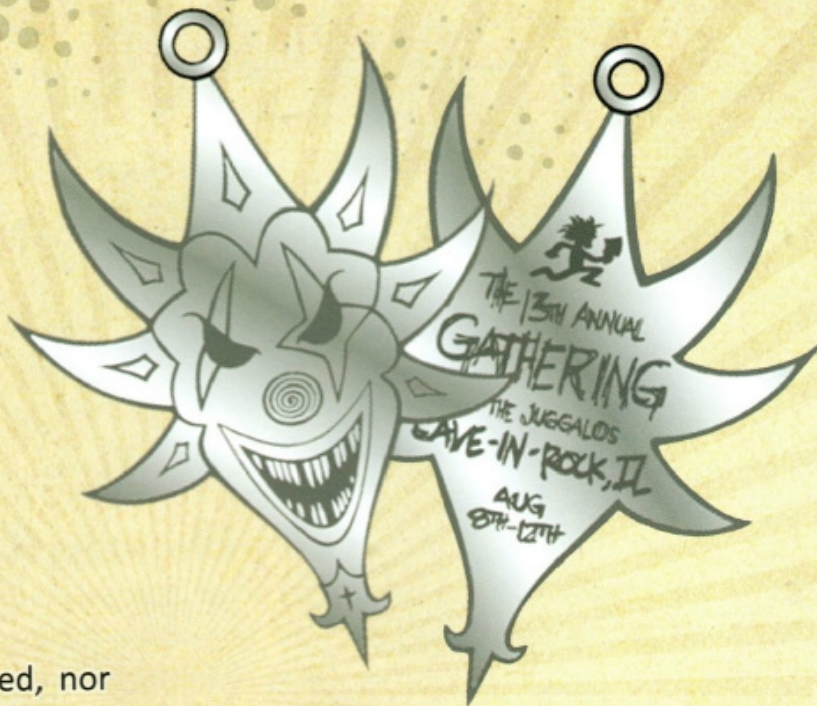

TICKET INFO

By now you have your official 2012 Gathering of the Juggalos amulet and wristband. Both of these items must be kept on throughout the entire event to keep you on the grounds. If you don't have these on you, you will be booted in the ass and you will go flying off the grounds the way Mr. Krabs does Plankton (You will go bye-bye). If you lose either of these items, immediately report your bone to the ticket booth.

THE DAMN RULES

- Underage drinking will not be tolerated, nor will excessive use of alcoholic beverages. And I mean it.
- Children MUST be supervised by adults at all times.
- Don't litter! Do not be a fuckin' dick and litter. This is especially true for camping areas. Your area should look like it did before you set up.
- Destructive, disrespectful, or bothersome behavior will not be tolerated. We show nothing but love and respect for each other here at The Gathering. Acting like a dick head will get you removed from the freshness. Take it from me, there ain't nothing fresh going on outside of The Gathering. Not for like a 100 miles. So be cool to security and to each other and save the drama for your damn mama, whoooo!

- Bottom line: we want everybody to have fun and enjoy their Juggalo Gathering weekend. Don't over do it man, play it safe. It's about you, the Juggalos and Juggalettes! We just want to keep everybody and everything safe so we can do this shit for many years to come. Be good to the grounds as well because they are cool enough to have this thing every year despite what the world says about us.

CAMPING

It's all about camping! Your campsite will be your home away from home for the next few days and there are very few restrictions on what you can and cannot do to make it fresh for you!

Any vehicles on campsites must have appropriate hang tags as noted in the vehicle info section below. Tents or vehicles must be located at least fifteen feet (an average car length) from any other tent, car, campfire, structure, or tree in any direction. But the most important guideline is to be respectful of your neighbors and to make sure that your fun is not impeding on their fun. Ninjas know this shit,

The Gathering staff reserves the right to have any tent, car, camper, or campfire moved at any time to handle disputes or emergencies. All camping spaces are first come, first served.

VEHICLE INFO

If you have used a Car / Trailer/ RV / Baller pass to get your vehicle onto the grounds of The Gathering of the Juggalos the hang tag must remain visible at all times.

Once your vehicle is parked at your campsite that is where it **MUST** stay during the entire duration of the event. You **CANNOT** drive around the grounds. This will be strictly enforced for the safety of everyone in attendance and the only exceptions will be emergency situations.

No Speeding Bitch. Are you fuckin' crazy? There's ninjas everywhere. Do not exceed 5 MPH.

TEAR DOWN

On Monday morning, August 13th, you should be clearing the fuck out. If your still asleep Violent J will wake you up with a big man slash, as this is the official tear-down day. Everyone will need to be cleared out of the grounds and the Parking Lot by like Noon on Monday, August 13th.

CAMPFIRES

Campfires must be at least 15 feet from tents, cars, or structures, and 5 feet from the roads. Please make sure to properly contain all fires and to also safely put them out to prevent any sort of wild fires.

FOOD COURT

The mythical Gathering food ally will be in full effect. There will be a wide selection of meals, munchies, glacier water, Spazmatic shakes, frothy Faygo, and more to choose from! Pick from battered hot dogs, baked hamburgers, grilled Philly cheese steaks, deep fried pizza, toasted salad, pan fried nachos, frosted fries, marinated elephant ears, freshly squeezed chicken legs and more incredibly healthy, organic and non fattening Hatchet Food Alley delights. Try our rotisserie fried salad!

Either take a load off and eat in the shaded dining area or grab your food and teleport! Either way your taste buds will be thoroughly satisfied! Just remember to please clean up after yourself when you're done. If you forget it's gonna be hard for us to forget not to punch you.

THE STORE

We're sure you were meticulous about what you packed for The Gathering, but sometimes things come up that we never would have expected! This is where the convenience store comes in. The store will sell disposable cameras, batteries, flashlights, hygiene items, sunscreen, bug spray, condoms, herpie jock itch, and jelly beans!

ATMs

In a perfect world you would bring the perfect amount of cheddar needed to spend at The Gathering. But then you see our prices and your moneys gone in 2 hours. HAHAAHAA- Just kidding. But we know that sometimes it's hard to gauge how much cash you'll need or emergencies arise. Because of these unexpected surprises we will be providing ATMs at the merchandise booth. Users are responsible for all transactions at the ATMs. No refunds will be offered. Don't blame us you spent all your doe tippin' the WOLFPAC girls.

SHOWERS

Designated male and female shower trailers will be available on the grounds. There's room for dressing, but there will be a five minute maximum shower per person to ensure that lines flow quickly. You should also bring all your own toiletries with you to the shower trailers as none will be provided. Please help keep the showers clean for those using them after you by leaving them as you found them... probably already nasty.

EMT / AMBULANCE

For the safety of every Juggalo and Juggalette attending The Gathering of the Juggalos, we have provided an EMT tent with on duty paramedics and an on-site ambulance available at any hour of the day or night. The EMT tent can be found on the map in this booklet. They are readily available to help anyone with any serious injuries or medical emergencies. If you are injured or feel that you may be suffering from heatstroke or any other sort of issues, please seek assistance at the EMT tent. Don't even play when it comes to your health.

BEAT THE HEAT!

It can get very fuckin' hot at The Gathering of the Juggalos, like you're walkin' 3 camels through the Sahara Sand Dunes of Ecuador in August. Thankfully there are some preventative steps you can take to cool off that ass. Wear a hat and light color clothing or use a light umbrella to block out the rays of the sun during the day. Keeping the sun off of you, especially your head, will help you stay cool. The other important thing to do is STAY HYDRATED! While Faygo and booze might be fun to drink, nothing replaces some good ol' H2O! Drink lots and lots of water all day and try to always have some on hand. Also make sure to wear sunscreen at all times during the day, even if it is overcast. This will prevent painful sunburns. The heat is no fuckin' joke, and it can sneak up on you when you least expect it and bake your brain. If you have been out in the sun and start to feel weak, nauseous, dizzy, or you get a headache, or start vomiting you might be suffering from heat exhaustion and you should seek help at the EMT tent immediately.

SECURITY

You will notice that there is security personnel continuously patrolling the grounds at all times. They are not here to restrict you. They are here to make sure you and your camping area are safe from hater assassins. If you have any issues, please don't hesitate in stopping a member of the security staff to ask for assistance. They are here to help you! They are our friends and they would take a fuckin' bullet for you.

Notes

Wednesday

Host: Sugar Slam & Chop

This hot Juggalette is so recognizable that she was lovingly parodied on SNL! She packs a big personality in a small package, but don't let her sweetness fool you! She'll go thuggalette on that ass if she has to!

He's all up in the upcoming Psychopathic Documentary "The American Psycho Tour". He's been featured on episodes of the infamous The Shaggy Show, ThaFukEva, yes, even the wild and weird Hatchet infomercials!

Now, these two are combining forces ednesday night to keep you hype while they host the main stage!

Kool Keith 6:30PM-7PM

Kool Keith aka Dr Octagon is an alternative rap pioneer. His style is unfuckwittable, combining a sick lyrical flow with complex, creative and original lyrics. He presents his off the wall and often outta this world themes with little regard or concern for the mainstream world of popular hip hop. With an outlook like that, Kool Keith will be a perfect fit for The Gathering of the Juggalos main stage and it's an absolute honor to have him here.

Static X 7:15PM-8PM

It was back in 1999 when Static-X first hit the metal scene with their platinum-certified debut, Wisconsin Death Trip. Ever since then the group has had their foot pressing the pedal to the extremes of metal with successful albums, tours, and more. They have locked in a place for themselves in metal history and now it's time for them to share that skull crushing catalog with the Juggalos and Juggalettes.

ONYX 8:15PM-9PM

When you're talkin' about artists keepin' it hardcore and energetic to never seen before levels, you have to talk about Onyx! Instead of being lost among the crowd, steady crankin' out commercial crap, they would much rather do things their own way and get live as fuck in a class all their own. Onyx are so damn high octane, everybody around them has to BACK THE FUCK UP. Expect them to jump in with the Juggalos and Juggalettes and SLAM!!!

George Clinton 9:30PM-10:30PM

R&B?? Rock? Soul? Hellz nah. None of those simple titles could fully encompass what it was George Clinton and Parliament Funkadelic were doing up on stage. Instead, they created their own genre! P-FUNK! The Atomic Dog and his crew hit the stage at last year's Gathering of the Juggalos and to say it was a success would be an understatement. They had the entire crowd gettin' down to the funky flavor and this year will be no different!

Dark Lotus 11PM-12AM

They are the infamous and ominous five petals of the Lotus. Violent J, Shaggy 2 Dope, Jamie Madrox, Monoxide and Blaze. A Super group of underground icons who together take on a grim, opaque energy about them. They are a rare spectacle that only emerges and blossoms when they are in season, and luckily for us The Gathering happens right then. Dark Lotus presents an often slow, deep, dark tone that turns the moon blood red every time.

Thursday

Host: Jumpsteady

Jumpsteady has been a driving force behind Psychopathic Records since day freekin' one. Being the big brother of Violent J you know he was a huge inspiration and helped mold the label into what it is today. Jumpsteady is a rapper, one of 3 master creators of Morton's List, a JCW Hall Of Fame Wrestler, a Don of Psychopathic Records, and most importantly he is family. And now he's coming home Thursday night to host the main stage.

Danny Brown 6:45PM-7:15PM

Danny Brown has been declared one of raps most unique figures. There's a simple reason this dude is causing so many waves... originality. A great MC is one that doesn't sound like he's trying to sound like somebody else. It was only in 2011 when he signed to Fool's Gold Records and released his album, XXX, but in that short amount of time he has proven that he is a force to be reckoned with in the underground music scene.

Fear Factory 7:30PM-8:15PM

Saying that you just listen to 'metal' doesn't quite cut it. There are many different styles and flavors to choose from in your metal menu. Since the beginning of Fear Factory's career in 1989 they have bridged the gap between death metal, groove metal, thrash metal, industrial metal and speed metal which all whips together into Fear Factory's High Speed Voodoo! Thankfully they're bringing that energy to the main stage of The Gathering.

The Game 8:45PM-9:30PM

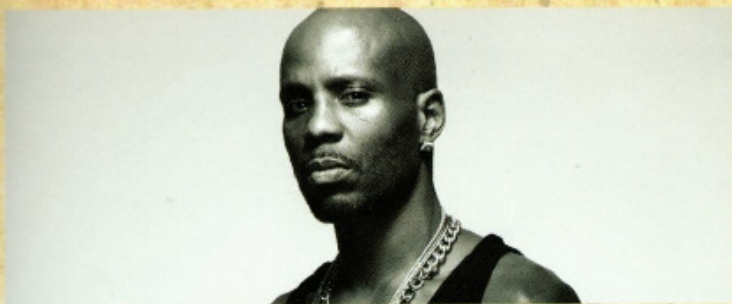

Considered by many to be one of the top 5, all time best MC's. He's authentic and true. No fake bio needed, this man is the real deal. And he's not afraid of confrontation... at all. Many would say that The Game's transition in the industry is a Cinderella story, but if you ask the man himself he would say that it was his destiny. It wasn't something that happened by accident, it wasn't a surprise. The Game has truly earned his place amongst rap's elite

Main Stage

DMX 9:45PM-10:30PM

DMX is a controversial name that has made a huge impact not only in music, but on the big and small screens, as well as in print. In the hip-hop scene he is a multi-platinum superstar. He's famously known for defeating Jay Z in a freestyle battle. He has acted in movies like *Belly*, *Romeo Must Die*, *Exit Wounds*, *Cradle 2 The Grave*, and *Last Hour*. Now added to his long list of accomplishments? Playing the main stage of The Gathering of the Juggalos!

Anybody Killa 11PM-12AM

Native Funk! It's the closest you can get to describing the style of the Hatchet Warrior, ABK, but it still doesn't come close to encompassing what you'll see and hear when he hits the stage! His talent on stage is truly inspiring. He stands there alone, no hype man, no stage extras. Yet he completely owns the stage and

Friday

Host: The Rude Boy

His name has been around since the Inner City Posse days. He is the longtime friend of ICP whose similar passion for wrestling and music has made the three inseparable. On Sunday night he will be wrestling, or fighting fellow Juggalo, Corporal Robinson in what is easily JCW most intense match up in JCW history as part of Bloodymania 6. Before any blood hits the mat Rudy will be hittin' the main stage up on Friday night as the special guest host!

Mack 10 6:30PM-7PM

Mack 10 is a long time Juggalo favorite and 2012 marks his big return! He is a well known member of the Westside Connection but you better believe that he has made an empire for himself as well. Just take a look at the man's career and you'll see that he is in charge of big things! He is the founder of the ultra successful independent record label Hoo-Bangin' Records. On top of all that he's the mother fuckin' Chicken Hawk! INGELWOOOOD!

Master P 7:15PM-8PM

Over the years, Master P has earned himself plenty of titles. Actor, entrepreneur, investor, producer, and founder of the enormously successful label No Limit Records, which has been relaunched as The New No Limit Records. He is the founder and CEO of P. Miller Enterprises. That's all very impressive, but honestly? There is just one title that we are interested in and that's his RAP skills. He's not just any rapper though, it's Master P!!!

Kottonmouth Kings 8:15PM-9:15PM

Main Stage

The Hatchet and the Kottonmouth Kings are kindred spirits. Suburban Noize Records is every bit as monstrous as Psychopathic and when the two get together, the concoction is nuclear! KMK have done their music their way from the very beginning and they haven't let anyone sway them away from what they want to do. Now it's time for another notch in their microphones as the West Coast weeded warriors hit the stage at the 2012 Gathering!

Three 6 Mafia 9:45PM-10:30PM

Huge Juggalo favorites, Horror Rap Icons Three 6 Mafia are not only longtime Juggalo favorites, but they have also gotten to add "Academy Award-winning rap group" in front of their fuckin' name. Whoop Whoop! it's easy to say they have become one of music's biggest success stories, but they show no signs of stoppin' and it's that no holds barred electricity they'll be bringin' to The Gathering of the Juggalos main stage.

Twiztid 11PM-12AM

Twiztid is forever makin' that music you can sharpen an axe to! They are always evolving and ever changing true masters of their craft. It's Jamie Madrox and Monoxide, holdin' it down for the 'Los and 'Lettes at The Gathering as only they can! Their stage shows are always memorable as fuck and they go out their way to push the envelope year after year! You realize how many jams they actually got when you peep the creeps of TWIIIIIZTID!

Saturday Host: Ric Flair

He's one of the most easily recognizable wrestlers since his career began in the late 1970's. Known as the dirtiest player in the game, Ric Flair never let rules get in the way of him rising through the ranks of wrestling greatness. While many know him as a Limousine-ridin', Jet-flyin', Kiss-stealin', Wheelin'-dealin', Son-of-a-Gun, the most distinct thing about Ric Flair is his signature catchphrase! WHOOOOOO!! or as we say Whoop Whoooooooooo!

Cold 187um 6PM-6:30PM

A West coast legend, Big Hutch is considered one of the best of the west and many credit him as the true pioneer of the G funk sound. He had made rap history as one half of the ground breaking rap act discovered by the late Easy E, Above The Law, and has since worn many hats in the rap game. Producer, A&R, VP, Director and now he's a hit man. Around The Hatchet we call him Cold 187um, The Psychopathic Assassin.

POD 6:45PM-7:15PM

They formed in 1992 and in those ten years they have racked up quite the list of accomplishments. But don't think they're just another mainstream success story. The group has gotten to where they are with blood, sweat, and passion. "Music comes down to passion," says P.O.D. frontman Sonny Sandoval. And it's that passion and there incredibly great music that they're bringing to the main stage of the 2012 Gathering!

Blaze Ya Dead Homie 7:45PM-8:15PM

The Dead Man Walking. Blaze is an underground warrior. Always stays dedicated and true to his Death Funk Sound, the homie is a true Horror Rap Hero. Just wait until he's draggin' his dead ass across the main stage of The Gathering of the Juggalos. His tracks are slammin and his voice is classic Dead Man. Dig up ole' Colton Grundy one night and press play and you'll see the difference between a mainstream zombie and fuckin' Zombie King.

Tech N9ne 8:30PM-9:30PM

Tech N9ne is a name that has been working magic in this game for years now. Many say he now owns the Underground. He's murdered stages everywhere leaving concert goers speechless. He was born for the stage. His amazing rapping comes as easy to him as speaking. He is destined to be one of the greatest underground stories of all time even though his talents have made it impossible for him to remain underground. Tech N9ne at The 2012 Gathering!

Geto Boys 9:45PM-10:30PM

The greatest horror rappers of all time. True innovators who were never afraid to kick some crazy shit on the mic, back when NOBODY had ever heard anything like it. They had to break through walls, trees, and rocks to lay the path for the rest of us. After 7 years of being on hiatus it's the main stage of the 2012 Gathering of the Juggalos that will set the scene for the three original members of the Geto Boys to reunite!

Insane Clown Posse 11PM-12AM

It has been three years in the making, but the 2012 Gathering of the Juggalos marks the release of the most highly anticipated album ever from the Insane Clown Posse.

We can only be talking about Violent J, Shaggy 2 Dope and Mike E. Clark's ultimate work of art... The Mighty Death Pop! With this spectacular album dropping at the largest Juggalo Family Reunion in the world, it's going to be raining diamonds all day and night long. There is no better place in the world to witness an Insane Clown Posse show than at the Gathering. Even the legendary greatest stage monster of all time, Evil Dead is on stage with them! This feeling of absolute elation will grow and steadily build up until it all comes to a head on Saturday night during the final performance on the main stage as the Wicked Clowns bust a huge nut all over the face of the earth! He got his first big break at the young age of seventeen when he won a contest to open for the late and great comedian, Sam Kinison. Since then he has been entertainin' the fuck out of people. And he's done an amazing job. Making appearances on The Wayne Brady Show, The Tonight Show with Jay Leno, and The Big Black Comedy Show. His next stop? The Gathering of the Juggalos comedy tent and we can't fuckin' wait! Much Clown love, Ralphie!

Thursday Night

Jamie Kennedy 12:30AM-1AM

He has been in over 40 films covering comedy, drama, animation, reality, horror, action, thriller and quite possibly snuff and porno... Jamie Kennedy has not only appeared on Oprah, Ellen, Jay Leno, Conan O'Brien, Jimmy Kimmel, George Lopez, and Larry King (just to name a few) but he has also hosted his own show in the ever popular Jamie Kennedy Project. Now he's finally earned the right to share the stage with Upchuck the Clown!

Cheech & Chong 1:30AM-2:15AM

Ultra controversial everywhere else in the world, but right at home with us. These men are comedy ICONS. They have released nine albums which earned them four Grammy nominations. They have also been very successful with a total of eight feature length films. While their list of accomplishments is endless, they are much bigger than all of that. They are as respected as possibly can be in comedy and it's our honor to have them here with us!

Friday Night

Bobcat Goldthwait 1AM-2AM

Bobcat Goldthwait is another comedian that has taken his talents and stretched them far beyond the reaches of the stage. Some comedians are just too big for the stage! Bobcat has continued to excel throughout his entire career. Despite everything he's amazingly accomplished thus far, we're confident that he has never witnessed anything like The Gathering and we're proud and honored to have him as part of the comedy stage in 2012!

We are calling upon the magician of The Gathering to shock and amaze all! He will saw your dome in half and then pull a new head up from out of your neck as he makes the impossible happen! Frankly speaking, this man makes David Blain look more like David Lane. He will pull a witness out from the audience, place her in a box and then actually saw her in half! Then he will mop up the mess and move on to the next trick! He's awesome!

Sideshow/Freakshow

What's a Dark Carnival without some sideshows acts and oddities creeping around the shadows of your tents? Wouldn't that be dope if you woke up and a ninja with a tattooed face and a spike threw his cheeks was sleeping right next to you? Shirtless and grippin' his nuts? I think you would love that shit. We all would. That would be sure to send chills down your spine! You have to see these fire breathing sword swallowing ninjas to believe them!

Hog Daddy's Hellfire

Weds - Saturday 1AM-5AM

Picture a 3 story tall bombfire. The big homie Hog Daddy drops a barley lit joint on it and then turns around and walks towards us in slow motion as the fire behind him explodes into a raging inferno. Did you miss it one night? No worries! We light this shit up every single night of the Gathering! And the fire burns so bright and high into the sky that it melts all the ice on Pluto which causes it to rain and thunder all throughout the galaxy.

Violent J's Beach Boys BBQ Blowout Bash Blast

with DJ Clay @ The Jump Off

Sunday 4PM-6PM

Guest Cooks: Vampiro, Corporal Robinson, 2 Tuff Tony

Special Guest Band: Who's Bad

Violent J's insane BBQ has become a staple of The Juggalo Gathering! For some reason DJ Clay spins The Beach Boys, Michael Jackson, Prince and yes... Plenty of underground wicked bangers. The combination makes no sense on paper, but for those there in attendance it's fuckin' perfect. It's the music, the special guest chefs turning out thousands of free hot dogs and cheesy hamburgers on 3 big ass grills that make the stage an easy 140 degrees, plus the ice cold Faygos we're chuckin off the stage bustin' everybody in the head with and each other that just sets this bitch off every year. This year is going to be even bigger when the ultimate Michael Jackson tribute band takes the stage. That's right, we're dead serious, we're talkin' about Who's Bad!! We fuckin' love Michael Jackson's music and these guys are the best at performing the jams live! The lead singer might as well be MJ himself because it's like he's that fuckin good. It's so hype it's fuckin psychotic. Get there early and grab yourself a spot because this family BBQ gone mad with The Duke of the Wicked, DJ Clay, 3 Guest Judges is off the plank. Be prepared for mad ninjettes on stage gettin crazy to WHO'S BAD!!

Violent J's West Siiiiiiide Party

Thursday 2AM-4AM

Glasses Malone

Raised amongst a family who was deep in the illegal drug trade, Glasses Malone was following in the footsteps by taking up the life of a gang banger during his teenage years. Since then he has proven that anyone can be a success, so long as they have the drive and talent to back it up. An inspirational story if there ever was one, and we're geeked as fuck that his path now is leading him to The Gathering of the Juggalos.

Lil Eazy-E

Lil Eazy-E was left with some big shoes to fill with the unfortunate passing of his father, the late, great God Father of Gangsta Rap Eazy-E. Since then he has worked tirelessly to make sure that the name of his Father will always live on forever. Along the way he has become extremely successful in his own right and has been creating his own legacy to be proud of. Like father like son. He's a perfect addition to Violent J's West Siiiiiiide party.

The Pharcyde

Alternative rap originators, The Pharcyde were hittin the scene hard around the same time that Gangsta Rap was huge on the West Coast. Their style has always been something much more out of the box. Their humor is self-deprecating yet intelligent, finding the perfect balance between the two and they've pulled off in a way that many artists are unable to accomplish. The next step in that quest is Violent J's West Siiiiide party!

Warren G

In the beginning, Warren G created a group called 213 with Nate Dogg and Snoop Dogg. Although the group didn't quite get off the ground then, each member went on to be prosperous, including Warren G who helped create the distinct style that is G-Funk. He's since found certified platinum success in his solo career. These days Warren G is a Grammy award nominated rapper and producer. Catch this flavor during Violent J's West Siide party!

Shaggy's Beast of the East Party

Friday 2AM-4AM

The Fat Boys

The fuckin original Fat Boys!!! What the fuck? How dope is that! They have always been known for their HUGE personalities and enormous contributions to the early days of the rap game, but these guys have still got ALL the talent needed to back it up! The Fat Boys have become a house hold name in the world of rap. They are staples of the hip-hop scene and now they're going to be staples at Shaggy's Beast of the East Party!

Rahzel

The premiere human beat box artist! Rahzel is known as the "Godfather of Noyze". He will drop your jaw with the quickness. A onetime member of The Roots, he is an artist who has taken the art of beat boxing to a whole new level in the music scene. He has defeated beat box masters all over the globe and is officially the world's best. We can't wait to see what he does with his time up on stage during Shaggy's Beast of the East Party!

Biz Markie

Biz Markie has been doin' the damn thang since 19 fuckin' 80, y'all, and he can do it all now better than ever! He's as famous and as well known today as he's ever been. He's a rapper, DJ, beat box master, actor, host, and reality television personality! Everybody knows and loves his hits like 'The Vapors' and 'Just A Friend'. We're proud that Biz will be hitting the stage performing his raps at Shaggy's Beast of the East party! We caught the vapors!

Raekwon

When you hear the name Raekwon The Chef, it's impossible to not associate him with the legendary Wu-Tang Clan, but he has proven time and time again that he can break away from the pack and shine just as impressively when he's alone. His solo albums are critically acclaimed and he's moved at his own pace throughout his illustrious career. And his next move will take him right to the stage at Shaggy's Beast of the East Party!

Twiztid's Dirty Dirty Party

Saturday 2AM-4AM

Rittz

Surrounded by music his entire life, Rittz started rapping at the age of twelve and no one has been able to stop him since. His influences in rap spread far and wide. He took it all in and developed his own creative and innovative flow. Traces of all types and styles of rap can be heard in his unique sound. His raps are his reality. Now he's going to be rappin' for the Juggalos and Juggalettes on stage at Twiztid's Dirty Dirty Party!

Haystak & Jelly Roll

Haystak is pretty straight up when it comes to his style of rapping. He calls it 'white trash'. He spits about what he knows and that's growin' up white and poor in the South. Stack doesn't front and pretend to be somebody else.

Then you have one of the fastest rising stars out there: Jelly Roll. This ninja has been gaining fans like hard white since his debut, and now he brings his real life, country shit to the Lo's and Lette's of Twiztid's Dirty Dirty Party!

Lil Wyte

This will be Lil Wyte's third time performing at The Gathering and he's an artist the 'Los and 'Lettes are always more than happy to see again and again. He is definitely family around here. Lil Wyte is even featured on ICP's Smothered, Covered, and Chunked. His ferociously deep and raspy voice has been called one of the hardest in the game. Thankfully his many travels lead him to the stage of Twiztid's Dirty Dirty Party! YEAH HOE! YEAH HOE!

Project Pat

This underground money earner has been rollin' with Three 6 Mafia for a long ass time. Actually, he has been hangin' with Juicy J since he was born, because they're brothers! Which just goes to prove that sick ass talent and rap skills run through the blood! Although he's had some legal trouble, Project Pat hasn't let that hold him back from gettin' his music heard around the world. He now brings his heat to the stage at Twiztid's Dirty Dirty Party!

Other Flavor!

Carnival Rides

When you ride the zipper, you'll inhale your balls up through your stomach and into your throat. Those around you will laugh hysterically. Finally somebody will make a fist and gently pound the top of your head sending your balls back down and out into the safety net that is your nut bag. Ride at your own risk. Last year the Ferris wheel took off and rolled away. It finally stopped rolling 26 miles from here, with half the people still on it!

Spazmatic Hangout

Whether it's morning, noon, or night the Spazmatic Hangout is the place to kick it! This is the spot to take a load off, grab yourself an icy beverage, and meet up with your homies or make some new ones! It's right in the middle of EVERYTHING and easy as fuck to find. Just grab yourself a seat along with a Faygo, Spazmatic, or water! Enjoy the fresh tunes playin' and take a moment of zen before you get back to the madness of The Juggalo Gathering.

Moon Bounce

The Gathering of the Juggalos is all about being yourself and doing what you want to do! Even if its act like an 8 year old! If one of those things you want to do includes jumping around in a moon bouncey house, we've got you smothered and fuckin' covered homie, with the Adult Moon Bounce! Fat ninjas are welcome but just remember fat ass, if you break it, you buy it! And if you hook up with your lady in there, courtesy wipes are expected.

Love Train

Catch a ride on one of the fuckin' FOUR love trains that will be running the entire length of The Gathering. It's the best way to travel around, allowing you to take in the sights and sounds along with the camaraderie of chillin' with your fellow train riding homies. Pick-up stations are marked on the map. Do not attempt to get on or off the Love Train while it's moving and do not get in front of the Love Train or you get plowed and flattened.

The 2 "Peep This Shit" Stages

Whether your talent consists of karaoke, playing an instrument, rapping, singing, jamming with a live band, poetry, or even playing the skin flute, it doesn't matter! If you have a talent you want to share it with the 'Los and 'Lettes then jump up on the "Peep This Shit Stages! Three years in the making and for sale for the first time anywhere in the world here at The Gathering of the Juggalos, It's The Mighty Death Pop! The brand new album from the Insane Clown Posse!

Auggnographs (We know that is technically spelled wrong, we obviously dont care. That's Juggalo spelling. Maybe we say Webster's spelling is wrong. After all, who the fuck died and made Webster the boss? Fuck Webster and his Dickshunarrie)

This is your chance to walk up and slap daps with all your favorite Psychopathic artist! You can tell them how much they mean to you, tell them a story, ask them a question, tell them they're slippin' and their new shit sucks... Say whatever the fuck you want, as long as you say it with some Juggalo love. Have them sign your stuff. Pass out daps, pounds, presents, praise, pizzas, or pussy, whatever! They'll accept it all.

Swimming Hole

Since day one in The Hatchet Landings, Juggalos and Juggalettes have taken to referring to the swimming hole as Lake Hepatitis. Over the years, it's just sorta stuck. Keep in mind that this is just a loving nickname for the swimming hole and that it is not only totally safe and clean to swim in, but a great place to cool off! Bring your swimsuits and trunks for a break from the heat in the Hatchet Landings swimming hole!

Cool-down Stations

It gets pretty heated around the Grounds, so to help out we have cool-down stations located all throughout this bitch. You can usually find them just looking but if you're having a hard time simply check out your map! Each of them is clearly marked. They have multiple banks of sprayers with their own plumbing which offers water safe enough to drink. There are even taps on the side so you can easily fill up your water bottles! Enjoy the coooool!
